**PALMER SQUARE CAPITAL  
MANAGEMENT 401(k) PLAN**

FINANCIAL STATEMENTS AND  
INDEPENDENT AUDITORS' REPORT  
APRIL 27, 2023 THROUGH DECEMBER 31, 2023

## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants  
of the Palmer Square Capital Management 401(k) Plan  
Mission Woods, Kansas

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Palmer Square Capital Management 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits from the date of inception, April 27, 2023 through December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023, and from the date of inception, April 27, 2023 through December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Supplemental Schedule Required by ERISA

The Supplemental Schedule of Assets as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# PALMER SQUARE CAPITAL MANAGEMENT 401(k) PLAN

## NOTES TO FINANCIAL STATEMENTS APRIL 27, 2023 THROUGH DECEMBER 31, 2023

---

### 1. DESCRIPTION OF THE PLAN

The following description of the Palmer Square Capital Management 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. The Plan was established April 27, 2023.

**General** – The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") for employees of Palmer Square Capital Management, LLC, and KC WFC, LLC, (collectively, the "Company"). Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, "Empower") are the custodians and trustees of the Plan. Empower Retirement serves as the recordkeeper of the Plan.

**Plan Transfer** – Prior to April 27, 2023, the Company was an adopting employer of the ADP TotalSource Retirement Savings Plan, a multiple-employer defined contribution plan. In conjunction with establishing this Plan, \$4,649,486 in participant account balances attributable to the employees of the Company were transferred into this Plan effective April 28, 2023.

**Eligibility** – An individual is eligible to enroll in the Plan immediately upon reaching the age of 21. The Plan excludes members of the Board of Directors acting solely in that capacity (of which there are none), union employees, residents of Puerto Rico and nonresident aliens from participation.

**Contributions** – Participants may contribute a minimum of 1% up to 99% of compensation as either pre-tax, after-tax or Roth contributions, as defined in the Plan, subject to certain Internal Revenue Code ("IRC") limitations. Upon reaching the age of 50, a participant may also make catchup contributions to the Plan.

The Plan has an automatic enrollment feature that provides for an eligible participant with no existing salary reduction agreement as of the effective date to automatically contribute 3% of eligible wages unless the participant notifies the Plan administrator to withhold a different amount.

The employer may make a discretionary matching contribution on pre-tax and Roth contributions. In 2023, a match was contributed every payroll at the rate of 50% up to 6% contributed by the employee. Additionally, a discretionary true-up contribution was made after year-end.

**Participant Accounts** – Each participant's account is credited with the participant's and Company's contributions, investment earnings, and is charged with the participant's withdrawals and distributions, and an allocation of expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Investment Options** – The Plan offers a variety of mutual funds and a guaranteed annuity contract as investment options for participants.

**Vesting** – Participants' contributions are fully vested at all times. Employer contributions are fully vested after 3 years of service. In the event of permanent disability, death, reaching normal retirement age, or termination of the Plan, the Company contributions will become fully vested. An employee must work 1,000 hours in a year to earn one year of service.

**Forfeitures** – Forfeitures occur upon termination of employment by a participant who is not fully vested in the Plan. Forfeitures may be used to reduce the employer contributions, or to pay permitted Plan expenses. During the period from April 27, 2023 through December 31, 2023, no forfeitures were used by the Plan to fund employer contributions or to pay Plan expenses. As of December 31, 2023, there were \$8,760 in forfeitures.

**Payment of Benefits** – Upon termination of service, a participant may elect to receive a distribution of all or any portion of their vested account balance in a single lump sum payment or a rollover into an IRA or other eligible retirement plan, as defined by the Plan document. For distributions greater than \$1,000 but not exceeding \$5,000, the account balance will be distributed to the participant or rolled over into an individual retirement account, unless otherwise directed by the participant. Upon separation of service, if the participant's account balance exceeds \$5,000, the participant may elect to receive a distribution from the Plan as soon as administratively feasible or may elect to keep the remaining balance in the Plan.

**In-Service Withdrawals** – Certain participants may make withdrawals prior to termination of employment.

- Hardship withdrawals are available to Plan participants, as defined by the Plan and permitted by the IRC. Hardship withdrawals are limited to active employees and accounts that are 100% vested.
- Participants who have obtained the age of 59 ½ are allowed to receive a distribution of all or any portion of their fully vested contribution accounts, with a minimum of \$1,000, as defined by the Plan.
- Participants may withdraw accounts that are designated as rollover contributions at any time.

**SECURE Act** – The Setting Every Community Up for Retirement Enhancement Act of 2019 (“SECURE”) Act was signed into law on December 20, 2019, containing both optional and required provisions. Effective for the 2023 Plan period, the SECURE Act requires the Plan to, among other provisions, delay the commencement date for required minimum distributions to age 72.

**Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the participant's vested account balance and bear interest at the *Wall Street Journal* Prime rate, plus 1%. Loan terms are in accordance with limitations set forth by the Internal Revenue Service, and may not exceed five years, unless the loan is to purchase a primary residence. Loan repayments are made ratably through payroll deductions. A participant is allowed two loans at a time.

**Administrative Expenses** – Administrative expenses incurred by the Plan may be paid by the Plan or by the Company. During 2023, the Plan paid administrative expenses of \$10,517.

**Termination of the Plan** – Although the Company has not expressed any intent to do so, it has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Plan and under ERISA. In the event that the Plan should be terminated, participants shall become fully vested, and all remaining Plan assets shall be allocated to the participants as described in the full text of the Plan.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** – The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of Estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

**Contributions** – Employer and employee contributions are reported in the year services are rendered to the Company by the Plan participants.

**Investment Valuation and Income Recognition** – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

**Payment of Benefits** – Benefit payments are reported in the year paid.

**Excess Contributions Payable** – Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability with a corresponding reduction to contributions.

**Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance is considered necessary.

**Date of Management's Review** – Subsequent events have been evaluated through October 14, 2024, which is the date the financial statements were available to be issued.

### 3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds – Valued at the closing price reported on the active market on which the individual securities are traded.

Guaranteed Annuity Contract – Stated at fair value as the guaranteed annuity contract is not considered fully-benefit responsive. Fair value is equal to the contract value, less any market value adjustment and contingent deferred sales charge, if any. The account is valued using obtainable/observable existing contracts and readily available financial information.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments are reported at fair value as follows at December 31, 2023:

|                                    | <b>Fair Value<br/>Measurements Using:</b> |                   |                | <b>Total</b>        |

|                                    | <b>Level 1</b>                            | <b>Level 2</b>    | <b>Level 3</b> |                     |

#### 4. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which hold securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

#### 5. INFORMATION CERTIFIED BY CUSTODIANS

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Empower, the custodian of the Plan, certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments as of December 31, 2023, and for the period from April 27, 2023 through December 31, 2023:

- Investments, at fair value
- Notes receivable from participants, and related interest income on notes receivable
- Net appreciation in fair value of investments
- Interest and dividend income
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

**6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

Investments in the Plan consist of a guaranteed annuity that is issued by Empower. Additionally, the Plan pays certain fees to Empower, the Plan's custodian, to administer the Plan and to Merrill Lynch, the Plan's investment advisor. As such, these transactions qualify as party-in-interest.

Notes receivable from participants also qualify as party-in-interest.

**7. TAX STATUS**

The Company has adopted a Prototype Non-Standardized Pre-Approved Profit-Sharing Plan with CODA, which obtained its latest opinion letter on November 14, 2022, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since the date of the opinion letter. However, the Company believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**8. SUBSEQUENT EVENTS**

The Plan was amended effective January 1, 2025, to exclude part-time employees working less than 1,000 hours per year. Additionally, KC WFC, LLC, became Long Sports and Entertainment, LLC, effective January 1, 2024.
