Independent Auditor's Report

To the Participants and Plan Administrator of
Midway University Retirement Plan
Midway, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Midway University Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

MIDWAY UNIVERSITY RETIREMENT PLAN

Notes to the Financial Statements

1. Description of Plan

The following brief description of the Midway University Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for more complete information.

The Plan is a defined contribution retirement plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by Midway University, Inc. (the University). The trustees of the Plan are Teachers Insurance and Annuity Association - College Retirement Equities Fund (TIAA-CREF) and AIG Federal Savings Bank (AIG).

Eligibility

The Plan covers substantially all employees of the University except those who are students enrolled and attending classes at the University and nonresident aliens. Employees become eligible to make participant contributions immediately upon being hired and are eligible for employer contributions, except for adjunct faculty who are not eligible for employer contributions. Employees are eligible to participate in the Plan on the first day subsequent to or on the completion of eligibility requirements.

Contributions

Participants may elect to contribute a percentage of their annual compensation, as defined by the Plan, to their individual accounts on a pre-tax basis, not to exceed the annual maximum limit established by the *Internal Revenue Code* (IRC). Participants may also contribute amounts representing any catch-up contributions for which participants may be eligible, as defined by the IRC. The University makes safe harbor matching contributions to eligible employees equal to 100% of the first 3% of compensation that employees' defer to the Plan and 50% of the next 2% of compensation the employees defer.

Participants' Accounts

Each participant's account is credited with their salary deferral amounts, a proportionate share of the Plan Sponsors' contribution and an allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in the portion of their accounts attributable to salary deferrals and rollovers. Participants become 100% vested in the University's contributions and related earnings immediately.

MIDWAY UNIVERSITY RETIREMENT PLAN

1. Description of Plan, continued

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or their estate may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten-year period. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution.

Risk and Uncertainties

The Plan provides for various participant directed investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of the investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Contributions

Contributions from Plan participants and the matching contributions from the Plan Sponsor are recorded in the year in which participant compensation is earned.

Participant Loans

The Plan does not allow participants to borrow from their fund accounts.

Investment and Administrative Expenses

Investment expenses are paid as discussed in Note 6. Administrative expenses of the Plan can be absorbed by forfeited accounts if available, paid by the Plan or paid by the University. In 2023, \$29,448 of administrative expenses and administrative fees were charged by AIG.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

MIDWAY UNIVERSITY RETIREMENT PLAN

Notes to the Financial Statements, continued

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value with the exception of insurance contracts, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement for insurance contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Plan's valuation policies are determined by utilizing information provided by the investment advisors trustees, and insurance company.

Contributions

Contributions from Plan participants and the matching contributions from the Plan Sponsor are recorded in the year in which participant compensation is earned.

Payment of Benefits

Benefits payments to participants are recorded upon distribution.

Subsequent Events

The Plan has evaluated subsequent events for accounting and disclosure requirements through October 10, 2024, the date that the financial statements were available to be issued.

3. Information Certified and Provided by Trustees

The Plan's asset information included in this note and throughout the Plan's financial statements and supplemental schedule was prepared by or derived from information provided by TIAA-CREF and AIG, the trustees of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustees that asset information provided to the Plan Administrator by the trustees related to the asset information is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to asset information in this note and which appears throughout the financial statements and the supplemental schedule.

3. Information Certified and Provided by Trustees, continued

The following table presents the of assets in the Plan that were certified by TIAA-CREF and AIG.

	<u>2023</u>	<u>2022</u>
Mutual funds, at fair value	\$ 12,874,207	\$ 11,162,499
Insurance contracts, at contract value	2,065,599	2,226,023
Annuity, at fair value	188,052	249,561
Money market funds, at fair value	<u>111,887</u>	<u>123,231</u>
Total investments	<u>\$ 15,239,745</u>	<u>\$ 13,761,314</u>

The trustees also certified to the completeness and accuracy of \$1,974,950 of net realized and unrealized appreciation and \$239,196 of interest and dividends related to the investments for the year ended December 31, 2023.

4. Investment Contracts

The Plan has fully benefit-responsive investment contracts with TIAA-CREF and AIG. TIAA-CREF and AIG maintain the contributions in a general account, which is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses. The contracts are included in the financial statements at contract value as reported to the Plan by TIAA-CREF and AIG. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The total contract value of investment contracts as of December 31, 2023 and 2022 was \$2,065,599 and \$2,226,023, respectively.

Because changes in market interest rates affect the yield to maturity and the market value of the underlying investments, they can have a material impact on the contract's interest crediting rate. In addition, participant withdrawals and transfers from the Plan are paid at contract value but funded through the market value liquidation of the underlying investments, which also impacts the interest crediting rate. Per TIAA-CREF and AIG, the fair value of the investment contracts as of December 31, 2023 and 2022 was \$2,747,222 and \$2,861,833, respectively.

The fully allocated insurance contracts pay a guaranteed rate of interest plus additional amounts that are not guaranteed but may be established on a year-by-year basis. These additional amounts, when declared, remain in effect through the end of the "declaration year," which begins each March 1. The guaranteed annual interest rate is generally 3.00%. Interest rates were 5.25% for the year ended 2023.

MIDWAY UNIVERSITY RETIREMENT PLAN

Notes to the Financial Statements, continued

5. Fair Value Measurements

The Plan has determined the fair value of investments through the application of GAAP related to the fair value measurement and disclosures. Investments valued using level 1 inputs are based on unadjusted quoted market prices within active markets. Investments valued using level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets. Investments valued using level 3 inputs are primarily valued using management's assumptions about the assumptions market participants would utilize in pricing the assets.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2023</u>

5. Fair Value Measurements, continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at cost, which approximates fair value.

Annuity: valued at net asset value (NAV) per share based on quoted market prices of underlying investments, which estimates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with accounting standards, investments that are measured at fair value using the NAV practical expedient have not been classified as Level 1, 2 or 3 in the fair value hierarchy, but are included above to permit reconciliation of the fair value hierarchy tables to the amounts presented in the Statements of Net Assets Available for Benefits.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2023, there were no significant transfers in or out of Level 3.

The following table summarized investments measured at fair value based on NAV per share as of December 31, 2023 and 2022:

	2023 Fair Value	2022 Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective investment trusts:					
Annuity	<u>\$ 188,052</u>	<u>\$ 249,561</u>	N/A	None	N/A - see (a)

5. Fair Value Measurements, continued

(a) This category includes several real estate funds that invest primarily in US commercial real estate. These investments can never be redeemed. Distributions will be received as the underlying investments of the funds are liquidated. Because it is not probable that any individual investment will be sold, the fair value of each individual investment has been estimated using the net asset value of the Plan's ownership interest in the net equity value.

The fair values of the Plan's investments are based on third-party pricing information without adjustment. As permitted under the accounting guidance for fair value disclosures, the Plan has not provided quantitative information about the significant unobservable inputs used in the fair value measurements of these securities.

6. Party-in-Interest Transactions

The Plan's investments include insurance contracts with and accounts managed by TIAA-CREF and AIG. TIAA-CREF and AIG are trustees of the Plan and, therefore, these transactions qualify as party-in-interest. For the year ended December 31, 2023, indirect fees paid to TIAA - CREF amounted to \$26,689. AIG is paid indirect fees based on investment account values. These fees range from .80% to 1.31% of the investment account value. These indirect fees are reported on the Plan's Statement of Changes in Net Assets Available for Benefits as a component of net depreciation in fair value of investments.

The University contracts with Cammack Larhette Advisors to make recommendations regarding Plan investments. Fees related to this group totaled \$25,000 in 2023. These fees qualify as party-in-interest transactions.

Administrative fees paid by the Plan to AIG, \$29,448 in 2023, also qualify as party-in-interest transactions.

7. Income Tax Status of the Plan

The Plan has adopted a non-standardized form of a prototype plan sponsored by TIAA-CREF. As announced in Revenue Procedure, 2013-22, the Internal Revenue Services (IRS) opened up the application process for 403(b) pre-approved plans on June 28, 2013. Prototype plan sponsors had until April 30, 2014 to submit their plans to the IRS for approval. TIAA-CREF asserted on its website that it would be submitting its prototype 403(b) plans for IRS approval. They anticipate that due to the length of the IRS review process, an approved 403(b) prototype plan will not be available to clients until mid-to-late 2015 at the earliest. Prior to April 30, 2014, 403(b) plans were not required to submit plans to the IRS for determination. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

8. Priorities upon Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor (the University) has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the rights of all affected participants to amounts contributed by them and the sponsor and related earnings thereon would become fully vested.
