Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the PARKER PLASTICS, INC. 401(K) PROFIT SHARING PLAN and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the PARKER PLASTICS, INC. 401(K) PROFIT SHARING PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the PARKER PLASTICS, INC. 401(K) PROFIT SHARING PLAN's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the PARKER PLASTICS, INC. 401(K) PROFIT SHARING PLAN's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule listed in the accompanying table of contents as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION

The following description of the Parker Plastics, Inc. (“Company”) 401(k) Profit Sharing Plan (“Plan”) provides only general information. Participants should refer to the Plan Adoption Agreement or the Summary Plan Description for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution plan covering all employees of the Company who complete six months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company includes the following related employers: Parker Plastics, Inc. (Oklahoma), Parker Plastics, Inc. (Wisconsin), Parker Plastics (Maryland), L.L.C., and Parker Plastics Nevada, L.L.C. The Board of Trustees is responsible for oversight of the Plan. Two investment managers (one for 401(k) assets and one for profit sharing assets) determine the appropriateness of the Plan’s investment offerings, monitor investment performance and report to the Plan’s Board of Trustees.

CONTRIBUTIONS

Each year, participants may elect to contribute pre-tax annual compensation as defined in the Plan to a maximum of \$22,500 for 2023 and \$20,500 for 2022. Participants who are at least age 50 may make additional “catch-up” contributions of \$7,500 and \$6,500 for 2023 and 2022, respectively. Participants may also roll over amounts representing distributions from other qualified plans.

Participants direct the investment of their 401(k), Roth, matching, and rollover contributions into various mutual funds and pooled separate account investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically-enrolled participants have their deferral rate set at 4 percent of eligible compensation and their contributions invested in a designated fund until changed by the participants. The Company has the option of making matching contributions. For the years ended December 31, 2023 and 2022, the Company contributed 50 percent of the first 6 percent of base compensation that a participant contributed to the Plan. Additional profit-sharing amounts may be contributed at the option of the Company’s board of directors and are invested in a portfolio of investments as directed by Bartlett Wealth Management (“Bartlett”) who is the investment manager retained by the Company. For the years ended December 31, 2023 and 2022, the Company authorized profit sharing contributions in the amounts of \$148,980 and \$624,400, respectively. Forfeitures were used to partially fund the profit-sharing contributions for the years ended December 31, 2023 and 2022. Contributions are subject to certain statutory limitations.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contribution, the Company’s discretionary matching contribution, and an allocation of the Company’s discretionary profit-sharing contribution, if applicable, and Plan earnings. Allocations are based on participant contributions, plan compensation, or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION (Continued)

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

PAYMENT OF BENEFITS

On termination of service due to disability, retirement, or for other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Distributions made on account of the death of a participant are to be paid out entirely by the end of the fifth year. In-service distributions are allowed from 401(k), matching, and rollover funds when a participant reaches age 59 ½ and is fully vested.

FORFEITURES

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$46,317 and \$43,115, respectively. These accounts can be used to reduce future employer contributions or to pay administrative expenses of the Plan. Employer contributions were reduced by \$138,561 and \$92,363 for 2023 and 2022, respectively. Plan expenses in the amount of \$2,419 and \$9,395 for 2023 and 2022, respectively, were paid using forfeitures.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared using the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments at December 31, 2023 and 2022 were held by Principal and Charles Schwab. All investments are valued at market value as of December 31, 2023 and 2022.

Purchases and sales of securities are reflected on a trade-date basis. Realized gains and losses on the sale of securities are computed on a specific identification basis.

Interest income is recognized on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) on investments held represents the change in market value of the investments from the beginning of the Plan year (or date the investments were purchased, if later) to the end of the Plan year.

NOTES TO FINANCIAL STATEMENTS

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

NOTE 3—FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS

NOTE 3—FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of stocks are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements

Corporate bonds, municipal bonds, and U.S. government securities are valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

Level 3 Fair Value Measurements are not applicable to the Plan for 2023 and 2022.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022.

Fair values of assets at December 31, 2023 are as follows:

NOTES TO FINANCIAL STATEMENTS

NOTE 4—INFORMATION CERTIFIED BY TRUSTEE AND CUSTODIAN (Continued)

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE 5—NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The notes are secured by the balance in the participant's account. The loan interest rate is set at the prime rate of interest as published in the Wall Street Journal (8.5% and 7.5% at December 31, 2023 and 2022, respectively) plus 2%. Principal and interest is paid ratably through weekly payroll deductions.

NOTE 6—RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are/were held by Charles Schwab Institutional ("Schwab"), Transamerica Life Insurance Company ("Transamerica"), and Principal Life Insurance Company ("Principal"), custodians as defined by the Plan. Participants may invest in various funds sponsored by Transamerica and Principal and nonparticipant-directed investments may be invested in various funds and securities provided by Schwab. Therefore, these transactions qualify as party-in-interest transactions. Investment fees paid by the Plan to Transamerica totaled \$-0- and \$7,705 for the years ended December 31, 2023 and 2022. Investment fees paid by the Plan to Principal totaled \$61,289 and \$52,707 for the years ended December 31, 2023 and 2022, respectively. Investment management fees paid by the Plan to Bartlett (manager of the Schwab account) totaled \$52,055 and \$53,318 for the years ended December 31, 2023 and 2022, respectively. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7—PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Company should decide to terminate the Plan, participants would become 100% vested in the Company contribution portion of their accounts.

NOTE 9—TAX STATUS

The Plan has adopted the Beasley & Company non-standardized pre-approved profit sharing plan. The Internal Revenue Service has determined and informed Beasley & Company by a letter dated November 30, 2020, that the plan is acceptable for use by employers for the benefit of their employees under Section 401 of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

NOTES TO FINANCIAL STATEMENTS

NOTE 9—TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10—SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 8, 2024, the date which the financial statements were available for issue. There were no subsequent events which require disclosure.

INDEPENDENT AUDITORS' REPORT

Plan Administrator
Parker Plastics, Inc. 401(k) Profit Sharing Plan
Pleasant Prairie, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the PARKER PLASTICS, INC. 401(K) PROFIT SHARING PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the PARKER PLASTICS, INC. 401(K) PROFIT SHARING PLAN's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Principal Life Insurance Company as of December 31, 2023 and 2022 and for the period from January 6, 2022 to December 31, 2023, and Reliance Trust Company for the period from January 1, 2022 to January 5, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate. Both Principal Life Insurance Company and Reliance Trust Company are qualified institutions.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the PARKER PLASTICS, INC. 401(K) PROFIT SHARING PLAN and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the PARKER PLASTICS, INC. 401(K) PROFIT SHARING PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the PARKER PLASTICS, INC. 401(K) PROFIT SHARING PLAN's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the PARKER PLASTICS, INC. 401(K) PROFIT SHARING PLAN's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule listed in the accompanying table of contents as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION

The following description of the Parker Plastics, Inc. (“Company”) 401(k) Profit Sharing Plan (“Plan”) provides only general information. Participants should refer to the Plan Adoption Agreement or the Summary Plan Description for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution plan covering all employees of the Company who complete six months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company includes the following related employers: Parker Plastics, Inc. (Oklahoma), Parker Plastics, Inc. (Wisconsin), Parker Plastics (Maryland), L.L.C., and Parker Plastics Nevada, L.L.C. The Board of Trustees is responsible for oversight of the Plan. Two investment managers (one for 401(k) assets and one for profit sharing assets) determine the appropriateness of the Plan’s investment offerings, monitor investment performance and report to the Plan’s Board of Trustees.

CONTRIBUTIONS

Each year, participants may elect to contribute pre-tax annual compensation as defined in the Plan to a maximum of \$22,500 for 2023 and \$20,500 for 2022. Participants who are at least age 50 may make additional “catch-up” contributions of \$7,500 and \$6,500 for 2023 and 2022, respectively. Participants may also roll over amounts representing distributions from other qualified plans.

Participants direct the investment of their 401(k), Roth, matching, and rollover contributions into various mutual funds and pooled separate account investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically-enrolled participants have their deferral rate set at 4 percent of eligible compensation and their contributions invested in a designated fund until changed by the participants. The Company has the option of making matching contributions. For the years ended December 31, 2023 and 2022, the Company contributed 50 percent of the first 6 percent of base compensation that a participant contributed to the Plan. Additional profit-sharing amounts may be contributed at the option of the Company’s board of directors and are invested in a portfolio of investments as directed by Bartlett Wealth Management (“Bartlett”) who is the investment manager retained by the Company. For the years ended December 31, 2023 and 2022, the Company authorized profit sharing contributions in the amounts of \$148,980 and \$624,400, respectively. Forfeitures were used to partially fund the profit-sharing contributions for the years ended December 31, 2023 and 2022. Contributions are subject to certain statutory limitations.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contribution, the Company’s discretionary matching contribution, and an allocation of the Company’s discretionary profit-sharing contribution, if applicable, and Plan earnings. Allocations are based on participant contributions, plan compensation, or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION (Continued)

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

PAYMENT OF BENEFITS

On termination of service due to disability, retirement, or for other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Distributions made on account of the death of a participant are to be paid out entirely by the end of the fifth year. In-service distributions are allowed from 401(k), matching, and rollover funds when a participant reaches age 59 ½ and is fully vested.

FORFEITURES

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$46,317 and \$43,115, respectively. These accounts can be used to reduce future employer contributions or to pay administrative expenses of the Plan. Employer contributions were reduced by \$138,561 and \$92,363 for 2023 and 2022, respectively. Plan expenses in the amount of \$2,419 and \$9,395 for 2023 and 2022, respectively, were paid using forfeitures.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared using the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments at December 31, 2023 and 2022 were held by Principal and Charles Schwab. All investments are valued at market value as of December 31, 2023 and 2022.

Purchases and sales of securities are reflected on a trade-date basis. Realized gains and losses on the sale of securities are computed on a specific identification basis.

Interest income is recognized on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) on investments held represents the change in market value of the investments from the beginning of the Plan year (or date the investments were purchased, if later) to the end of the Plan year.

NOTES TO FINANCIAL STATEMENTS

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

NOTE 3—FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS

NOTE 3—FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of stocks are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements

Corporate bonds, municipal bonds, and U.S. government securities are valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

Level 3 Fair Value Measurements are not applicable to the Plan for 2023 and 2022.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022.

Fair values of assets at December 31, 2023 are as follows:

	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>

NOTES TO FINANCIAL STATEMENTS

NOTE 4—INFORMATION CERTIFIED BY TRUSTEE AND CUSTODIAN (Continued)

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE 5—NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The notes are secured by the balance in the participant's account. The loan interest rate is set at the prime rate of interest as published in the Wall Street Journal (8.5% and 7.5% at December 31, 2023 and 2022, respectively) plus 2%. Principal and interest is paid ratably through weekly payroll deductions.

NOTE 6—RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are/were held by Charles Schwab Institutional ("Schwab"), Transamerica Life Insurance Company ("Transamerica"), and Principal Life Insurance Company ("Principal"), custodians as defined by the Plan. Participants may invest in various funds sponsored by Transamerica and Principal and nonparticipant-directed investments may be invested in various funds and securities provided by Schwab. Therefore, these transactions qualify as party-in-interest transactions. Investment fees paid by the Plan to Transamerica totaled \$-0- and \$7,705 for the years ended December 31, 2023 and 2022. Investment fees paid by the Plan to Principal totaled \$61,289 and \$52,707 for the years ended December 31, 2023 and 2022, respectively. Investment management fees paid by the Plan to Bartlett (manager of the Schwab account) totaled \$52,055 and \$53,318 for the years ended December 31, 2023 and 2022, respectively. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7—PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Company should decide to terminate the Plan, participants would become 100% vested in the Company contribution portion of their accounts.

NOTE 9—TAX STATUS

The Plan has adopted the Beasley & Company non-standardized pre-approved profit sharing plan. The Internal Revenue Service has determined and informed Beasley & Company by a letter dated November 30, 2020, that the plan is acceptable for use by employers for the benefit of their employees under Section 401 of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

NOTES TO FINANCIAL STATEMENTS

NOTE 9—TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10—SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 8, 2024, the date which the financial statements were available for issue. There were no subsequent events which require disclosure.
