INDEPENDENT AUDITOR'S REPORT

Internal Committee of 403(b) Thrift Plan of Aloha House, Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan of Aloha House, Inc. (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report.

Basis for Opinion (Continued)

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(B) THRIFT PLAN OF ALOHA HOUSE, INC.

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN

The 403(b) Thrift Plan of Aloha House, Inc. (Plan) was established in November 2004 by Aloha House, Inc., and covers all employees of Aloha House, Inc., Maui Youth and Family Services, Inc., and Malama Na Makua A Keiki, Inc. (collectively, the Organization) to enable the employees of the Organization to save for retirement. The following is a description of the Plan that provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

General

The Plan is an Internal Revenue Code (Code) Section 403(b) defined contribution plan. The plan sponsor is responsible for the general administration of the Plan. Participants are eligible to participate in the Plan on the first day of the next pay period after completing all necessary documents and the application. There is no minimum age requirement for an employee to become a plan participant. Participants, who normally work more than 20 hours per week, are eligible for the employer matching contribution on the first day of the next pay period upon completing a year of service at the end of the first twelve months of employment and completing at least 1,000 hours of service within that twelve-month period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Participants may make employee salary deferral contributions to the Plan up to the lesser of 100% of their eligible compensation or \$22,500 in 2023 and \$20,500 in 2022, adjusted annually for the cost of living. Participants who have attained the age of 50 may make additional annual contributions of \$7,500 and \$6,500 in 2023 and 2022, respectively. In addition, participants with 15 years of service may make special catch-up contributions, as provided in the plan agreement. Employees may also make rollover contributions and transfers from other qualified plans. The Organization will match salary deferral contributions dollar for dollar, up to 4% of an employee's compensation. Age 50 catch-up contributions are not eligible for the matching contribution. Total contributions to each participant's account may not exceed the lesser of \$66,000 (\$73,500 with the catch-up contributions) and \$61,000 (\$67,500 with the catch-up contributions) in 2023 and 2022, respectively, or 100% of annual compensation, as defined.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Organization's matching contribution; plus an allocation, based on participant earnings or account balances, of the Plan's net earnings (losses); less an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

403(B) THRIFT PLAN OF ALOHA HOUSE, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN (Continued)

Vesting

Vesting in the Organization's matching contribution is based on years of continuous service. Participants are 25% vested after completion of one year of credited service and 50% after completion of two years of credited service. A participant is fully vested after three years of credited service. A year of credited service is a twelve-month period in which the participant is credited with at least 1,000 hours of service. Participant voluntary contributions and earnings are always 100% vested.

Notes Receivable from Participants

Loans are not permitted under this Plan.

Payment of Benefits

The vested amount in each participant's account is payable upon normal retirement, disability, death, or termination of employment. Participants may receive the entire value of their accounts in a single lump sum payment, a direct rollover to an eligible retirement plan, or in annual installments based on annuity options provided for in the Plan. Mandatory lump sum distributions will be paid to participants whose vested balance is less than \$1,000 at the time of separation.

Withdrawals

Active participants may withdraw all or a portion of their vested account balances as in-service distributions after attaining age 59-1/2 or as hardship withdrawals, by submitting a written application that is approved by the plan administrator. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Services (IRS).

Forfeitures

Termination of employment for reasons other than retirement, disability, or death results in forfeiture of the nonvested portion of the participant's account balance. Forfeitures may be used to pay for plan administrative expenses or to reduce employer matching contributions. During the years ended December 31, 2023 and 2022, total amounts forfeited were \$2,404 and \$5,212, respectively, and forfeitures used to reduce employer contributions and fees were \$50 and \$5,212, respectively. At December 31, 2023 and 2022, there were \$9,762 and \$7,278, respectively, in forfeitures available to be applied or used in subsequent years.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2023 and 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates, it is reasonably possible that such estimates may change in the near term, and such differences could be material to the financial statements.

Investment Valuation and Income Recognition

Investments are reported at fair value, except guaranteed insurance contracts are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Future changes in market prices may make such investments less valuable. The Plan's Internal Committee determines the Plan's valuation policies utilizing information provided by the investment advisers. See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. The fair value of the investments and the related net appreciation (depreciation) in the fair value of investments are determined by American United Life Insurance Company (American United) and Mutual of America Life Insurance Company (Mutual of America). See Note E for discussion of fair value measurements.

Contributions Receivable

Contributions receivable are recognized for amounts due from the employer and participants remitted to American United after the Plan's year-end. Contributions from plan participants and matching contributions from the Employer are recorded in the year in which participant compensation is earned.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Expenses are recognized when the related liability is incurred. Certain expenses to maintain the Plan are paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of investments.

403(B) THRIFT PLAN OF ALOHA HOUSE, INC.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2023 and 2022

NOTE C – CERTIFICATIONS FROM QUALIFIED INSTITUTIONS

Certain information related to investments are disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments and interest for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by American United and Mutual of America, the qualified institutions of the Plan.

NOTE D – GUARANTEED INSURANCE CONTRACT

The Mutual of America Interest Accumulation Account and AUL Stable Value Account, (collectively, guaranteed insurance contracts) are investment products offered by Mutual of America and American United and are considered to be fully-benefit responsive and are backed by the general accounts of Mutual of America and American United, respectively. Participants are allowed retirement, hardship, and periodic elective and systematic withdrawals under the contracts. Contributions received earn interest at the credited rate. The credited rate is declared by Mutual of America and American United from time to time, and Mutual of America and American United reserve the right to change the credited rates at their discretion.

The guaranteed insurance contracts are included in the financial statements at contract value. Contract value represents contributions made under the contracts, plus earnings (losses), less participant withdrawals and administrative fees.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for the credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1.00% for the funds held by Mutual of America and American United. Such interest rates are reviewed annually by Mutual of America and quarterly by American United for resetting.

Certain events limit the ability of the Plan to transact at contract value with the contract issuers. Such events include amendments to the plan documents including complete or partial plan termination or merger with another plan, bankruptcy of the plan sponsor, the failure of the trust to qualify for exemption from federal income taxes, or any required prohibited transaction exemption under ERISA. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuers to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation, and a material amendment to the agreement without the consent of the issuer.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2023 and 2022

NOTE E – FAIR VALUE MEASUREMENTS

U.S. GAAP provides a hierarchy that prioritizes the inputs to the valuation methodologies used to measure fair value. There are three levels of the fair value hierarchy. Level 1 inputs consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. Level 3 inputs are unobservable and significant to the fair value measurement. The fair value measurement level of an asset or liability within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation methodologies used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan values investments in registered investment companies at market prices, a Level 1 input. At December 31, 2023 and 2022, the Plan's investments at fair value were \$4,096,019 and \$4,043,850, respectively. There were no investments valued using Level 2 or 3 inputs. The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

NOTE F – TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Code. The terms of the Plan have been prepared to conform to the sample language provided by the IRS. In Revenue Procedure 2007-71, the Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status and believes the Plan is designed and is being operated in compliance with the applicable provision of the Code.

Management is required to evaluate uncertain tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The plan administrator evaluated the Plan's tax positions as of December 31, 2023 and 2022 and for the years then ended, and determined that the Plan had no uncertain tax positions required to be reported. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any open tax periods.

NOTE G – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds and guaranteed insurance contracts administered by and in custody of American United and Mutual of America; therefore, these transactions qualify as party in interest transactions. The Organization pays directly certain fees related to the Plan's operations. Certain administrative functions are performed by officers or employees of the Organization who receive no compensation from the Plan.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2023 and 2022

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, including investments in shares of mutual funds and guaranteed insurance contracts. In general, investments securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

The Plan and Organization operate in the State of Hawaii. Local, national, and international events can have severe, adverse effects on economic conditions in Hawaii. These financial statements do not include the adjustments that would result if the Plan were to account for future losses or asset impairments, as the effects on the financial statements of the Plan from such changes in economic conditions are not presently determinable.

NOTE I – TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants become 100% vested in their accounts.
