INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
HPG, LLC 401(K) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of HPG, LLC 401(K) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Plan Benefits as of December 31, 2023 and 2022, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HPG, LLC 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

1. Description of Plan

The following description of HPG, LLC 401(K) Retirement Plan (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement, as amended, for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) salary deferral and profit sharing plan covering substantially all employees of HPG, LLC, and is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). HPG, LLC (the Plan Sponsor, Employer or Company) serves as the Plan Administrator. The Plan's custodian is Empower Annuity Insurance Company of America (Empower) and acts at the direction of the Plan Sponsor.

Eligibility

Employees of the Plan Sponsor who are regularly scheduled to work at least 1,000 hours per year become participants on the first of the month following or coincident with three months of service, as defined in the Plan Agreement. Seasonal, temporary or part-time employees who do not work at least 1,000 hours per year or are interns are not eligible for participation in the Plan.

Contributions

Participants may elect to contribute between 1% and 100% of their annual pretax compensation, as defined in the Plan. The Plan also provides for Roth contributions utilizing after-tax contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Plan Sponsor may elect to make discretionary matching and discretionary profit sharing contributions to the Plan. Discretionary profit sharing contributions are allocated to participants in the same proportion as a participant's compensation bears to the total of all participant's compensation. There were no discretionary profit sharing or discretionary matching contributions for the years ended December 31, 2023 and 2022.

The Plan Sponsor also makes safe harbor contributions equal to 3% of the participant's eligible compensation, regardless of the employee's hours of service or employment on the last day of the Plan year. The safe harbor contribution for the year ended December 31, 2023 was \$277,154.

All contributions are subject to regulatory limitations.

HPG, LLC 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Participant Accounts

Each participant's account is credited with the participant's contribution, the Plan Sponsor's safe harbor and discretionary contributions, and their allocation of Plan earnings/losses and any expenses incurred. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant compensation, individual participant account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their account into various investment options offered by the Plan.

Vesting

Participants are immediately vested in their contributions and safe harbor contributions, plus the allocation of Plan earnings on those contributions. Participants become vested in the Plan Sponsor's discretionary contributions based on the following:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 within the last twelve-month period or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. Terms range from one to five years or a longer repayment term for the purchase of a principal residence. The notes bear interest at a rate of prime plus 1%. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

The Plan allows for in-service distributions of the participant's vested accounts upon reaching the age of 59 1/2 or due to hardship, as defined by the Plan. All hardship withdrawals are subject to the approval of the Plan Sponsor and must meet the hardship requirements as defined by the Internal Revenue Service (IRS).

On termination of service, if a participant's vested balance is less than \$5,000, they will receive a lump sum payment equal to the vested portion of their account. If a participant's vested balance is greater than \$5,000, they may elect to leave their funds invested in the Plan or receive the value of the vested portion of their account in a lump-sum payment.

HPG, LLC 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Forfeitures

A participant forfeits the unvested portion of his or her account upon termination of participation in the Plan. In the event of death of an active participant, all amounts credited to a participant's account are fully vested. Forfeited non-vested accounts may be used to pay Plan expenses or reduce any Plan Sponsor contributions. At December 31, 2023 and 2022, forfeited non-vested account balances totaled \$5,026 and \$4,965, respectively. For the year ended December 31, 2023, the Plan did not use forfeitures to pay any Plan expenses or to reduce any Plan Sponsor contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Valuation of Investments and Income Recognition

Investments are reported at fair value, except for the group annuity contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 3). The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodian and insurance company.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes both the Plan's gains and losses on investments bought and sold as well as held during the year.

Fully Benefit-responsive Investment Contract

Authoritative guidance defines the circumstances in which an investment contract is considered fully benefit-responsive and provides certain reporting and disclosure requirements for fully benefit-responsive investment contracts held by defined contribution, health and welfare and pension plans.

The Plan has an investment in the Empower Investments Fixed Account, a group annuity contract issued by Empower, which meets this requirement. The Plan's investment in this fixed account, which represents contributions and reinvested interest income, less withdrawals and expenses, plus or minus net participant-directed transfer activity with the Plan's other investment funds, is recorded at contract value.

Participant Notes Receivable

Participant notes receivable are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest. Delinquent participant notes receivable are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan agreement. No notes receivable from participants or allowance for credit losses has been recorded as of December 31, 2023 and 2022.

HPG, LLC 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Contributions

Employee and Plan Sponsor safe harbor contributions are recorded bi-weekly when the Plan Sponsor remits the payroll deductions for investment into the Plan. Plan Sponsor discretionary matching and discretionary profit sharing contributions are remitted and recorded annually, if applicable.

Payment of Benefits

Benefits are recognized when paid to participants or their designated beneficiaries.

Administrative Revenue (Expenses)

Expenses incurred in the administration of the Plan are paid by the Company unless the Company directs that such expenses shall be paid by the Plan. Expenses that are paid by the Company are excluded from these financial statements. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses. Investment management fees for certain investments are included as a reduction of investment return (net appreciation or depreciation) and not reflected separately in the Statement of Changes in Net Assets Available for Plan Benefits. Administrative revenues arise when investment managers return a portion of the investment fees to the record keeper to offset the administrative expenses. Any excess resulting from this revenue credit remains in an unallocated account from which future Plan expenses can be paid or allocated to participant accounts. There were no unallocated administrative revenues held by the Plan at December 31, 2023 and 2022.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

The Plan invested in two mutual funds that accounted for approximately 23% of total Plan investments as of December 31, 2023 and 2022.

HPG, LLC 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Financial Instruments with a Concentration of Credit Risk

The Plan's investments are held by a single custodian. The Plan's exposure to credit risk is associated with the outside entity's non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

Subsequent Events

Management has evaluated subsequent events through October 2, 2024, which is the date these financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

HPG, LLC 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

As of December 31, 2023 and 2022, the Plan's investments in mutual funds are reported at level 1 within the fair value hierarchy.

4. Fully Benefit-responsive Investment Contract

The Plan's investment in the Empower Investments Fixed Account is a fully benefit-responsive investment contract. The account is credited with participant contributions, plus earnings, and charged for participant withdrawals and administrative expenses. Contributions to this account are deposited into Empower's general account, which primarily invests in bonds, commercial mortgages, and private equity. The insurance company is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The minimum crediting rate under the contract is 0.00% and is reviewed on a quarterly basis for resetting. The crediting interest rate was 1.23% and 0.93% as of December 31, 2023 and 2022, respectively.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Certain events limit the Plan's ability to transact with Empower. Such events include the following: amendments to the Plan documents, changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Company or other Company events that cause a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Sponsor believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with Plan participants is not probable.

5. Plan Termination

The Company expects to continue the Plan indefinitely. However, the Company reserves the right to amend the Plan or contributions thereto, at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants. Any Plan termination would be subject to the provisions of ERISA. In the event of Plan termination, the participants would become fully vested and entitled to receive all amounts credited to their accounts.

6. Income Tax Status

The Plan is an adoption of a non-standardized prototype plan that received an opinion letter dated June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

HPG, LLC 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Summer of Financial Data Certified by the Custodian

The following is a summary of financial information and data certified by the custodian, Empower:

Statements of Net Assets Available for Plan Benefits at December 31, 2023 and 2022;

Investment income and interest income from participant notes receivable on the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2023; and

Investment information provided in the supplemental schedule, Schedule of Assets (Held at End of Year) at December 31, 2023.

8. Differences from Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items in the financial statements. Total Plan assets are in agreement.

9. Party-in-interest Transactions

Plan investments were held and managed by Empower, the custodian of the Plan. Therefore, these transactions qualify as party-in-interest transactions. For the year ended December 31, 2023, the Plan made direct payments of approximately \$16,200 to Empower for administrative fees. In addition, participant notes receivable also qualify as party-in-interest transactions.
