INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Foothill Family Service 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Foothill Family Service 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Foothill Family Service 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

continued

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Foothill Family Service 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Foothill Family Service 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Foothill Family Service 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Foothill Family Service 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FOOTHILL FAMILY SERVICE 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following brief description of Foothill Family Service 403(b) Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan’s agreement for a more complete description of the Plan’s provisions.

General

The Plan is a Section 403(b) tax-deferred annuity plan covering all employees of Foothill Family Service, Inc. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

All employee contributions to the Plan are through salary reduction agreements between Foothill Family Service, Inc. and its employees. For the years ended December 31, 2023 and 2022, federal tax law limit of basic participant contributions to the plan was 100% of participant salary up to \$22,500 and \$20,500, respectively, plus a limit of \$7,500 in catch-up contributions for participants who attain the age of 50 or more by the end of a taxable year.

Employer Contributions

Effective December 31, 2014, the employer, as defined in the plan, may make matching and/or profit-sharing contributions each year. Foothill Family Service, Inc.’s matching levels are reassessed annually by the employer’s board of directors. As of, and for the year ended December 31, 2023, the employer matched 50% of the first 4% of the eligible participant’s contribution. In addition, Foothill Family Service, Inc. contributes 3% of the eligible participant’s salary.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) Foothill Family Service, Inc.’s contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Each participant has a nonforfeitable right to 100% of the value of his or her accounts.

FOOTHILL FAMILY SERVICE 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Plan Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loans fund. Loan terms vary based upon the purpose of the loan from 1-5 years for a general-purpose loan, or up to ten years for the purchase of a primary residence. Loans are secured by the balance in the participant's account and bear interest at a rate which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid quarterly by the participant.

Forfeitures

Forfeitures of employer discretionary contributions are allocated to the individual qualifying participant accounts. Forfeitures of matching contributions are applied to reduce employer contributions or administrative expenses. The forfeiture balances were \$14,567 and \$4,451, respectively, for the periods ended December 31, 2023 and 2022.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to either receive a lump-sum distribution equal to the value of his or her account, or to rollover a portion or the entire balance of the account to another retirement account.

2. Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned, and related fees are recorded as administrative expenses and expensed when incurred.

FOOTHILL FAMILY SERVICE 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statements elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relates to the element.

Concentration of Credit Risk

Financial instruments that potentially subject the Plan to concentration of credit risk consist of cash invested in money market and mutual funds. Credit risk related to these investments is limited as funds are invested in debt and equity securities of companies located in many different geographic regions and industries.

FOOTHILL FAMILY SERVICE 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date and for the period presented. Actual results may differ from those estimates.

Administrative Expenses

The costs of the plan for accounting and administration expenses are the responsibility of the Plan.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market volatility, and credit risks. Market risks include global events which could impact the value of investments securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the Statement of Net Assets Available for Benefits.

Subsequent Events

Management has evaluated subsequent events through October 10, 2024, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

3. Notes Receivable from Participants

Loans to participants are repaid semi-monthly at varying interest rates. Loans to participants outstanding at December 31, 2023 and 2022 were \$290,935 and \$298,728, respectively.

FOOTHILL FAMILY SERVICE 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

4. Information Prepared and Certified by the Custodians

No auditing procedures were performed on investments and dividend income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following summarizes the information certified by Voya Financial ("Voya") and Mutual of America Life Insurance Company ("M of A"), the custodians of the Plan, as of December 31, 2023 and 2022, respectively:

	<u>2023</u>	<u>2022</u>
Mutual funds	<u>\$20,272,672</u>	\$15,796,237
General account	<u>277,790</u>	<u>247,835</u>
	<u>\$20,550,462</u>	<u>\$16,044,072</u>
Notes receivable from participants	<u>\$290,935</u>	<u>\$298,728</u>

During the years ended December 31, 2023 and 2022, the Plan's investments (including investments bought, sold, and held during the year) appreciated (depreciated) in value by \$2,832,866 and \$(3,821,297), respectively, attributable to mutual funds.

5. Fair Value Measurements

The table below sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2023</u>				
Mutual funds

Mutual funds				
in the fair value hierarchy	<u>\$15,796,237</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$15,796,237</u>

The fair values of mutual funds in the fair value hierarchy are based on quoted net asset values of the shares held by the Plan at year-end (Level 1 inputs).

FOOTHILL FAMILY SERVICE 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

6. General Account Investments

The following table summarizes general account investments as of December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
General account - Voya	<u>\$234,220</u>	<u>\$205,534</u>

The Voya Fixed Plus Account III guarantees minimum rates of interest and may credit interest that exceeds the guaranteed minimum rates. Daily credited interest becomes part of principal and the investment increases through compound interest. All amounts invested by the plan in the Voya Fixed Plus Account III receive the same credited rate. This is known as a portfolio method of interest rate crediting.

	<u>2023</u>	<u>2022</u>
General account – M of A	<u>\$43,570</u>	<u>\$42,301</u>

The M of A general account (interest accumulation account) is comparable to a cash equivalent and therefore exempt from classification as a Level 1, 2, or 3 asset under ASU-820-10 for the following reasons: 1) there are no front-or-back end chargers, so investments in the general account are completely liquid; 2) the interest rate credited to investments in the general account is a current rate, and is not dependent upon the length of time the assets are invested with Mutual of America Life Insurance Company; 3) requests for withdrawal can be made at any time and are processed on the day that they are received; they are not dependent on the company having to liquidate securities in order to generate a payment; and 4) the value shown on the pension fund report is the redeemable value of the fund; there are no deferred sales charges, load assessments or interest rate adjustments that would affect the value as a result of a withdrawal request.

7. Related Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers and employees of Foothill Family Service, Inc. No officer or employee received compensation from the Plan for these services.

8. Plan Termination

Although it has not expressed any intent to do so, Foothill Family Service, Inc. has the right under the Plan to discontinue its contribution at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

FOOTHILL FAMILY SERVICE 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

9. Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (“the Code”). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (“IRS”). The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

October 10, 2024

To the Board of Directors
Foothill Family Service 403(b) Plan

We have audited the financial statements of Foothill Family Service 403(b) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2023, and have issued our report thereon dated October 10, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Voya Financial and Mutual of America Life Insurance Company the custodians, which are banks or similar institutions or insurance carriers that are regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express and opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 10, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Qualitative Aspects of Accounting Practices	Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.
Significant Accounting Estimates	Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

A Trusted Nonprofit Partner

Main Office: 2698 Mataro Street, Pasadena, CA 91107 Phone: 626.403.6801
www.npocpas.com

Significant Accounting Estimates , continued	• Management's estimate of the fair value of investments based on determinations made by the custodians, sponsoring such funds • Management's estimate of notes receivable from participants' loans equal to the amortized cost of the loans because the loans are secured by each respective participant's account balance
Sensitive Financial Statement Disclosures	Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were: • The disclosure of fair value measurements in Note 2 and in Note 5 to the financial statements. In order to fairly present the investments, management must continually monitor the fluctuations of the investments value and assess the validity of the measurement method when appropriate • The disclosure of information certified as complete and accurate by the custodians in Note 4 to the financial statements. No auditing procedures were performed on investments and dividend income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA The financial statement disclosures are neutral, consistent, and clear.
Form 5500 Procedures	We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.
Difficulties Encountered in Performing the Audit	We encountered no difficulties in dealing with management in performing and completing our audit.
Adjustments	Professional standards require us to accumulate all known and likely adjustments identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. No adjusting journal entries were made during the course of our audit.
Disagreements with Management	For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Consultations with Other Independent Accountants	In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Plan’s financial statements or a determination of the type of auditors’ opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.
Other Audit Findings or Issues	We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention. Review Plan Documents. As employee benefit plans become more electronic, independent reviews by Plan administrators are essential to ensure accuracy of retirement funds. We recommend management regularly review plan documents to ensure documentation reflects current practices. Review SOC Reports. During the course of our audit procedures, we noted the opinion on the 2023 SOC-1 Report for the Plan’s custodian, Mutual of America, was qualified for findings related to timely non-loan distributions and potentially inaccurate participant statements. We recommend the organization implement a formal process to regularly review SOC 1 reports from all service providers involved in the administration of its employee benefit plans. These reports are essential for assessing the effectiveness of the service providers' controls related to financial reporting, ensuring compliance with regulatory requirements, and providing assurance that the information relied upon by the organization is accurate and complete. Regular review of SOC 1 reports will help identify potential risks or control deficiencies early, allowing the organization to take proactive measures to protect the interests of plan participants and strengthen its overall control environment. Review Distributions. As employee benefit plans become more electronic, we recommend that distributions be carefully reviewed by the appropriate Plan personnel to ensure they are issued timely and properly verified. This additional oversight helps mitigate the risk of errors or unauthorized transactions, ensuring that distributions are processed in accordance with plan terms and safeguarding the interests of plan participants.

Other Matters	Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
Management Representations	We have requested certain representations from management that are included in the management representation letter dated October 10, 2024.

This information is intended solely for the use of the Board of Directors and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,
