INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Gabriel Brothers, Inc. 401(k) Plan
Morgantown, West Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Gabriel Brothers 401(k) Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Lincoln Financial Group, a qualified institution, as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - PLAN DESCRIPTION

The following description of the Gabriel Brothers, Inc. 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to provide benefits to eligible employees of Gabriel Brothers, Inc. (the "Company"), a related employer under common control. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is administered by a trustee.

On April 18, 2023, the Company acquired OTP Holdings, LLC. As a result of the acquisition, assets of the Old Time Pottery 401(k) plan totaling $4,900,613 were transferred into Plan effective September 30, 2023.

Eligibility

Salaried employees become eligible to participate in the Plan on the first day of the month following the date of hire. Hourly employees become eligible to participate in the Plan on the first day of the month following completion of one year (1,000 hours) of service. Effective September 15, 2023, hourly employees become eligible to participate in the Plan on the first day of the month following completion of six months (500 hours) of service. Employees who are nonresident aliens and/or represented by a collective bargaining unit are not eligible to participate in the Plan.

Contributions

Each year, participants may make elective deferrals of their annual eligible compensation, subject to Internal Revenue Code ("IRC") limitations ($22,500 and $20,500 for 2023 and 2022, respectively). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions ($7,500 and $6,500 for 2023 and 2022, respectively). The Company may provide a discretionary matching contribution on behalf of participants.

Participant accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's contribution, Plan earnings (losses) and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. The participants direct their contributions to purchase shares in any of the available investment options.

NOTE 1 - PLAN DESCRIPTION (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after five years of credited service. Vesting is as follows:

Years of Service	Vested Percentage
1	0%
2	25%
3	50%
4	75%
5 or more years	100%

Forfeited accounts

Employer contributions were reduced by $8,207 and $26,865 from previously forfeited non-vested accounts, in 2023 and 2022, respectively. Forfeited non-vested account balances accumulated as of December 31, 2023 and 2022 totaled $62,494 and $4,391, respectively. These amounts will be used to offset future employer contributions or to pay Plan expenses.

Administrative expenses

The Plan's provisions provide that administrative costs may be paid out of the Plan, except to the extent that the Company has elected to pay part or all of such costs.

Payment of benefits

Upon termination of employment, after age of 59½, or due to death, disability or retirement, a participant or their beneficiaries may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account or equal installments over a period not more than his or her assumed life expectancy. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Plan termination

Although they have not expressed any intention to do so, the Company may terminate the Plan at any time. In the event of termination, the interest of participants affected by the termination and their beneficiaries under the Plan shall be non-forfeitable.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment valuation and income recognition

Investments in mutual funds are reported at fair value, as determined by quoted market prices. The Plan's investment in the Lincoln Financial Group's Stable Value Account is a fully benefit-responsive investment contract and is included in the financial statements at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Gains, losses, and interest income incurred on investments reported at contract value are included in interest and dividend income within the statements of changes in net assets available for benefits.

The Plan invests in various investment securities, investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Contributions

Participant contributions are recorded when withheld from the participant's compensation. Employer match contributions are recorded at the end of the Plan year.

Payment of benefits

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Corrective distributions

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. Corrective distributions in the amount of $460,607 and $333,689, respectively are included in the December 31, 2023 and 2022 statements of net assets available for benefits.

Asset transfer

The asset transfer includes participant account balances in the amount of $4,900,613 transferred from the Old Time Pottery 401(k) plan due to the Company acquiring OTP Holdings, LLC.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 14, 2024, the date on which the financial statements were available to be issued.

NOTE 3 - TAX STATUS

The Plan obtained its latest determination letter dated March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended since receiving its most recent determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 3 - TAX STATUS (continued)

In accordance with U.S. GAAP, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for periods prior to 2020.

NOTE 4 - INVESTMENTS

Fair value measurements

Investments measured and reported at fair value are classified and disclosed in one of the following categories based on the extent of market observability:

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. The Plan classifies its investments in mutual funds in Level I.

Level II – Pricing inputs other than quoted market prices included in Level I, however are observable either directly or indirectly for the investments. The Plan does not carry any of these investments.

Level III – Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan does not carry any of these investments.

The valuations of the Plan's investments by the above fair value hierarchy levels are as follows as of December 31:

	Level	2023	2022
Mutual funds	I	$ 22,884,437	$ 15,737,661

NOTE 5 - INVESTMENT CONTRACT

The Plan holds a guaranteed income fund, the Lincoln Stable Value Account ("Stable Value Account"), offered by Lincoln National Life Insurance Company ("LNLIC"). Because the Stable Value Account is fully benefit responsive, contract value is the relevant measurement attribute for that portion of assets available for benefits, attributable to the Stable Value Account. The Stable Value Account is an obligation of LNLIC's general account, which supports all of LNLIC's insurance and annuity commitments. All payment guarantees of contractual interest and redemption of invested funds are based on the financial strength and claims-paying ability of LNLIC, who is solely responsible for all obligations under its contracts.

The nature of the Stable Value Account is such that Plan participants may withdraw assets without restriction; however, the custodian may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance. The occurrence of an event that limits the ability of the Plan to transact at contract value between the custodian and a participant holding the investment is not probable.

The Stable Value Account guarantees principal and a guaranteed minimum interest rate for the life of the contract. Interest rates are determined and declared by a LNLIC executive committee. The interest crediting rate is reset quarterly and is guaranteed to range from 1% - 3%.

NOTE 6 - RELATED PARTY TRANSACTIONS

The Plan's investment in the Stable Value Account is with LNLIC. The investment contract is sponsored and advised by Lincoln Financial Group, therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan for investment management and trustee services qualify as party-in-interest transactions and amounted to $233,963 and $301,530 for the years ended December 31, 2023 and 2022, respectively.

These transactions are not deemed prohibited because they are covered by statutory and administrative exemptions from the IRC and the rules of prohibited transactions of ERISA.

NOTE 7 - CERTIFICATION

The investment information contained in the financial statements is certified as complete and accurate by Lincoln Financial Group, the Plan Trustee, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
