Independent Auditors' Report

To the Plan Administrator of the
O'Keeffe's Inc. 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of O'Keeffe's Inc. 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of O'Keeffe's Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Trust Company LLC as of December 31, 2023, and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of O'Keeffe's Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about O'Keeffe's Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of O’Keeffe’s Inc. 401(k) Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about O’Keeffe’s Inc. 401(k) Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2023 and 2022

Note 1 – Description of Plan

The following description of the O'Keeffe's Inc. 401(k) Plan and Trust (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a deferred profit-sharing plan intended to qualify under Section 401(a) and related provisions of the Internal Revenue Code. The Plan was originally effective January 1, 2007.

The Plan was first amended and restated on January 1, 2014, when the Plan became subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was also amended on January 1, 2019, to remove minimum age and service requirement for participants deferrals, and to add auto-enrollment provision whereby all new participants and current participants who have not entered into a salary deferral election are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated fund until changed by the participants.

The Plan was further amended on January 1, 2020, to add minimum age requirement of age 21, to be eligible for a safe harbor employer matching contribution and increase the minimum participant loan amount to \$10,000.

Effective, January 1, 2022, the Plan was restated to exclude bonuses and overtime payments from the definition of eligible Plan compensation.

On December 20, 2022, the Plan was amended effective January 1, 2020, to comply with the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019 and to formally adopt coronavirus-related distributions, loan assistance and other provisions as permitted under the Coronavirus, Aid, Relief and Economic Security (CARES) Act and defined in the CARES/SECURE Acts Interim Amendment.

Effective, January 1, 2023, the Plan was restated to exclude the Group Term Life Insurance payments from the definition of eligible Plan compensation.

Notes to Financial Statements

December 31, 2023 and 2022

Note 1 – Description of Plan (continued)

The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination, or financial hardship. The Plan covers all employees of O'Keeffe's Inc. (the Company).

Contributions –The Company may, in its sole discretion, make a non-elective contribution to the Plan. To receive a Plan contribution, a participant must be employed on the last day of the Plan year. All eligible employees who terminate employment with the Company due to death, disability or attainment of normal retirement age will still be eligible to receive a non-elective contribution.

Eligible employees may elect to reduce their compensation and make contributions to the Plan on a pre-tax basis. Participants may contribute any percentage of their annual compensation, as defined in the Plan, up to the maximum limit permitted by the Internal Revenue Code. In addition, participants qualifying for age-based provisions may contribute additional catch-up deferrals.

Safe harbor contributions – If employees make an elective deferral, the Company is required to make a safe harbor contribution based on compensation. The safe harbor contributions for 2023 and 2022 were 100% of the first 4% of salary deferral.

Rollover contributions – Eligible employees are permitted to roll over qualified funds from other qualified plans.

Participant accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and (b) Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the plan. Allocation is based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from participant's vested account.

Vesting – Employer profit sharing contributions will vest based on years of vesting service (1,000 hours of service in a calendar year). Employer profit sharing contributions will be fully vested (100%) after six years of service. Upon attainment of normal retirement age while employed by the Company, disability or death, employer contributions are immediately 100% vested. Safe harbor and participants' qualified non-elective contributions, if any, are always 100% vested.

Notes to Financial Statements

December 31, 2023 and 2022

Note 1 – Description of Plan (continued)

Forfeited accounts – At December 31, 2023 and 2022, the forfeited non-vested accounts totaled \$6,947 and \$1,906, respectively. These accounts will be used to reduce future safe harbor matching contributions. For the years ended December 31, 2023 and 2022, the amount of forfeitures used to reduce employer safe harbor matching contributions were \$0 and \$8,591, respectively.

At December 31, 2023 and 2022, the employer contribution receivable balance per Statement of Net Assets available for benefits was recorded net of forfeiture balance.

Investments – Investments are directed by the individual participants. Investment elections may be changed at any time.

Notes receivable from participants – Effective January 1, 2020, participants may borrow from their fund accounts a minimum of \$10,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The loans are secured by the balance in the participant's account. The interest rate on loans will be based on the prime rate of interest published by any Federal Reserve Bank as of the date of the loan, plus one percent. As of December 31, 2023 and 2022, the interest rate was 9.50% and 7.25%, respectively. Principal and interest are repaid ratably through payroll deductions.

Payment of benefits – Upon attaining the age of 59 ½, disability or on termination of service, a participant is entitled to receive a complete distribution of their account in a single sum. If the participant is deceased their beneficiary is entitled to receive the vested account balance. In addition, hardship distributions are permitted if certain criteria are met. Refer to Plan document for additional details.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements of the Plan are prepared under the accrual method of accounting.

Investment valuation and income recognition – The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

O'KEEFE'S INC.
401(K) PLAN AND TRUST

Notes to Financial Statements

December 31, 2023 and 2022

Note 2 – Summary of Significant Accounting Policies (continued)

Purchases and sales are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants – Notes receivable from participants are reported at their unpaid balances plus any accrued but unpaid interest, which approximates fair value. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

A loan that is in default is treated as a taxable distribution from the Plan of the entire outstanding balance of the loan ("deemed distribution"). For the year ended December 31, 2023 and 2022, the deemed distributions were \$40,644 and \$0, respectively.

Payment of benefits – Benefits are recorded when paid to participants.

Administrative expenses – All expenses of maintaining the Plan are paid by the Company, but if not paid by the Company shall be paid by the plan and allocated to all participants' account. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Use of estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent events – Subsequent events were evaluated through October 11, 2024, the date the financial statements were available to be issued. See Note 12.

Other – Plan assets of \$25,577 and \$729,003 are allocated to participants who, as of December 31, 2023 and 2022, respectively, are no longer employed by the Plan sponsor.

Notes to Financial Statements

December 31, 2023 and 2022

Note 3 – Certified Investments

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by Empower Trust Company LLC:

	2023	2022
Investments, at fair value:		
Separate investment accounts	\$ 11,877,511	\$ 8,991,605
Mutual funds	1,356,588	1,193,439
Investment at contract value	1,734,024	2,245,834
Notes receivable from participants	415,758	410,234
Net appreciation (depreciation) in fair value of investments	2,043,612	(2,114,631)
Credited interest on guaranteed investment contract	28,774	23,813
Interest income on notes receivable from participants	25,728	17,006

Note 4 – Fair Value Measurements

Fair value measurements – The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

O'KEEFE'S INC.
401(K) PLAN AND TRUST

Notes to Financial Statements

December 31, 2023 and 2022

Note 4 – Fair Value Measurements (continued)

- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially all of the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Separate investment accounts (SIA) have been measured on a recurring basis based on the net asset value (NAV) per share of the underlying mutual funds at the close of each business day as reported by each fund, adjusted for dividends and separate account fees.

The following table sets forth by level, within the fair market value hierarchy, the Plan's investments at fair value as of December 2023 and 2022:

Investments at fair value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Separate investment accounts	\$ -	\$ 11,877,511	\$ -	\$ 11,877,511
Mutual Funds	1,356,588			1,356,588

Note 4 – Fair Value Measurements (continued)

Investments at fair value as of December 31, 2022

	Level 1	Level 2	Level 3	Total
Separate investment accounts	\$ -	\$ 8,991,605	\$ -	\$ 8,991,605
Mutual Funds	1,193,439			1,193,439
	<u>\$ 1,193,439</u>	<u>\$ 8,991,605</u>	<u>\$ -</u>	<u>\$ 10,185,044</u>

The following table summarizes investments at fair market value based on NAV per share as of December 31, 2023 and 2022:

	Fair Value 2023	Fair Value 2022	Unfunded Commitments	Redemption Frequency	Notice Period
Separate investment accounts	\$ 11,877,511	\$ 8,991,605	n/a	Daily	1 day

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022 are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2023 and 2022, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

Note 5 – Guaranteed Investment Contract

The Plan includes an investment in a benefit-responsive guaranteed investment contract through a group annuity contract issued by Massachusetts Mutual Retirement Services (MMRS) totaling \$1,734,024 for 2023 and \$2,245,834 for 2022. MMRS maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer and is reviewed on a quarterly basis for resetting. Interest crediting rates as of December 31, 2023 and 2022 were 1.45% and 1.15%, respectively.

Note 5 – Guaranteed Investment Contract (continued)

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Massachusetts Mutual Life Insurance Company, represents contributions plus credited interest less participant withdrawals and fees. Participants may ordinarily direct permitted withdrawal or transfer transactions of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) removal of a group of participants from plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; or (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the plan sponsor's business. Such events also include: (1) removal from the plan of one or more groups or classifications of participants; (2) partial or complete plan termination; or (3) plan disqualification.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle using an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

Notes to Financial Statements

December 31, 2023 and 2022

Note 6 – Income Tax Status

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believed that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 – Commitments and Contingencies

The Plan's financial statements and Form 5500 are subject to inspection and audit by the Department of Labor. The potential exists for the assessment of penalties or the disallowance of the Plan's tax exemption. The ultimate liability, if any, which might result from such an audit cannot be reasonably estimated, and, accordingly, the Plan has no provision for possible penalties on its financial statements.

Note 8 – Plan Amendment and Termination

The Company may amend, terminate or merge the Plan at any time. However, no such action may permit any part of Plan assets to be used for any purpose other than the exclusive benefit of participants and beneficiaries or cause any reduction in the amount credited to the participant account. In the event of Plan termination, all amounts credited to participant accounts would become 100% vested.

The Company has not expressed any intent to terminate the Plan.

Notes to Financial Statements

December 31, 2023 and 2022

Note 9 – Reconciliation to Form 5500

The financial statements segregate notes receivable from participants separately from investments, and report interest on these notes separately from investment income. However, the notes receivable are included in investments on the supplementary schedule and on Schedule H of Form 5500.

Note 10 – Related Party Transactions

The Plan invests in various funds managed and overseen by Empower. Transactions in investments managed by the trustees, and therefore qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Fees paid by the Plan for the administrative expenses were \$110,857 and \$95,655 for the years ended December 31, 2023 and 2022, and qualify as exempt party-in-interest transactions. Additionally, all notes receivable from participants qualify as party-in-interest transactions under the provision of ERISA.

Note 11 – Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 12 – Subsequent Events

The SECURE Act 2.0, enacted on December 29, 2022, introduced several significant changes, including increasing the required minimum distribution (RMD) age to 75 (effective in 2033), mandatory automatic enrollment and escalation for eligible employees, emergency savings accounts within the plan, and employer matching contributions based on student loan repayments (effective January 1, 2024). Written amendments to the Plan reflecting these changes will be adopted at a later date, in accordance with applicable law and IRS guidance. The deadline for adopting amendments under the SECURE Act 2.0 is December 31, 2026.
