Robert Roten, Plan Trustee
Hossley Lighting Associates, Inc.
Employees' Stock Ownership Plan
Dallas, Texas

We have audited the financial statements of **Hossley Lighting Associates, Inc. Employees' Stock Ownership Plan (the Plan)**, as of and for the year ended December 31, 2023, and have issued our report thereon dated October 11, 2024. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated July 12, 2024, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethical Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

Compliance with All Ethical Requirements Regarding Independence (*Continued*)

We have performed certain services that are above and beyond those required to be performed as part of an audit under professional standards, referred to as "nonattest services". Specifically, we have performed the following:

- Prepared the trial balances of the Plan based on information provided by the custodian;
- Proposed adjusting or correcting journal entries to be reviewed and approved by Plan management; and
- Assisted with the preparation of the financial statements, note disclosures and supplemental schedule for the Plan.

All nonattest services were subject to supervisory review by members of the audit engagement team and the engagement partner. Management has reviewed, approved, and accepted responsibility for the accuracy and completeness of all nonattest services we provided to the Plan.

Significant Risks Identified

We have identified the following significant risks:

- Management override of internal controls and
- Inaccurate or incomplete participant data being provided to the third-party administrator.

We obtained an understanding of the design and implementation of policies and procedures related to the above areas of risk, and we planned tailored audit procedures to address those risks. Based on our audit procedures, we did not identify any other significant risks to the Plan.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2023. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates and Related Disclosures

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

Qualitative Aspects of the Plan's Significant Accounting Practices (Continued)

Significant Accounting Estimates and Related Disclosures (Continued)

The most sensitive accounting estimate affecting the financial statements is the fair value of the Plan's investment as described in Note 4 to the financial statements, which may change significantly in the near term as a result of changes in interest rates, economic conditions or other market factors, and such changes could have a material impact on the participant account balances and the Plan's financial statements. We have evaluated the key factors and assumptions used to develop the fair value of the Plan's investment and determined that they are reasonable in relation to the financial statements as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Plan's financial statements relate to fair value estimates of investments discussed in Note 4 to the financial statements.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate significant unusual transactions identified during our audit. There were no significant unusual transactions identified as a result of our audit procedures.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Identified or Suspected Fraud

We have not identified, nor have we obtained information that indicates fraud may have occurred.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. We have no such misstatements to report.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Circumstances that Affect the Form and Content of the Auditor's Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditor's report. There were no circumstances noted that would affect the form and content of our auditor's report.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated October 11, 2024.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Matters

The ERISA-required supplemental schedule was subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Other Matters (*Continued*)

This information is intended solely for the information and use of the Trustee and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Respectfully,

A handwritten signature in black ink that reads "Landmark PLC". The word "Landmark" is written in a cursive style, and "PLC" is written in a simpler, more upright style.

This representation letter is provided in connection with your audits of the financial statements of **Hossley Lighting Associates, Inc. Employee Stock Ownership Plan (the Plan)**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and the related notes to the financial statements.

The purpose of the audits is to express an opinion on whether the financial statements present fairly, in all material respects, the net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Misstatements, including omissions are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of October 11, 2024, the following representations made to you during your audit:

Financial Statements

- We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated July 12, 2024, for the preparation and fair presentation of the financial statements (and) disclosures in accordance with U.S. GAAP.
- The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule referred to above are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Financial Statements (*Continued*)

- We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
- We acknowledge our responsibility for the design, implementation and maintenance of the system of internal control relevant to the preparation and fair presentation of financial statements, notes and supplemental schedule that are free from material misstatement, whether due to fraud or error.
- We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
- The methods, data, and significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in the context of U.S. GAAP. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
- All related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
- Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.
- There are no events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure.
- We are not aware of any pending or threatened litigation, claims or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning such litigation, claims or assessments.
- We have no intentions to terminate the Plan.
- There are no guarantees, whether written or oral, under which the Plan is contingently liable to a bank or another lending institution that are required to be recorded or disclosed in the financial statements.
- We have properly reported and disclosed amendments to the plan instrument, if any.

Financial Statements (*Continued*)

- We have obtained the SOC 1 report from our service organization, Principal Life Insurance Company. We have reviewed such report, including complementary user entity controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2023.
- With respect to the preparation of the financial statements, note disclosures, and supplemental schedule, we have performed the following:
 - Made all management decisions and performed all management functions;
 - Assigned a competent individual who has suitable knowledge, skill or experience to oversee the services;
 - Evaluated the adequacy of the services performed;
 - Evaluated and accepted responsibility for the results of the services performed; and
 - Established and maintained controls, including a process to monitor the system of internal control.
- We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in accordance with the DOL Rules and Regulations for Reporting and Disclosure under ERISA. We believe the ERISA-required supplemental schedule, including the form and content, is fairly presented in accordance with the DOL Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement or presentation have not changed from those used in the prior period.

Information Provided

- We have provided you with:
 - Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, plan instruments, trust agreements, insurance contracts, as applicable, or investments contracts, as applicable, and amendments to such documents entered into during the year;
 - The most current plan instrument for the audit period, including all amendments;
 - A draft of the Form 5500 that is substantially complete;
 - Additional information that you have requested from us for the purpose of the audit;
 - Unrestricted access to persons within the Plan and others from whom you determined it necessary to obtain audit evidence; and
 - All minutes of the meetings of the Board of Directors or summaries of actions of recent meetings for which minutes have not yet been prepared.
- All transactions have been recorded in the accounting records and are reflected in the financial statements.

Information Provided (*Continued*)

- Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
- The Plan has satisfactory title to all owned assets that are recorded at fair value. There are no liens, encumbrances or security interests requiring disclosure in the financial statements, except for the collateral on unallocated shares of common stock related to the note payable.
- We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- We have provided to you our analysis of the Plan's ability to continue as a going concern, including significant conditions and events present, and if necessary, our analysis of management's plans, and our ability to achieve those plans.
- We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
 - Management;
 - Employees who have significant roles in internal control; or
 - Others where the fraud could have a material effect on the financial statements.
- We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators or others.
- We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
- We are not aware of any pending or threatened litigation, claims or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning such litigation, claims or assessments.
- There are no matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.
- We have disclosed to you the identity of the Plan's related parties and parties in interest and the nature of all the related party and party in interest relationships and transactions of which we are aware.
- We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- All required filings with the appropriate agencies have been made.

Information Provided (Continued)

- The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified plan (and trust). The Plan Sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status.
- The Plan has complied with the fidelity bonding requirements of ERISA.
- There are no:
 - Nonexempt party in interest transactions (as defined in ERISA Section 3(l) and regulations under that section) that were not disclosed in the supplemental schedule or financial statements.
 - Investments in default or considered to be uncollectible that were not disclosed in the supplemental schedule.
 - Reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedule.

Use of a Specialist

- We assume responsibility for the findings of the appraiser in evaluating the fair value of the employer stock and have adequately considered his or her qualifications in determining the amounts and disclosures used in the financial statements and underlying accounting methods. INDEPENDENT AUDITOR'S REPORT

To the Trustee of
Hossley Lighting Associates, Inc.
Employees' Stock Ownership Plan
Dallas, Texas

Opinion on the Financial Statements

We have audited the financial statements of **Hossley Lighting Associates, Inc. Employees' Stock Ownership Plan (the Plan)**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Hossley Lighting Associates, Inc. Employees' Stock Ownership Plan as of December 31, 2023 and 2022, and the changes in net assets available for benefits for the year ended December 31, 2023 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Hossley Lighting Associates, Inc. Employees' Stock Ownership Plan

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 1: PLAN DESCRIPTION

The following brief description of the Hossley Lighting Associates, Inc. Employees' Stock Ownership Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for complete information.

General

Hossley Lighting Associates, Inc. established the Plan effective as of January 1, 1997. As of January 1, 2013, the Plan was amended and operates, in relevant part, as a leveraged employee stock ownership plan (ESOP), and is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended (IRC) and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Effective July 1, 2020, in connection with certain corporate reorganization, Hossley Lighting Associates, Inc. assigned sponsorship of the Plan to Hossley Holdings, Inc. (the Employer, Company and Plan Sponsor). In addition, the Plan contributed all of the issued and outstanding shares of common stock of Hossley Lighting Associates, Inc. to Hossley Holdings, Inc. in exchange for all of the issued and outstanding shares of common stock of Hossley Holdings, Inc.

The Plan is administered by an ESOP Committee appointed by the Company's Board of Directors. The Plan's Trustee is also appointed by the Company's Board of Directors.

The Plan purchased Company common stock using the proceeds of borrowings from the Company (see Note 5), and holds the common stock in a trust established under the Plan. The borrowings are to be repaid over a period of twenty years by fully deductible Company contributions to the trust fund. As the Plan makes each payment of principal, an appropriate percentage of stock will be allocated to eligible employees' accounts in accordance with applicable regulations under the IRC.

The borrowing is collateralized by the unallocated shares of common stock. The lender has no rights against shares of common stock once they are allocated to participants in accordance with the terms of the ESOP. Accordingly, the financial statements of the Plan as of December 31, 2023 and 2022 and for the year ended December 31, 2023, present separately the assets and liabilities and changes therein pertaining to:

1. the accounts of employees with vested rights in allocated common stock (allocated),
and
2. common stock not yet allocated to employees (unallocated).

Eligibility

Employees of the Company are generally eligible to participate in the Plan after one year of service, provided they have obtained the age of 20 and worked at least 1,000 hours during such Plan year. Participants who do not have at least 1,000 hours of service during a Plan year or are not employed on the last working day of a Plan year are generally not eligible for an allocation of Company contributions for such year.

NOTE 1: PLAN DESCRIPTION (Continued)

Contributions

The Company is obligated to make contributions in cash and/or stock to the Plan which, when aggregated with the Plan's dividends and interest earnings, equal the amount necessary to enable the Plan to make its regularly scheduled payments of principal and interest due on its notes payable. The Company will also make a safe harbor discretionary matching contribution equal to an amount determined by the Company up to 3% of compensation deferred by each participant as elective deferrals made to the Hossley Lighting Associates, Inc. 401(k) Profit Sharing Plan during the plan year. The Company may elect to make additional contributions to the Plan. Employee contributions are not permitted.

Dividends

To the extent that dividends are not used by the Plan for debt service, participants can leave the funds in the Plan to be invested in Employer stock, as provided by the Plan.

Payment of Benefits

Distributions on account of death, disability, or retirement are made in a lump sum, or in the form of periodic payments beginning in the Plan year following the event based on the election of the participant or the participant's designated beneficiary. Distributions for other separations from service also commence in the Plan year following the separation from service and are made in annual installments over a period no longer than five years. Distributions are made in cash or Company stock.

Voting Rights

The Trustee shall vote all Employer stock held by the Plan. However, each participant is entitled to exercise voting rights attributable to the shares allocated to his or her account and is notified by the Trustee prior to the time that such rights are to be exercised in regards to the approval or disapproval of any corporate merger or consolidation, recapitalization, reclassification, liquidation, dissolution or the sale of substantially all the assets of the Company. The Trustee is required to vote any unallocated shares on behalf of the collective best interest of Plan participants and beneficiaries.

Plan Termination

The Company intends to continue the ESOP indefinitely. However, the Company reserves the right to terminate the Plan at any time, subject to Plan provisions. Upon such termination of the Plan, the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms and the IRC. Upon termination of the Plan, the ESOP Committee should direct the Trustee to pay all liabilities and expenses of the trust fund and to sell shares of financed common stock held as collateral to the extent it determines such sale to be necessary in order to repay the loan.

Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited as of the last day of each Plan year with an allocation of shares of the Company's common stock released by the Trustee from the unallocated

account and forfeitures of terminated participants' non-vested accounts. Only those participants who are eligible employees of the Company as of the last day of the Plan year will receive an allocation. Allocations are based on a participant's eligible compensation, relative to total eligible compensation. Plan earnings are allocated to each participant's account based on the ratio of the participant's beginning of the year account balance to all participants' beginning of the year account balances.

Vesting

Upon attainment of the normal retirement age, or upon death or disability a participant shall become 100% vested in his accounts. If a participant's employment with the Company ends for any reason other than retirement, disability, or death, he or she will vest in the balances in his or her account according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	100%

Put Option

Under Federal income tax regulations, the employer stock that is held by the Plan and its participants and is not readily tradable on an established market, or is subject to trading limitations, includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the current value of the stock. The Company can pay for the purchase with interest over a period of five years. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

Diversification

Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in Company common stock into investments which are more diversified. Participants who are at least age 55 with at least 10 years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a six-year period. In each of the first five years, a participant may diversify up to 25% of the number of shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changes to 50%.

Forfeitures

Plan forfeitures are allocated to each participant's account based upon the relation of the participant's compensation to total compensation for the Plan year. Forfeitures of terminated nonvested account balances allocated to remaining participants at December 31, 2023 and 2022, totaled \$969 and \$1,198, respectively.

December 31, 2023 and 2022**

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Allocations

The financial statements of the Plan present separately the assets and liabilities and changes therein pertaining to (a) the accounts of employees with rights in allocated stock ("allocated") and (b) stock not yet allocated to employees ("unallocated"), including shares that are committed to be released. Shares are released from collateral and become allocated generally in the period in which debt service is actually paid.

Investment Valuation and Income Recognition

The shares of Company common stock are valued at fair value. Fair value of the Company's outstanding shares is determined annually by professional independent appraisal. See Note 4 for discussion of fair value measurements. Dividend income is accrued on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported on the average cost method. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

All other expenses paid by the Company totaled approximately \$15,000 on behalf of the Plan for the year ended December 31, 2023.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3: INVESTMENTS

The Plan's investments in the Company's common stock at December 31, are as follows:

	2023		2022	
	Allocated	Unallocated	Allocated	Unallocated
Sponsor company common shares				
Number of shares	47,030	25,042	46,299	26,711

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.
- Level 2 Inputs to the valuation methodology include the following:
- Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

The fair value of the Company common stock is determined based on an annual independent appraisal. The appraisal is based on a combination of the market and income valuation approaches consistent with prior years. The appraiser took into account historical and projected cash flow and net earnings. Plan management has concluded that a market participant would also recognize a discount for lack of marketability.

The valuation process includes selection of the appraiser. Plan management accumulates the data for the appraiser from the audited financial statements of the Company. The appraiser prepares a report which Plan management reviews in detail, discusses and approves. The results of this process are documented in minutes of the Plan fiduciary.

Hossley Lighting Associates, Inc. Employees' Stock Ownership Plan

Notes to Financial Statements December 31, 2023 and 2022

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31. Classification with the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Fair Value	Level 1	Level 2	Level 3
December 31, 2023				
Common Stock	\$ 8,340,088	\$ -	\$ -	\$ 8,340,088
December 31, 2022				
Common Stock	\$ 8,459,702	\$ -	\$ -	\$ 8,459,702

Changes in Fair Value of Level 3 Assets

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

Plan management evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits.

During the year ended December 31, 2023, there were no purchases of Level 3 investments or transfers of assets into or out of Level 3.

NOTE 5: NOTE PAYABLE

In 2018, the Plan entered into a loan agreement with the Company. The proceeds of the loan were used to purchase additional shares of the Company's common stock. Unallocated shares are collateral for the loan. Shares are released from collateral and allocated to participants when principal and interest payments are made.

Hossley Lighting Associates, Inc. Employees' Stock Ownership Plan

Notes to Financial Statements December 31, 2023 and 2022

NOTE 5: NOTE PAYABLE (Continued)

At December 31, the note payable is comprised of the following:

	2023	2022
Note payable to Hossley Holdings, Inc., payable in annual installments with an effective interest rate of 3.22% as of December 31, 2023, and maturing December 2038. This note is secured by 25,042 shares of capital stock with a fair value of \$2,897,806 at December 31, 2023.	\$ 1,658,016	\$ 1,742,997
	\$ 1,658,016	\$ 1,742,997

Aggregate annual maturities of long-term debt at December 31, 2023, are as follows:

2024	\$ 87,718
2025	90,542
2026	93,458
2027	96,467
2028	99,573
Thereafter	1,190,258
	\$ 1,658,016

Interest expense incurred and paid for the year ended December 31, 2023 was approximately \$56,000.

NOTE 6: ADMINISTRATION OF PLAN ASSETS

The Plan's assets, which consist principally of the Company's common stock, are held by the Trustee of the Plan.

Company contributions are held and managed by the Trustee, which invests cash received, interest and dividend income and makes distributions to participants. The Trustee also administers the payment of interest and principal on the loan, which is reimbursed to the Trustee through contributions as determined by the Company.

Hossley Lighting Associates, Inc. Employees' Stock Ownership Plan

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 7: TAX STATUS

The Plan obtained its latest determination letter on April 7, 2003, in which the IRS informed the Plan Sponsor that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Employer's and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting standards require the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability or disclosure in the financial statements. The Plan may be subject to audit by the IRS; however there are currently no audits for any tax periods in progress.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan investments consist primarily of the Company's common stock, which is exposed to various risks, including interest rate, market and credit risks, as well as valuation assumptions based on earnings and cash flows. Due to the level of risk associated with the investment in the common stock and to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in the value of the common stock will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 9: RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in Company common stock and has indebtedness to the Plan Sponsor. These are related party and party-in-interest transactions.

NOTE 10: SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 11, 2024, the date that the financial statements were available to be issued.
