Plan Committee
Traffic Management, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Traffic Management, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Contributions as of December 31, 2023 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and contents of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution, agrees to, or are derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

TRAFFIC MANAGEMENT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Traffic Management, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined-contribution plan established under the provisions of Section 401(k) of the Internal Revenue Code (IRC). The Plan was established on July 1, 2006 by Traffic Management Inc. and includes the employees of Utility Traffic Services, LLC (collectively, the “Sponsor”). Effective May 1, 2023, the Plan was amended to include Traffic Management Inc.’s Detroit Branch as an eligible class of employees that can participate in the plan. The Plan’s trustee is Fidelity Management Trust Company and its third-party administrator and recordkeeper is Fidelity Investments Institutional. Fidelity Management Trust Company is responsible for the management and custody of the Plan’s assets. Fidelity Investments Institutional, custodian and recordkeeper, is responsible for the custody and management of the Plan’s assets. BGW Wealth Advisors, Inc. is used by the plan as an investment advisor.

Eligibility

Employees that are at least eighteen (18) years of age or older are eligible to enroll in the Plan on the first day of the month after the completion of three (3) months of service. Additionally, all employees of the Sponsor are eligible to participate in the Plan, except employees included in a bargaining unit covered by a collective bargaining agreement with the Sponsor in the negotiation of which retirement benefits were subject of good faith bargaining (unless the bargaining agreement provides for participation in the Plan).

Participant Contributions

Unless an eligible employee elects otherwise, the employee’s compensation will be reduced by 3% (automatic enrollment rate) for employee contribution to the Plan on the first day of the next calendar month after three (3) months of employment. Upon the anniversary of the participant’s entry date the percentage will be increased by 1% of compensation up to a maximum of 6% of compensation, unless elected otherwise. Each year, participants may elect to contribute, on a tax-deferred or Roth basis, up to 100% of their eligible compensation, in an amount not in excess of the maximum allowed by the IRC. Participants who have attained the age of fifty (50) before the end of the Plan year are eligible to make catch-up contributions. Rollover contributions representing qualified Plan distributions and individual retirement accounts are permitted.

TRAFFIC MANAGEMENT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Sponsor Matching and Discretionary Contributions

The sponsor will make a matching calculation to be equal to 50% of a participant's elected deferral rate up to the first 6% of active participant's eligible compensation (up to \$330,000 of a participant's salary). Contributions are subject to certain Internal Revenue Service ("IRS") limitations. The Sponsor may also decide to make a discretionary profit-sharing contribution allocated to each participant based on the percentage of their total compensation to the total compensation of all participants. No discretionary profit-sharing contributions were made for the year ended December 31, 2023. All Sponsor contributions are invested in the same manner in which a participant directs his or her investments.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participants' contributions, rollovers from qualified plans of the participants' previous employers, rollovers from individual retirement accounts, allocation of the Sponsor's contributions, and allocations of Plan earnings, and charged with any withdrawals, or distributions requested by the participant and allocation of investment losses and administrative expenses. Each participant's account is credited with the participant's contribution and the Sponsor's matching contribution. Allocations of earnings, losses and expenses are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

The investments of the Plan are self-directed by the participants into various investment options offered by the Plan. Investment elections may be changed online or through telephone access on a daily basis.

Vesting

Plan participants are 100% vested in the balance of their contributions and related investment earnings at all times. Participants are fully vested in the event of death, disability, or attaining normal retirement age (age 65). The Sponsor's matching contributions, discretionary profit-sharing contributions, and investment gains or losses on these Sponsor contributions thereon vest as follows:

<u>Years of Service</u>	<u>Cumulative Vesting Percentage</u>
Less than 2 years	0%
2	25%
3	50%
4	75%
5 or more	100%

TRAFFIC MANAGEMENT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Benefit Payments

The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, disability, death, financial hardship, or termination of employment. In-service distributions are also available to those participants who are age 59½ or older. Participants who qualify for retirement benefits and withdrawals will receive their benefits as a lump sum in cash. The benefit to which a participant is entitled is the benefit that can be provided solely from the participant's vested account balance. If the total vested account balance under the Plan is between \$1,000 and \$5,000, the vested balance will be automatically rolled over to an individual retirement account selected by the Plan Administrator. For balances of \$1,000 or less, the entire vested account balance will be automatically distributed in a lump-sum payment.

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with IRS regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

Notes from Participants

Participants may borrow from their vested fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent (50%) of their account balance, whichever is less. Note terms range from one (1) to five (5) years, except for notes related to the purchase of a primary residence. A participant can only have one (1) outstanding note at any time. The notes are collateralized by the balance in the participant's account and bear interest at the federal prime rate in effect on the date the note is made, plus 1%. Current note interest rates range from 5.25% to 9.50% maturing through January 2029, as of December 31, 2023 and 2022. Principal and interest are paid ratably through biweekly payroll deductions. Defaulted participant notes are reclassified as distributions based upon the terms of the Plan document.

Forfeitures

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$626,375 and \$466,235, respectively. These accounts will be used to reduce future Sponsor contributions or administrative expenses. During the year ended December 31, 2023, \$1,247 was used to reduce administrative expenses.

Administrative Expenses

Administrative expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

TRAFFIC MANAGEMENT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of the Plan's financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect reported amounts of net assets available for plan benefits and changes therein and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Cash Equivalents

The Plan considers all highly liquid investments purchased with original maturities of three months or less to be cash equivalents.

Investment Valuation and Income Recognition

The Plan's investments in the registered investment companies, cash equivalents and the common collective trust are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes from Participants

Notes from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Delinquent notes from participants are reclassified as distributions based upon the terms of the Plan document. For the year ended December 31, 2023, deemed distribution totaled \$36,633. As of December 31, 2023 and 2022, there were no delinquent participant notes. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Payment of Benefits

Benefits payments are recorded when paid.

TRAFFIC MANAGEMENT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN’S TRUSTEE

The Plan’s management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified the completeness and accuracy of all investments and notes from participants reflected on the accompanying statement of net assets available for plan benefits as of December 31, 2023 and 2022, the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, and the related investment activity and interest income on notes from participants reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2023.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB ASC Topic No. 820, “Fair Value Measurements” (“ASC 820”), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets,
- Quoted prices for identical or similar assets or liabilities in inactive markets,
- Inputs other than quoted prices that are observable for the asset or liability,
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

TRAFFIC MANAGEMENT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Cash equivalents: Valued at the carrying value, which approximates fair value due to the short-term nature of such investments.

Registered investment companies: Registered investment companies held by the Plan are open-ended registered investment companies that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Collective investment trust: Units held in collective investment trust (CIT) are valued using the net asset value practical expedient (NAV practical expedient) of the CIT as reported by the CIT managers. The NAV practical expedient is based on fair value of the underlying assets owned by the CIT, minus its liabilities, and then divided by the number of units outstanding. The NAV of a CIT is calculated based on a compilation of primarily observable market information. The following table provides additional information for investments in the CIT that calculates net assets value per share (or its equivalent).

	<u>2023</u>	<u>2022</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>	<u>Redemption Restrictions</u>
Collective investment trust	\$ 29,707	\$ 30,751	Daily	Daily	a)

- a) Participants in a plan or trust invested in this Fund are prohibited from directing investments into a competing fund without first investing in a non-competing fund for at least ninety (90) days. Reliance Trust New York Life Anchor Account pays qualified participant withdrawals at book value, as well as plan terminations (subject to potential imposition of a 12-month "put" in Reliance Trust's discretion).

TRAFFIC MANAGEMENT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Cash equivalents	\$ 658,470	\$ -	\$ -	\$ 658,470

Collective investment trust measured at NAV ^(a)				<u>30,751</u>
Total				<u>\$12,465,084</u>

^(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for plan benefits.

NOTE 5 – FEDERAL INCOME TAX STATUS

Effective September 15, 2022, the Plan adopted a non-standardized pre-approved profit sharing plan sponsored by FMR LLC. The profit sharing plan provider has received an opinion letter from the IRS as to the profit sharing plan's qualified status. The profit sharing plan opinion letter has been relied upon by the Plan. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and trustee believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

TRAFFIC MANAGEMENT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5 – FEDERAL INCOME TAX STATUS (Continued)

U.S. GAAP requires the Plan's management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Investments Institutional, a related party to Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan, and therefore these transactions are considered party-in-interest transactions permitted by the United States Department of Labor's Rules and Regulations. The recordkeeper and trustee are considered parties-in-interest. Fees paid by the Plan to Fidelity Investments Institutional amounted to \$61,984 for the year end December 31, 2023. Notes receivable from participants and the related interest income of \$14,585 are also considered related-party transactions.

NOTE 8 – PLAN TERMINATION

Although it has not expressed such intent, the Sponsor, by action of its Board of Directors, reserves the right, at any time, to amend or terminate the Plan. Upon termination of the Plan, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for plan benefits would be distributed to the participants based on each participant's interest in the Plan.

TRAFFIC MANAGEMENT, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 9 – PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the Sponsor is required to segregate participant contributions from its general assets and remit them to the Plan as soon as administratively feasible.

During the Plan year ended December 31, 2023, the Sponsor failed to remit certain participant contributions and loan repayments totaling \$324,074 within the required timeframe as stated by the DOL. The Sponsor will calculate and deposit the lost earnings on the \$324,074 of late participant deferrals and loan repayments outside of the DOL's Voluntary Fiduciary Correction Program in 2024.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the affected components of the changes in net assets available for plan benefits per the financial statements for the year ended December 31, 2023 to the Form 5500:

Total Participant contributions per the financial statements	\$ 2,307,771
Add: Corrective distributions for the year end December 31, 2023	<u>51,530</u>
Total Participant contributions per the Form 5500	<u>\$ 2,359,301</u>

NOTE 11 – SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 11, 2024, the date the financial statements were available to be issued, and concluded that, other than the matters described above, no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
