Independent Auditor's Report

To the Trustees and Participants of
Manhattan Insurance Group, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Manhattan Insurance Group, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at year end as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MANHATTAN INSURANCE GROUP, INC. 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

1. Description of the Plan

The following description of Manhattan Insurance Group, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Effective October 1, 1992, Manhattan Life Insurance Company along with affiliated participating companies (collectively the “Company” or “Plan Administrator”), adopted the Plan to provide retirement benefits for all eligible employees. The Plan is a defined contribution plan covering individuals who are employed by the Company, except for union employees, residents of Puerto Rico and nonresident aliens. There is no age requirement, and employees are eligible to enter the Plan on the first day of the month following the completion of three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

The Company is the sponsor of the Plan. The Plan’s assets are held by Fidelity Management Trust Company (the “Trustee”), the Trustee of the Plan, and are invested through participant-directed accounts in various mutual funds or other investments offered by the Trustee. Duties of the Trustee include, among others, recordkeeping, receiving and investing cash contributions and investment income, and making payments from the Plan funds as directed by the participants and the Plan Administrator.

Administrative functions are performed by officers or employees of the Company. Certain administrative services and costs are incurred by the Company without cost to the Plan. No officer or employee receives compensation from the Plan.

Coronavirus Aid, Relief, and Economic Security Act (CARES Act)

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) was passed by Congress. The CARES Act contained several provisions that temporarily impact 401(k) plans, including the waiver of required minimum distributions, a new hardship withdrawal option, increased loan limits, and a pause option for loan payments. The provisions of the CARES Act were effective and operationalized immediately, prior to amending the plan document. The Company has adopted certain relief provisions included in the CARES Act, and an official amendment is expected to be signed on or before December 31, 2025.

Contributions

Participants may make contributions to the Plan under a 401(k) salary deferral arrangement up to the maximum percentage (90%) of annual compensation, as defined by the Plan, and the dollar amount permitted under 402(g) of the Internal Revenue Code (“IRC”) not to exceed \$22,500 in 2023. Additionally, participants who are at least 50 years of age as of December 31, 2023, are permitted to make catch-up contributions up to \$7,500 for 2023. Participants are also allowed to contribute amounts representing distributions from other qualified plans.

MANHATTAN INSURANCE GROUP, INC. 401(k) PLAN

Notes to Financial Statements (Continued)

December 31, 2023 and 2022

1. Description of the Plan (Continued)

Contributions (Continued)

During 2023, the Company made safe harbor matching contributions equal to 100% of the employee's elective salary deferral up to a maximum of 4% of compensation, which amounted to \$1,807,579. Additionally, the Company may make discretionary profit sharing contributions and/or non-elective contributions unrelated to employee contributions to the Plan. During 2023, the Company made no profit sharing or non-elective contributions.

Participant Accounts

Each participant's account is valued on a daily basis and credited with the participant's contribution, his or her portion of the Company's matching, profit sharing and non-elective contributions and account earnings and is charged with applicable withdrawals and an allocation of certain administrative expenses as determined by the different investment options he or she directs the Trustee to make on his or her behalf. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and Company safe harbor contributions plus earnings thereon. Vesting in the Company's discretionary matching, profit sharing or non-elective contribution portions of their accounts plus actual earnings thereon is based on continuous service. Participants are vested in the Company discretionary matching, profit sharing and non-elective contributions based on the following table:

Years of Service	Vesting Percentage
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 or more	100%

Investment Options

Upon enrollment in the Plan, a participant may direct the allocation of their contributions and Company contributions among various investment funds offered by the Trustee. Each participant can choose to deposit all contributions in one fund or split the investment among the investment options in any whole percentages. The funds are invested in a broad range of stocks and bonds with varying risks. The allocation of investment income for each of the investment options is based on the ratio that each participant's account balance bears to the total account balance of all eligible participants.

MANHATTAN INSURANCE GROUP, INC. 401(k) PLAN

Notes to Financial Statements (Continued)

December 31, 2023 and 2022

1. Description of the Plan (Continued)

Notes Receivable from Participants

Under provisions of the Plan, participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% from the vested portion of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loan fund. Generally, loan terms may not exceed five years unless the loan is for the purchase of a primary residence, in which case the Plan Administrator may permit a longer repayment term not to exceed ten years. The loans are secured by the balance in the participants' accounts and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Interest rates on participant loans outstanding as of December 31, 2023 ranged from 4.25% to 9.50%. Principal and interest are repaid through periodic payroll deductions. The unpaid balance of any loan is immediately payable upon termination of employment and maybe offset against the participant's vested account.

Payment of Benefits

On termination of service, a participant who has a vested interest in their account which is less than or equal to \$1,000 shall receive a lump sum equal to the vested interest of their account. If a participant's account balance is between \$1,000 and \$5,000 on the date of termination, and the participant does not request a distribution, the Plan Administrator will rollover the account balance into an individual retirement account. Participants who have a vested interest in their account which exceeds \$5,000 may elect to leave their account balance in the Plan or receive a single sum payment equal to the vested interest of their account.

Under the terms of the Plan, participants who attain retirement age or become totally disabled prior to their retirement date will receive all amounts credited to their accounts. Upon the death of the participant while actively employed, the distribution is made in accordance with the participant's previous direction. All participants will receive their account balance in either a lump sum or in installments equal to the vested value of their account.

Withdrawals

Participant may make early withdrawals of \$500 up to the full balance of their elective deferral contributions in their account under the hardship provisions of the Plan. A participant may make unrestricted withdrawals of their vested accounts on or after age 59 ½.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

MANHATTAN INSURANCE GROUP, INC. 401(k) PLAN

Notes to Financial Statements (Continued) December 31, 2023 and 2022

2. Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates which estimates may require revision in future periods.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is defined as the price that would be received upon sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment gain includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are reported as participant loans receivable at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments. Administrative expenses paid for the year ended December 31, 2023 were \$16,630.

Forfeitures

Forfeitures consist of the non-vested portion of terminated participant account balances and may be used by the Plan to pay for Plan expenses or reduce any employer contributions. As of December 31, 2023 and 2022, forfeiture account balances totaled \$8,126 and \$5,518, respectively. During 2023, no forfeitures were used to pay Plan expenses or reduce employer contributions.

MANHATTAN INSURANCE GROUP, INC. 401(k) PLAN

Notes to Financial Statements (Continued) December 31, 2023 and 2022

3. Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Investment information included in Note 4.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2023, as shown on the ERISA-required supplemental schedule.

4. Fair Value Measurements

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

The Plan maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the following fair value measurement.

- *Level 1*: the fair value is based on quoted market value of the shares held by the plan at year end.
- *Level 2*: inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- *Level 3*: inputs to the valuation methodology are unobservable and significant to the fair value measurement.

MANHATTAN INSURANCE GROUP, INC. 401(k) PLAN

Notes to Financial Statements (Continued)

December 31, 2023 and 2022

4. Fair Value Measurements (Continued)

The following is a description of the valuation methodologies used for financial instruments measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- *Mutual funds*: valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Interest-bearing cash*: valued at the net asset value of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Level 1	Level 2	Level 3	Total
2023				
Interest-bearing cash	\$ 1,933,672	\$ -	\$ -	\$ 1,933,672
Mutual funds	40,793,089	-	-	40,793,089
Total investments	<u>\$ 42,726,761</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 42,726,761</u>
2022				
Interest-bearing cash	\$ 2,045,216	\$ -	\$ -	\$ 2,045,216
Mutual funds	32,315,880	-	-	32,315,880
Total investments	<u>\$ 34,361,096</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 34,361,096</u>

5. Tax Status

The Plan uses a prototype plan document sponsored by FMR, LLC. FMR, LLC received an opinion letter from the IRS, dated June 30, 2020, which states that prototype document, as then designed, satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the Internal revenue Service ("IRS"). Although the Plan has been amended since the date of the opinion letter, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan had taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

MANHATTAN INSURANCE GROUP, INC. 401(k) PLAN

Notes to Financial Statements (Continued)

December 31, 2023 and 2022

6. Related Party Transactions

Participant loan and distribution processing fees, and participant administration fees are paid to the Trustee by participants. The Plan paid for third party administrator fees which qualify as party-in-interest transactions. The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules under ERISA.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts, and Plan assets would be distributed based upon the participants' account balances at that time.

8. Risks and Uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuations, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefit and the statement of changes in net assets available for benefits.

9. Subsequent Events

Management has evaluated subsequent events through October 14, 2024, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
