Independent Auditor's Report

To the Trustee
BLDG Management Co., Inc. 401(k) Plan

Opinion

We have audited the financial statements of BLDG Management Co., Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a

material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) (Schedule H, Line 4i) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BLDG Management Co., Inc. 401(k) Plan

Notes to Financial Statements December 31, 2023

Note 1 - Description of Plan

The following description of the BLDG Management Co., Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide retirement benefits to eligible employees, as defined, of BLDG Management Co., Inc. (the "Company" or the "Plan Administrator"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Eligibility

An employee, who is not covered by a collective bargaining agreement or not a nonresident alien, is eligible to participate in the Plan after completing one year of service or 1,000 hours in a given 12-month eligibility period and attaining the age of 21. Participation in the Plan is on a quarterly basis subsequent to the date all the requirements are met.

Contributions

For the year ended December 31, 2023, participants can elect to contribute up to \$22,500 of their pre-tax annual compensation, as defined in the Plan, subject to certain limitations of the Internal Revenue Service (the "IRS"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$7,500. Participants may also contribute amounts representing distributions from other qualified plans. The Company may make matching contributions equal to a discretionary percentage of the participant's elective deferral. The Company, at its discretion, may also contribute a profit-sharing contribution.

Participant accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contributions, and allocations of the profit-sharing contributions, if any, and Plan earnings and losses, and charged with withdrawals. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. A participant's enrollment in the Plan or change in elections may occur January 1, April 1, July 1 or October 1 of each Plan year.

Participants may direct their contributions into various investment options offered by the Plan. Company contributions are automatically invested in the funds as the employee directs. The Plan currently offers mutual funds and a stable value fund as investment options for participants.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. Participants must be employed on the last day of the Plan year to receive credit for a year of service. A participant is 100% vested in the Company's matching contributions and profit-sharing contributions after six years of credited service. Notwithstanding the foregoing, a participant becomes fully vested in the Company's contributions upon the earlier of: (i) retirement at age 65; (ii) total and permanent disability; (iii) age 65 while employed; and (iv) termination of employment by way of death.

BLDG Management Co., Inc. 401(k) Plan

Notes to Financial Statements December 31, 2023

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of the vested value of their account, whichever is less. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1.5% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions over a one to five-year period, unless the loan is used to purchase a primary residence. Participants may not have more than three loans outstanding at any one time.

Payment of benefits

On termination of service due to death, disability, retirement or termination of employment in accordance with the Plan's provisions, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installment payments, not to exceed the participant's life expectancy or the joint life expectancy of the participant and his or her beneficiary. In addition, participants are allowed to receive hardship distributions.

Forfeited accounts

Forfeited contributions are used to reduce the Company's contributions, subject to the Plan's provisions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$11,244 and \$9,054, respectively. During the year ended December 31, 2023, \$4,102 of forfeitures was used to reduce Company contributions and \$21,525 was used to pay administrative expenses.

Note 2 - Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation, which is all attributable to mutual funds, includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of benefits

Benefits are recorded when paid.

BLDG Management Co., Inc. 401(k) Plan

Notes to Financial Statements December 31, 2023

Administrative expenses

Certain administrative expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements while other expenses are charged to participants' accounts. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through October 9, 2024, which is the date the financial statements were available to be issued.

Note 3 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

BLDG Management Co., Inc. 401(k) Plan

Notes to Financial Statements December 31, 2023

Common/collective trust funds: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 22,428,442	\$ -	\$ -	\$ 22,428,442
Total assets in the fair value hierarchy	22,428,442	-	-	22,428,442
Investments measured at NAV (a)	-	-	-	2,095,075
Total assets at fair value	<u>\$ 22,428,442</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,523,517</u>
	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 17,822,897	\$ -	\$ -	\$ 17,822,897
Total assets in the fair value hierarchy	17,822,897	-	-	17,822,897
Investments measured at NAV (a)	-	-	-	2,908,797
Total assets at fair value	<u>\$ 17,822,897</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 20,731,694</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair value of investments in entities that use NAV

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan:

December 31, 2023	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Common/collective trusts	\$ 2,095,075	N/A	Daily	Daily

Common/collective trusts	\$ 2,908,797	N/A	Daily	Daily

Note 4 - Related party transactions and party-in-interest transactions

Certain Plan investments are shares of mutual funds managed by American Funds. American Funds operates under the Capital Group Companies, which is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

American Funds provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement ("MSA") between the Company and American Funds. American Funds receives revenue from mutual fund service providers for services American Funds provides to the funds. This revenue is used to offset certain amounts owed to American Funds for its administrative services to the Plan.

If the revenue received by American Funds from such mutual fund service providers exceeds the amount owed under the MSA, American Funds remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants or are otherwise recorded as revenue sharing income on the statement of changes in net assets available for benefits. During 2023, \$21,525 in administrative expenses was covered by revenue sharing.

Note 5 - Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 6 - Tax status

The prototype plan sponsor has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the prototype plan document was in compliance with applicable requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

BLDG Management Co., Inc. 401(k) Plan

**Notes to Financial Statements
December 31, 2023**

Note 7 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
