INDEPENDENT AUDITOR'S REPORT

October 11, 2024

To the Plan Administrator of
PassioHR, Inc. Retirement Savings Plan
Englewood, CO

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of PassioHR, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Mid Atlantic Trust Company, a qualified institution, as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in *Note C* to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PASSIOHR, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

A. Plan Description:

The following description of the PassioHR, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan document and participating employers' adoption agreements (together, the Plan Documents) for a more complete description of the Plan's provisions.

General:

The Plan is a multiple employer defined contribution profit sharing plan sponsored by PassioHR, Inc. (Sponsor) and is made available to adopting employers. The Plan covers all non-bargaining, full-time employees of the Sponsor and adopting employers (collectively, the Company) who have attained the eligibility requirements as set forth by each adopting employers' adoption agreements. It is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended. Mid Atlantic Trust Company is the custodian. Slavic Integrated Administration serves as the recordkeeper and third-party administrator. PassioHR, Inc. is the designated trustee. Slavic Mutual Fund Management Corporation serves as the fund manager.

Effective January 1, 2022, Premier Employer Services, the Sponsor for the Plan dissolved. Concurrently, the owners formed a new company, PassioHR, Inc. which became the new Sponsor as of that date. Effective April 1, 2022, the name of the Plan was changed to PassioHR, Inc. Retirement Savings Plan.

Contributions:

Participants may make traditional or Roth contributions up to the maximum of 100 percent of pretax annual compensation, as defined in the Plan Documents. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Adopting employers may make safe harbor matching contributions, discretionary matching contributions, or nonelective profit-sharing contributions as defined in the participating employers' adoption agreements. Contributions are subject to certain limitations.

Participant Accounts:

Each participant's account is credited with the participant's contribution, allocation of the Company's contributions and plan earnings and any fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

A. Plan Description (Continued):

Investment Options:

Participants direct the investment of their contributions into various mutual fund investment options offered by the Plan. Participants may change their investment elections at any time.

Vesting:

Participants are immediately vested in their voluntary contributions and safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions and nonelective profit-sharing contributions portions of their accounts is based on years of continuous service, as defined by the Adoption Agreement.

Forfeited Accounts:

Nonvested participants' accounts that are forfeited upon termination of service may be used to pay administrative expenses and/or reduce future employer contributions. At December 31, 2023 and 2022, the Plan had no forfeited nonvested accounts available to be used in future periods. In 2023 and 2022, no forfeitures were used to reduce employer matching contributions or pay administrative expenses.

Payment of Benefits:

On termination of service, attainment of age of 59.5 or becoming disabled, a participant is eligible for a lumpsum distribution of his or her vested account balance. The Plan also allows for hardship withdrawals and in-service withdrawals from a participant's rollover contribution balance. Terminated participants with vested balances \$5,000 or less will have their balances distributed upon termination.

Notes Receivable from Participants:

Participants may borrow from their participant accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at local prevailing rates as determined by the plan administrator. A loan will carry the same rate of interest throughout its term. Principal and interest is paid ratably through normal payroll deductions. All loans are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence which are not to exceed fifteen years).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

B. Summary of Accounting Policies and Investments:

Basis of Accounting:

The accompanying financial statements are prepared under the accrual basis of accounting.

Notes Receivable from Participants:

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the custodian. See *Note D* for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statements of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

The Company absorbs certain administrative and operating costs of the Plan. Certain management services are paid by the Plan and recorded as fees in the accompanying statement of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

C. Information Certified by the Plan's Custodian:

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, a qualified institution and custodian of the Plan, has certified the following information included in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) is complete and accurate:

- Investments as shown in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income (loss) as shown in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.
- Investments as shown in the accompanying supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023.

The Plan's independent auditor did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

D. Fair Value Measurements:

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

PASSIOHR, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

D. Fair Value Measurements (Continued):

The three levels of the fair value hierarchy under FASB ASC 820 are:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for identical or similar assets or liabilities in active or inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability or that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 or 2022.

Mutual funds: Valued at quoted market prices, which represent the net asset values (NAV) of shares held by the Plan. Mutual funds held by the Plan are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

D. Fair Value Measurements (Continued):

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Fair Value Measurements at December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 8,079,049</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,079,049</u>

Fair Value Measurements at December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 6,562,626</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,562,626</u>

E. Related Party and Party-In-Interest Transactions:

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The Plan made direct payments of \$13,130 and \$10,286 to the Sponsor during 2023 and 2022, respectively, as part of an expense reimbursement agreement to cover certain administrative expenses performed by Sponsor employees. Additionally, the Plan made direct payments of \$56,843 and \$41,753 to the record keeper during 2023 and 2022, respectively. The Plan also made direct payments of \$13,645 and \$9,508 to the fund manager during 2023 and 2022, respectively. The Sponsor provides certain administrative services at no cost to the Plan.

F. Transfer of Assets:

Effective January 3, 2022, the Company approved a resolution to merge the assets of Greenwich Lifesciences, Inc. 401(k) Plan into the Plan. \$90,723 of assets were transferred to the Plan in March 2022.

PASSIOHR, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

G. Plan Tax Status:

The Plan operates under a non-standardized pre-approved profit sharing adoption agreement and trust provided by Slavic Integrated Administration, Inc. DBA Slavic401k.com. This plan document has been filed with the appropriate agency and has obtained a favorable opinion letter, dated June 30, 2020, from the Internal Revenue Service stating that the Plan constitutes a qualified plan under Section 401 of the Internal Revenue Code and that the related trust was tax-exempt. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements for the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Management performs an annual analysis of the Plan's various tax positions, assessing the likelihood of those positions being upheld upon examination by relevant taxing authorities. Management believes the Plan has conducted its operations in accordance with applicable income tax reporting requirements, and has properly maintained its tax-exempt status, and has taken no material uncertain tax positions that qualify for recognition or disclosure in the financial statements.

H. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

I. Nonexempt Party-In-Interest Transactions:

During 2022, certain loan repayments totaling \$801, were withheld but have not yet been remitted to the Plan and are considered delinquent. Plan management funded the deposits and lost earnings to correct participant accounts in 2023.

Plan management does not believe these late remittances will have a material effect on the financial statements nor affect the qualified tax status of the Plan.

PASSIOHR, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

J. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

K. Subsequent Events:

The Plan did not have any subsequent events through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued, for events requiring recording or disclosure in the financial statements for the year ended December 31, 2023.
