INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
The Visual Pak Companies 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of The Visual Pak Companies 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 Supplemental Schedules including Schedules Required by ERISA

The supplemental schedules, Schedule of Assets Held at End of Year and Schedule of Delinquent Participant Contributions, as of and for the year ended December 31, 2023, respectively, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules required by ERISA, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules required by ERISA, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The financial statements of The Visual Pak Companies 401(k) Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 6, 2023, indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE VISUAL PAK COMPANIES 401(k) PLAN**NOTES TO THE FINANCIAL STATEMENTS****NOTE 1 – DESCRIPTION OF PLAN**

The following description of The Visual Pak Companies 401(k) Plan (the “Plan”) provides only general information. Effective January 1, 2023, the Plan was restated to remove Visual Pak Logistics, LLC and VP Xpress, LLC as participating employers. As a result of the transfer out, the Plan is now a single-employer plan. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General. The Plan is a defined contribution plan covering all eligible employees of the adopting employers as defined in the following paragraph provided the employee is none of the following: represented under a collective bargaining agreement, a nonresident alien, a leased employee, or a resident of Puerto Rico.

As of January 1, 2023, the adopting employers, all of which are affiliated through common ownership, included: American Blending & Filling Company; ABF Labs, Inc; Advanced Packaging, LLC; VP Plastics and Engineering, Inc; Visual Pak Company LLC; Visual Pak Pleasant Prairie, Inc; Visual Pak San Diego, LLC; and Cosmetic Laboratories of America, LLC (collectively the “Employer”). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (“IRC”) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility. Employees are eligible to participate in making voluntary salary-deferral contributions to the Plan and receive Employer safe-harbor matching contributions upon reaching the age of 21 and completing 3 consecutive months of service, as defined in the Plan document. Employees are eligible to receive Employer profit-sharing contributions upon reaching the age of 21 and completing 12 consecutive months of service, as defined in the Plan document. Eligible employees may enter the Plan on the first day of the quarter coinciding with, or following, their fulfillment of the service-eligibility requirements.

Participant Contributions. Participants may elect to defer a portion of their pre-tax compensation, as defined in the Plan Document, subject to amounts established by the IRC. All participants who reach age 50 by the end of the Plan year may also make additional catch-up contributions, subject to amounts established by the IRC. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollovers”). Participants direct the investment of their contributions into various investment options offered by the Plan under a group annuity contract (“GAC”).

Employer Contributions. The Employer provides a safe-harbor matching contribution, which is equal to 100% of a participant’s deferral up to 4% of the participant’s eligible compensation per payroll period. The Employer may also elect a discretionary profit-sharing contribution to the Plan for eligible participants who are employed on the last day of the Plan year and have met the hours of service requirement, as defined. The Employer made safe-harbor matching contributions of \$718,202 for the year ended December 31, 2023. There were no Employer profit-sharing contributions elected for the year ended December 31, 2023.

Participant Accounts. Each participant’s account is credited with the participant’s elective deferral, Employer safe-harbor matching contributions, and allocations of Employer profit-sharing contributions, if any. Participant accounts are credited with Plan earnings or losses and charged with an allocation of administrative expenses. Allocations are based on eligible compensation or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant’s vested account balance.

Vesting. Participants are immediately vested in their voluntary and rollover contributions and the Employer safe-harbor matching contributions, plus actual earnings thereon. Vesting in Employer discretionary profit-sharing contributions is based on years of service. A participant is 20% vested after two years of credited service and vests 20% per year thereafter, until becoming fully vested after six years of credited service. However, if an active participant dies or becomes permanently disabled prior to attaining the normal retirement age, the participant’s account becomes 100% vested.

THE VISUAL PAK COMPANIES 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Concluded)

Forfeitures. Forfeitures may only be used to reduce Employer contributions. As of December 31, 2023, there were no forfeitures for unvested account balances.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, less their highest outstanding loan balance during the prior 12 months, or 50% of their vested account balance in the Plan. Notes bear interest at a rate fixed and determined as of the date of issuance and are repaid through equal payroll deductions from the participant's compensation over a term of one to five years, unless the note is used to acquire a principal residence, at which time the note can be repaid over a reasonable period of time not to exceed 10 years.

Payments of Benefits. Upon termination of service due to death, disability or retirement, a participant may elect to receive the value of the vested interest in their account in the form of a lump-sum distribution, installments or partial withdrawals for amounts exceeding \$1,000. Hardship withdrawals out of the participant's pretax elective deferral account are permitted if certain criteria are met. Participants attaining the age of 59 ½ may request an in-service withdrawal of all or part of the vested portion of their accounts.

Recent Legislation. In December 2022, SECURE Act 2.0 ("SECURE 2.0") was enacted. SECURE 2.0 contains numerous significant changes for retirement plans, plan sponsors, and retirement plan providers. For example, SECURE 2.0 contains provisions related to, among many other things, increasing the required minimum distribution age, reducing required minimum distribution penalties, and removing required minimum distribution barriers for annuities. Many of the provisions in SECURE 2.0 went effective in 2023, but SECURE 2.0 will not be completely implemented until 2027. The Internal Revenue Service ("IRS") has issued additional guidance addressing specific issues arising from the implementation of the provisions of SECURE 2.0.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates and Assumptions. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

Investment Valuation and Income Recognition. Investments are reported at fair value, except for its GAC, which is reported at contract value (Note 5). Fair value is the price that would be received when selling an asset or paid when transferring a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The group annuity insurance contract is reported at contract value, which is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participants' loans are reclassified as distributions based upon the terms of the Plan document.

THE VISUAL PAK COMPANIES 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

Payment of Benefits. Benefits are recorded when paid.

Excess Contributions Payable. Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding deduction to contributions. Excess contributions payable were \$3,996 as of December 31, 2023.

Concentration of Credit Risk. Substantially all the Plan's assets were held by Standard Insurance Company ("Standard" or "Custodian") which is a qualified institution pursuant to ERISA.

Administrative Expenses. Plan expenses directly attributable to a participant, such as loan fees and withdrawal fees, are paid by the applicable participant. Professional fees and certain administrative expenses incurred by the Plan are paid by the Employer. Expenses paid by the Employer are excluded from these financial statements. To the extent not covered by the Employer, all other expenses are paid by the Plan. Investment-related expenses are included in net depreciation in fair value of investments.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN OF THE PLAN ASSETS

The Plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified certain information included in the accompanying financial statements and supplemental schedules is complete and accurate as follows:

- Investments from participants as shown in the statements of net assets available for benefits as of December 31, 2023.
- Investment income from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Note 4: All investment balances.
- The schedule of assets held for investment purposes at end of year as of December 31, 2023, as shown on Form 5500, Schedule H, Part IV, Line 4i.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2. Inputs to the valuation methodology include (1) quoted prices for similar assets and liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs that are both unobservable and significant to the fair value measurement.

(Continued)

See Independent Auditor's Report.

THE VISUAL PAK COMPANIES 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Concluded)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023.

Pooled Separate Accounts. Valued at the net asset value of units held ("NAV"). The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan administrator believes the valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair Value at Investments in Entities that use NAV. The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

NOTE 5 – FULLY BENEFIT-RESPONSIVE CONTRACT

The Plan holds a group annuity contract, Standard Insurance Company Stable Asset Fund Account, which meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.00%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

(Continued)

THE VISUAL PAK COMPANIES 401(k) PLAN**NOTES TO THE FINANCIAL STATEMENTS****NOTE 5 – FULLY BENEFIT-RESPONSIVE CONTRACT (Concluded)**

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax-exempt under Section 501(a) of the IRC.
2. Premature termination of the contracts.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines.
2. A breach of material obligation under the contract.
3. A material misrepresentation.
4. A material amendment to the agreements without the consent of the issuer.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become fully vested in their accounts.

NOTE 7 – TAX STATUS

The Plan adopted a Non-Standardize Pre-Approved Profit Sharing/Money Purchase/CODA Plan ("Prototype Plan") sponsored by Standard Retirement Services, Inc, a division of Standard, the Custodian of the Plan. The Prototype Plan obtained its latest determination letter on June 30, 2020, in which the IRS state that the Prototype Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has not requested its own IRS determination letter. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is exempt.

NOTE 8 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. These transactions are not considered prohibited transactions under the ERISA regulations. Fees paid by the Plan to the Custodian for administrative expenses aggregated \$33,520 for the year ended December 31, 2023. In addition, certain administrative functions are performed by trustees of the Plan or employees of the Employer for which no compensation is received from the Plan for their services.

THE VISUAL PAK COMPANIES 401(k) PLAN**NOTES TO THE FINANCIAL STATEMENTS****NOTE 9 – RISK AND UNCERTAINTIES**

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 10 – DELINQUENT REMITTANCES

The Employer did not remit participant deferrals and loan repayments totaling \$52,795 to the Custodian, as required by the Department of Labor Regulation 2510.3-102 during the year ended December 31, 2023 ("Late Remittances"). The DOL considers Late Remittances to be prohibited transactions. The Employer corrected Late Remittances during the year ended December 31, 2023. Participant accounts were credited with the amount of investment income which would have been earned had the participant deferrals and loan repayments remitted on a timely basis. The Employer also remitted the related excise taxes.

NOTE 11 – SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2023 through October 10, 2024, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period that have not been disclosed in the notes to the financial statements.
