INDEPENDENT AUDITOR'S REPORT

To the Management of
Bluegrass Hospitality Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Bluegrass Hospitality Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bluegrass Hospitality Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to be a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bluegrass Hospitality Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bluegrass Hospitality Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient

records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures including examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bluegrass Hospitality Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bluegrass Hospitality Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BLUEGRASS HOSPITALITY GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 and 2022

NOTE A - DESCRIPTION OF PLAN

The following description of the Bluegrass Hospitality Group (the Company) 401(k) Plan (the Plan) provides only general information. In May of 2011, the Company restated their plan document which included renaming the Plan from Malone's Holdings/Lexington Choice Restaurant, LLC 401(k) Plan to Bluegrass Hospitality Group 401(k) Plan. The restatement and renaming did not merge any two plans together but instead broadened the coverage of the Plan to include all related entities of Bluegrass Hospitality Group. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of the Company who are age 21 or older and have completed one year of service. One year of service is earned by working at least 1,000 hours during the 12-month period immediately following the hire date. If a participant does not work at least 1,000 hours during the 12-month period immediately following the hire date, a year of service will be earned if the participant works 1,000 hours during any Plan year beginning after the hire date. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year participants may contribute up to 100 percent of pretax annual compensation up to a maximum of \$22,500 (\$30,000 for age 50 and older) for the 2023 plan year, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions and the Company's contribution into various investment options offered by the Plan. The Company contributes 100 percent of the first three percent of base compensation that a participant contributes to the Plan plus 50 percent of the salary deferrals contributed between three percent and five percent of compensation. Non-elective contributions may be made to the Plan by the Company, although it is not required to do so.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - The Company has adopted a Safe Harbor election, therefore contributions made by the Company to participants accounts are immediately 100 percent vested. Participants are 100 percent vested on all pretax compensation contributed to the Plan.

DECEMBER 31, 2023 and 2022

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 to a maximum of 50 percent of their vested account or \$50,000. The loans are secured by the balance in the participant's account and bear a rate commensurate with local prevailing rates. Principal and interest are paid ratably through regular payroll deductions. Loans must be fully repaid through payroll deductions within five years unless the loan is used for the purchase of a primary residence. Loans used to purchase a primary residence may be repaid within 15 years.

Payment of Benefits - On termination of service due to death, disability or retirement, the fair market value of a participant's account balance is payable in a single lump sum amount, direct rollover, or periodic installments. For termination of service due to other reasons, the fair market value of the participant's account balance is payable in either a lump sum amount or direct rollover, or payment can be deferred until age 73.

Forfeitures - With the adoption of the Safe Harbor election, all participants are immediately 100 percent vested in both employee and employer contributions. Therefore, no forfeitures are held by the Plan.

Administrative Expenses - Administrative expenses other than direct investment fees are absorbed by the Company. Any such expenses pertaining to third-party administration have been reflected in the financial statements as administrative expenses.

Excess Contributions Payable - Amounts payable to participants totaling \$501 and \$3,000, for 2023 and 2022 respectively, for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to 2023 and 2022 contributions.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Date of Management's Review - Subsequent events were evaluated through October 9, 2024, which is the date the financial statements were available to be issued.

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the contract value of the investment contract.

BLUEGRASS HOSPITALITY GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 and 2022

NOTE B - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

The Statement of Changes in Net Assets Available for Benefits is prepared using contract value for the fully benefit-responsive investment contract.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded when paid by the investment. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023, and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTE C - FAIR VALUE OF INVESTMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs

BLUEGRASS HOSPITALITY GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 and 2022

NOTE C - FAIR VALUE OF INVESTMENTS (CONTINUED)

consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stocks, corporate bonds, and U.S. Government securities are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the assets or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE E - CERTIFIED INFORMATION

The Plan's investments are held by Lincoln National Life Insurance Company, the Plan trustee. The following table presents details of the marketable investments which have been certified as being complete and accurate by Lincoln National Life Insurance Company and Reliance Trust Company as of December 31, 2023 and 2022.

Per Transamerica Financial Life Insurance Company's certified information, separate sub-accounts of each investment option are maintained for each participant electing such option. Accordingly, Transamerica Financial Life Insurance Company does not account for dividends separate from unrealized gain or loss and no separate dividend income information is made available for the Plan.

NOTE F - TAX STATUS

The Company has adopted the Volume Submitter Profit Sharing Plan with CODA. The Internal Revenue Service has streamlined the determination letter program so that most retirement plans using prototype documents do not need to file for a determination letter to have reliance that their plan satisfies the Internal Revenue Code. The Company received its latest letter of opinion for the Prototype Plan dated June 30, 2020. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable Internal Revenue Code requirements.

BLUEGRASS HOSPITALITY GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 and 2022

NOTE F - TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H - RELATED PARTY TRANSACTIONS

During 2023 and 2022, the Plan invested in shares of a fully benefit responsive account and shares of mutual funds managed by Transamerica Financial Life Insurance Company, which is a related party to the trustee. Therefore, these transactions qualify as party-in-interest transactions. Trustee fees are paid by the Company other than immaterial administrative fees. In addition, the Plan issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

NOTE I - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2023, the Plan entered into a fully benefit-responsive guaranteed investment contract with Lincoln National Life Insurance Company. Lincoln National maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value.

Contract value, as reported to the Plan by Lincoln National, represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

BLUEGRASS HOSPITALITY GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 and 2022

NOTE I - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2023 was \$6,017. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1.00%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Lincoln Financial. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

NOTE J - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31, 2023 and 2022:
