## **Independent Auditors' Report**

To the Plan Administrative Committee  
The Beverage Market, LLC 401(k) Retirement Savings Plan  
Hazard, Kentucky

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of The Beverage Market, LLC 401(k) Retirement Savings Plan (Plan), formerly known as Employee Resource Group, LLC 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Beverage Market, LLC 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Beverage Market, LLC 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Beverage Market, LLC 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Beverage Market, LLC 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Beverage Market, LLC 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**

**Note 1. Plan Description**

The following description of The Beverage Market, LLC 401(k) Retirement Savings Plan (Plan), formerly known as Employee Resource Group, LLC 401(k) Retirement Savings Plan, provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

**General:**

The Plan is a defined contribution plan covering certain employees, as defined in the plan document, of Employee Resource Group, LLC (the Employer). The Beverage Market, LLC was added as an adopting employer on January 1, 2022. Prior to January 1, 2022, Employees who had attained age twenty-one and completed three months of service were eligible to participate in the Plan. Effective January 1, 2022, one year of service (at least 1,000 hours) is required to participate in the Plan. Entry dates were the first day of each calendar quarter prior to January 1, 2022. Effective January 1, 2022, entry dates are January 1 and July 1. With regard to the employer matching contribution, participants were previously eligible to receive a contribution provided they had deferred an average of at least 6% of compensation during the plan year, had at least 1,000 hours of service during the plan year, and were employed on the last day of the plan year. Effective January 1, 2022, the employer matching contribution is based on years of service. In addition, effective May 1, 2023, union employees will receive a monthly profit sharing contribution of \$100-\$125 for every month that they have completed one hour of service based on their years of service, with entry dates on the first day of the following month. The Board of Directors is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

**Contributions:**

Each year, participants may contribute up to 100% of pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Employer also makes a discretionary matching contribution each pay period. Effective January 1, 2022, the discretionary matching contribution is using a tiered rate schedule based on years of service. The match tiers are as follows:

| <u>Years of Service</u> | <u>Matching Contribution</u> |
|-------------------------|------------------------------|
| 1-7                     | 25% of deferrals             |
| 8-13                    | 35% of deferrals             |
| 14 years or more        | 50% of deferrals             |

## NOTES TO FINANCIAL STATEMENTS

Effective May 1, 2023, the Employer also makes a monthly profit sharing contribution to union employees for each month that they complete one hour of service, also based on years of service. The profit sharing tiers are as follows:

| <u>Years of Service</u> | <u>Profit Sharing Contribution</u> |
|-------------------------|------------------------------------|
| 0-9.99                  | \$100 per month                    |
| 10-14.99                | \$115 per month                    |
| 15 years or more        | \$125 per month                    |

The total profit sharing contributions for the year ended December 31, 2023 were \$48,945. Contributions are subject to certain IRS limitations.

### **Participant accounts:**

Each participant's account is credited with the participant's contributions and the Employer's contributions, as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Vesting:**

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the employer contributions portion of their accounts and earnings on those contributions is based on the years of service as outlined in the following table:

| <u>Years of Service</u> | <u>Percent of Non-Forfeitable Interest</u> |
|-------------------------|--------------------------------------------|
| Less than 1             | 0%                                         |
| 2                       | 20%                                        |
| 3                       | 40%                                        |
| 4                       | 60%                                        |
| 5                       | 80%                                        |
| 6 or more               | 100%                                       |

### **Payment of benefits:**

On termination of service due to death, disability, retirement, or termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan specifically restricts the timing and method of benefit payments based upon the participant's age, length of service, account value and reason for termination. In the event of financial hardship, the Employer may allow a participant to withdraw from his or her account. The amount may not exceed the amount contributed by the participant, or the participant contribution account balance, if less.

## **NOTES TO FINANCIAL STATEMENTS**

### **Notes receivable from participants:**

Effective May 1, 2023, participants may borrow from their accounts a minimum of \$1,000 up to a maximum of 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range from 1-5 years. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. Interest rates are currently at 9.50%. Principal and interest is paid ratably through payroll deductions.

### **Forfeited accounts:**

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$53 and \$23, respectively. Forfeitures are to be used to reduce future employer contributions. In 2023 and 2022, employer contributions were reduced by \$3,795 and \$7,905, respectively, from forfeited nonvested accounts.

## **Note 2. Summary of Significant Accounting Policies**

This summary of significant accounting policies of The Beverage Market, LLC 401(k) Retirement Savings Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

### **Basis of accounting:**

The financial statements of the Plan are prepared on the accrual basis of accounting.

### **Use of estimates:**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### **Investment valuation and income recognition:**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Directors determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance company. See Note 4 for discussion of fair value measurements.

## **NOTES TO FINANCIAL STATEMENTS**

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### **Notes receivable from participants:**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

### **Contributions:**

Contributions from Plan participants and matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

### **Payment of benefits:**

Benefits are recorded when paid.

### **Expenses:**

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

### **Subsequent events:**

The Plan has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued.

### **Note 3. Certified Investments**

Certain information related to investments and notes receivable disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022 and net appreciation (depreciation) in fair value of investments and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal Global Investors Trust Company, the custodian, and Principal Life Insurance Company, the insurance company.

## NOTES TO FINANCIAL STATEMENTS

### Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active or inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

All assets have been valued using a market approach. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023 or 2022.

Common/collective trust funds and pooled separate accounts – valued at the net asset value of units held by the Plan at year end. The net asset value is used as a practical expedient to estimate value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan held no assets required to be leveled within the fair value hierarchy as of December 31, 2023 and 2022. The following table sets for the Plan's assets measured at net asset value as of December 31, 2023 and 2022:

|                                         | <u>2023</u>        | <u>2022</u>        |
|-----------------------------------------|--------------------|--------------------|
| Investments measured at net asset value | <u>\$5,082,116</u> | <u>\$4,348,077</u> |

## NOTES TO FINANCIAL STATEMENTS

### **Investments Measured Using Net Asset Value per Share Practical Expedient:**

The pooled separate accounts and common/collective trust funds have no unfunded commitments and can be redeemed daily, with no redemption notice period, without specific terms or conditions at the underlying investments' net asset value (NAV). The NAV is updated daily.

### **Note 5. Related Party and Party-in-Interest Transactions**

Certain Plan investments are guaranteed interest accounts or units of pooled separate accounts and common/collective trust funds managed by Principal Global Investors Trust Company and Principal Life Insurance Company. Principal Global Investors Trust Company and Principal Life Insurance Company are the custodian and insurance company, respectively, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Principal Global Investors Trust Company and Principal Life Insurance Company provide certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Employer and Principal Global Investors Trust Company and Principal Life Insurance Company. Fees are asset-based and are netted monthly from the rate of investment return for all investment options, lowering the investment return. Fees paid by the Plan for the administrative services amounted to \$29,068 and \$23,055 for the years ended December 31, 2023 and 2022, respectively.

### **Note 6. Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants are entitled to 100% of the value of their accounts.

### **Note 7. Tax Status**

The Plan is a prototype plan offered by Retirement Management Services, LLC. The prototype plan obtained its latest opinion letter on March 22, 2021, in which the Internal Revenue Service stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **NOTES TO FINANCIAL STATEMENTS**

### **Note 8. Risk and Uncertainties**

The Plan has significant investments in pooled separate accounts and common/collective trust accounts held by Principal Global Investors Trust Company and Principal Life Insurance Company. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
