INDEPENDENT AUDITORS' REPORT

To the Trustees of
Ingraham Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Ingraham Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Ingraham Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ingraham Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ingraham Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ingraham Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Inghram Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes as of the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INGRAHAM GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE 1: DESCRIPTION OF PLAN

The following description of Ingraham Group 401(k) Plan, the ("Plan"), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. A copy of the Plan Document is available at the Company's office.

General: The Plan is a defined contribution plan sponsored by I-Corp, Inc., known as Ingraham Group, ("Company") covering all eligible employees who have satisfied the eligibility and entry date requirements and is eligible to participate in the Plan or a formerly eligible Employee who has an Account balance remaining in the Plan. Related employers who also participate in the plan include I-Corp Arizona, Sage Automation, and I-Corp Industrial Services, Inc. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Fidelity Management Trust Company is the trustee of the Plan.

Contributions: Participants may elect to defer any percentage or amount up to the maximum annual amount permitted by statute. Participants may also contribute amounts representing distributions from other qualified plans. The Company contributes a matching of 100% of the first 3% and 50% of the next 2% of base compensation that a participant contributes to the Plan. Additional amounts may be contributed at the option of the Company. Participants' and employer contributions are directed by participants into several available investment accounts. Contributions are subject to certain limitations.

Participant Investment Account Options: Investment account options available include various funds. Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily.

Participant Accounts: Each participant's account is credited with the participant's contribution, the Company's matching contribution and earnings on the participant's and Company's contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service. The nonvested balance is forfeited upon payment of benefits.

Notes Receivable from Participants: The Plan document includes provision authorizing loans from the Plan to active eligible participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the Participant's elective contribution balance. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest determined by the Administrator based on the prevailing interest rates charged by persons in the business of loaning money. All loans are repayable over a period not to exceed five years, except for loans for the purchase of a principal residence, through payroll withholdings unless the participant is paying the loan in full.

Payment of Benefits: Distributions upon death are made pursuant to the election of the participant or beneficiary. Upon termination of employment, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, installments, or a combination of lump-sum distributions and installments.

INGRAHAM GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (continued)
December 31, 2023

NOTE 1: DESCRIPTION OF PLAN (continued)

Forfeited Accounts: Forfeitures from participants' nonvested accounts may be used by the Company to reduce the matching contributions of the Company or pay administrative fees. The Company used \$38 of forfeitures in 2023 to pay administrative fees. At December 31, 2023 and 2022, unallocated forfeited nonvested accounts totaled \$895 and \$18,411 respectively.

Administrative Costs: The Company absorbs certain administrative costs of the Plan, such as accounting and auditing fees.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Quoted market prices, if available, are used to value investments. Shares of mutual funds and the money market funds are valued at net asset value (NAV) of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: The Plan document includes provisions authorizing loans from the Plan to active eligible participants. Participants may borrow from the fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the Participant's elective contribution balance. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest determined by the Administrator based on the prevailing interest rates charged by persons in the business of loaning money. All loans are repayable over a period not to exceed five years, except for loans for the purchase of a principal residence, through payroll withholdings unless the participant is paying the loan in full.

Administrative Expenses: For the year ending December 31, 2023 the following administrative expenses were paid with the plan assets from participant accounts; loan maintenance and setup fees \$1,431, and other fees \$163.

Payment of Benefits: Benefits are recorded when paid.

NOTE 3: FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, The Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence for fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs are not available. No Level 2 or 3 inputs were available to the Plan.

Level 1 Fair Value Measurements

The fair value of mutual and money market funds is based on quoted net asset values of the units held by the Plan at year-end. The mutual and money market funds held by the Plan are open-end mutual and money market funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual and money market funds held by the Plan are considered to be actively traded. The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:
