INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
RJ Lee Group, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of RJ Lee Group, Inc. Retirement Savings Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Voya Institutional Trust Company, a qualified institution, as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of the ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and is to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITOR'S REPORT

(continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investments information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT

(continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of RJ Lee Group, Inc. Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide supplemental retirement benefits for employees of RJ Lee Group, Inc. ("Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

The Plan covers all employees (hourly and salaried) of the Company. A salaried employee becomes eligible to participate at the beginning of the next month following the date of hire. Hourly employees are eligible to participate after working 1,000 hours in any 12-month period.

Participants are automatically enrolled into the Plan after three months of eligibility unless the participant makes an election not to enroll in the Plan.

Contributions

Participants may direct the Company to contribute 1% to 75% of their compensation. Contributions for any calendar year are subject to certain Internal Revenue Code limitations (\$22,500 and \$20,500 for 2023 and 2022, respectively). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Deferred salary contributions are classified as participant contributions in the financial statements.

During the year ended December 31, 2023, the Company made certain monthly discretionary matching contributions equal to the lesser of 3% of participant compensation or 50% of the employee contribution, up to a maximum annual matching contribution of \$3,000 per participant. The Company did not make any discretionary matching contributions during the year ended December 31, 2022.

In January 2024, the Company amended the Plan to allow participants to contribute Roth elective deferrals to the Plan on an after-tax basis.

Participant accounts

Each participant's account is increased for participant deferred salary contributions and Company monthly discretionary matching contributions, reduced for withdrawals, and increased or decreased for an allocation of Plan earnings (losses) based on the investment options elected by the participant. Contributions for which no effective investment direction is given by the participant are invested in the appropriate age-based targeted retirement fund.

NOTE 1 - PLAN DESCRIPTION (continued)

Vesting

Participants are always 100% vested in all contributions. Terminated employees are entitled to their vested amounts.

Notes receivable from participants

Participants may borrow up to the lesser of 50% of their account balance or \$50,000 against their retirement plan account. The minimum amount of a loan is \$1,000 and no loan will be made if there is another loan outstanding to the same participant. Loans are repaid by regular payroll deductions over a maximum of five years, or over an extended term if the loan is for the purchase of a principal residence. Outstanding loans that are not repaid when a participant withdraws from the Plan are classified as benefits paid to participants in the statements of changes in assets available for benefits. As of December 31, 2023 and 2022, interest rates on outstanding participant loans ranged from 5.25% to 10.50%.

Distribution of benefits

Upon death, retirement or other termination of employment, the participant or beneficiary will receive a lump-sum distribution. A participant may also, in the event of hardship, be permitted to withdraw all or a portion of deferred salary contributions in accordance with Plan provisions.

Plan termination

Although it has not expressed any intention to do so, the Company may terminate the Plan at any time. In the event of termination, the interest of participants affected by the termination and their beneficiaries under the Plan shall be nonforfeitable.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

RJ LEE GROUP, INC.
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in assets during the reporting period. Actual results could differ from those estimates.

Investments

Investments in mutual funds are reported at their fair value as reported to the Plan administrator by the trustees and custodians of the Plan's assets. The Plan's investments in mutual funds are stated at fair value as measured by quoted market prices. The Plan's investment in the Voya Fixed Account is a fully benefit-responsive investment contract and is included in the financial statements at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment transactions are accounted for on the trade date (date the order to buy or sell is executed). Interest and dividend income are recorded as earned. All gains and losses (realized and unrealized) on investments recorded at fair value, bought and sold as well as held during the year, are included in net appreciation (depreciation) in fair value of investments reported within the statements of changes in assets available for benefits.

The Plan provides for various investment options that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.

Contributions

Participant contributions are generally recorded in the month withheld from the participant's compensation. Company contributions are recorded as paid.

Payment of benefits

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes receivable from participants

The Plan classifies participant loans as notes receivable under accounting principles generally accepted in the United States of America and reports the loans at the unpaid principal balance plus any accrued but not yet paid interest. Delinquent participant loans are reclassified as benefits paid to participants upon a distributable event.

Administrative expenses

Certain administrative expenses of the Plan, mainly professional fees, are paid directly by the Company.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 10, 2024, the date on which the financial statements were available to be issued.

Reclassifications

Certain amounts in the 2022 financial statements have been reclassified for comparative purposes to conform to the 2023 presentation.

NOTE 3 - FEDERAL INCOME TAX EXEMPTION

The Plan is operating under a non-standardized pre-approved plan document of Voya Retirement Insurance and Annuity Company that was established to comply with the applicable requirements of the Internal Revenue Code. The Plan obtained its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement dates.

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
(continued)

NOTE 3 - FEDERAL INCOME TAX EXEMPTION (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for periods prior to 2020.

NOTE 4 - CERTIFICATION

All information related to investment assets, investment transactions, and related income is disclosed in the accompanying financial statements and supplemental schedule of assets held at end of year, and is certified as complete and accurate by Voya Institutional Trust Company, the Trustee of the Plan, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 5 - INVESTMENTS

The Plan provides participants the opportunity to direct both participant and Company contributions into separate investment funds. However, the investing activity within the funds is discretionary, and individual fund managers have the authority to make investment decisions.

Fair value measurements

Investments measured and reported at fair value are classified and disclosed in one of the following categories based on the extent of market observability:

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. The type of investments reported as Level I include mutual funds.

Level II – Pricing inputs are other than quoted market prices included in Level I, however, are observable indirectly for the investment. The Plan does not carry any Level II investments.

Level III – Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The Plan does not carry any Level III investments.

NOTE 5 - INVESTMENTS (continued)

Fair value measurements (continued)

The valuations of the Plan's investments by the above fair value hierarchy levels are as follows as of December 31:

	<u>Level</u>	<u>2023</u>	<u>2022</u>
Mutual funds	I	\$ <u>16,329,031</u>	\$ <u>13,507,839</u>
		\$ <u><u>16,329,031</u></u>	\$ <u><u>13,507,839</u></u>

Fixed account

As of December 31, 2023 and 2022, the Plan holds a fully benefit-responsive investment in the Voya Fixed Account, offered by Voya Retirement Insurance and Annuity Company ("VRIAC"), an affiliated entity of the Plan's custodian.

The fixed account is included in the financial statements at contract value. The fixed account is an obligation of each custodian's general account, which supports all insurance and annuity commitments. All payment guarantees of contractual interest and redemption of invested funds are based on the financial strength and claims-paying ability of the respective custodian, who is solely responsible for all obligations under its contracts.

The nature of the fixed account is such that Plan participants may withdraw assets without restrictions; however, the custodian may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance. The occurrence of an event that limits the ability of the investment to transact at contract value between the custodian and a participant holding the investment is not probable.

The fixed account guarantees principal, and a guaranteed minimum interest rate ("GMIR") for the life of the contract, as well as featuring two declared interest rates: a current rate, determined quarterly or monthly, and a guaranteed minimum floor rate declared for a defined period - currently one calendar year. The GMIR may vary by participant based on the date the participant established an account under the respective fixed account contract.

The guaranteed minimum floor rate may change after a defined period, but it will never be lower than the GMIR that applies for the life of the contract. The current rate, the guaranteed minimum floor rate, and the GMIR are expressed as annual effective yields. Taking the effect of compounding into account, the interest credited to the investment daily yields the then current credited rate.

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - INVESTMENTS (continued)

Fixed account (continued)

Each custodian's determination of credited interest rates reflects a number of factors, which may include mortality and expense risks, interest rate guarantees, the investment income earned on invested assets and the amortization of any capital gains and/or losses realized on the sale of invested assets. Under this option, each custodian assumes the risk of investment gain or loss by guaranteeing the principal amount allocated to the investment option and promising a minimum interest rate during the accumulation period and also throughout the annuity payout period, if applicable.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds issued by Voya Financial, the record keeper of the Plan's assets. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management and trustee services qualify as party-in-interest transactions and amounted to \$39,940 and \$38,530 for the years ended December 31, 2023 and 2022, respectively. The Plan also holds notes receivable from participants which qualify as party-in-interest transactions.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2023:

Assets available for benefits per the financial statements	\$ 17,813,777
Less: contributions receivable - Company	<u>21,181</u>
Assets available for benefits per the Form 5500	<u><u>\$ 17,792,596</u></u>

The following is a reconciliation of contributions - Company per the financial statements to the Form 5500 for the year ended December 31, 2023:

Contributions - Company per the financial statements	\$ 64,667
Less: contributions receivable - Company	<u>21,181</u>
Contributions received from employers per the Form 5500	<u><u>\$ 43,486</u></u>

The financial statements present amounts due to the Plan as of December 31, 2023 as contributions receivable, in accordance with accounting principles generally accepted in the United States of America. Contributions are included in the Form 5500 on a cash basis in the Plan year they are received.
