INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
B & K Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of B & K Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

1. The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

2. The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

1. Exercise professional judgment and maintain professional skepticism throughout the audit.
2. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
3. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
4. Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
5. Conclude whether, in our judgment, that there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule Of Assets (Held At End Of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

1. The form and content of the supplemental schedules, other than the information in the supplemental schedules that is agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
2. The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

B & K RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following brief description of the B & K Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution 401(k) and profit sharing plan established for the benefit of the employees of the following companies: Byrnes & Kiefer Company and it’s wholly owned subsidiary, Charlie’s Specialties, Inc., located in Pennsylvania; Chefmaster, located in California; and Carolina Cookie Company, located in North Carolina (the “Companies”). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provision of the Internal Revenue Code (“IRC”) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

During January 2023, operations were discontinued at Byrnes & Kiefer Company and it’s wholly owned subsidiary Charlie’s Specialties, Inc.

ELIGIBILITY

Employees, with the exception of union employees and nonresident aliens, are eligible to participate in the Plan upon attaining 18 years of age and having completed 30 days of service. Employees can begin participation on the first day of the next month coinciding with or immediately following the employee meeting the eligibility requirements.

CONTRIBUTIONS

Eligible employees may contribute pre-tax annual compensation as defined in the Plan document up to the maximum amount allowed by the IRC. Effective July 26, 2019, the Plan was amended to allow employees to designate all or a portion of their elective deferrals as after-tax elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Companies contribute a matching contribution equal to 40% of the amount of each participant’s deferral, up to 4% of compensation. Additionally, profit sharing contributions may be made at the discretion of the Companies. There were no profit sharing contributions made during the years ended December 31, 2023 and 2022.

Participants may rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain limitations.

PARTICIPANT ACCOUNTS

Each participant's account is credited with (a) the participant's contribution, (b) the Companies' contributions, (c) Plan earnings, and reduced by (a) participant's withdrawals, and (b) an allocation of administrative expenses. Allocations to individual participant accounts are based upon unit values at specified valuation dates. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions and rollover contributions as defined by the Plan document plus actual earnings thereon. Vesting in the Companies' contributions portion of their accounts is based on years of continuous service. A participant is fully vested after six years of credited service.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Borrowings are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid through payroll deductions. Terms range from one to five years or greater for the purchase of a primary residence.

PAYMENT OF BENEFITS

On termination of service due to death, disability, retirement or other reasons, the participant or beneficiary may receive a lump-sum amount equal to the value of the participant's vested interest in their account, periodic cash payments, or a rollover to another qualified plan. In addition, the Plan allows for hardship distributions if certain criteria are met. Withdrawals of a participant's 100% vested account balance may be distributed prior to termination of employment at any time after the participant attains age 59 ½.

FORFEITED ACCOUNTS

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account represents a forfeiture. Forfeitures may be used to reduce the Plan's expenses or offset future employer contributions. As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$598 and \$10,002, respectively. Forfeited nonvested accounts in the amount of \$119 and \$22,705 were used for the years ended December 31, 2023 and 2022, respectively, to reduce employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements of the Plan are presented under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in accordance with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

ADMINISTRATIVE EXPENSES

Except for loan origination fees associated with notes receivable from participants and withdrawal fees associated with benefit payments, all expenses of maintaining the Plan are paid by the Company.

RECLASSIFICATIONS

For comparability, the 2022 financial statements contain reclassifications to conform to the 2023 presentation.

SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 14, 2024, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The Plan measures its investments at fair value on a recurring basis in accordance with U.S. GAAP. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The framework that authoritative guidance establishes for measuring fair value includes a hierarchy used to classify the inputs used in measuring fair value. The hierarchy prioritizes the inputs used in determining valuations into three levels.

The levels of the fair value hierarchy are as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible to the Plan for identical assets. These generally provide the most reliable evidence and are used to measure fair value whenever applicable.

Level 2 – Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted market prices in active markets for similar assets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs.

Level 3 – Inputs to the valuation methodology are unobservable inputs and significant to the fair value measurement.

B & K RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

- Investments measured at net asset value ("NAV"): Pooled separate accounts are valued based upon the units of the pooled separate accounts held by the Plan at year end times the respective unit value. The NAV is based on the fair value of the underlying investments held by the accounts less liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. The pooled separate accounts invest mainly in designated mutual funds or, in some cases, collective investment trusts.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	Investments at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ -	\$ -	\$ -	\$ -
Total assets in the fair value hierarchy	-	-	-	-
Investments measured at net asset value (a)	-	-	-	4,343,181
Total investments at fair value	\$ -	\$ -	\$ -	\$ 4,343,181
	Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ -	\$ -	\$ -	\$ -
Total assets in the fair value hierarchy	-	-	-	-
Investments measured at net asset value (a)	-	-	-	4,517,191
Total investments at fair value	\$ -	\$ -	\$ -	\$ 4,517,191

(a) In accordance with Topic 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's assets are administered under a contract with John Hancock Life Insurance Company (U.S.A.) (the "Custodian"), a party-in-interest as defined by ERISA. Contributions are held and managed by the Custodian, who invests cash received. The Custodian invests investment income and makes distributions. Administrative expenses of the Custodian are paid by the Companies.

Certain administrative functions are performed by officers and employees of the Companies. No such officer or employee receives compensation from the Plan.

5. TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Companies by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Companies have taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

6. INFORMATION CERTIFIED BY CUSTODIAN

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2502.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA for 2023 and 2022. Accordingly, the Custodian of the Plan has certified to the completeness and accuracy of all investments reported in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, and the supplemental schedule of Schedule H, Line 4i – Schedule Of Assets (Held At End Of Year) as of December 31, 2023, and the related investment activity reported in the statement of changes in net assets available for benefits for the year then ended. The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

7. DELINQUENT PARTICIPANT CONTRIBUTIONS

For the year ended December 31, 2023, the Companies did not remit a number of participant contributions to the Plan on a timely basis as defined by the DOL's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances are identified on the schedule of delinquent participant contributions.

During 2024, the Plan Sponsor took corrective action upon discovery of this issue. The Company calculated the lost earnings from the delinquent contributions and credited the account of each affected participant.

New policies have since been implemented to ensure timely deposits for future participant contributions.

9. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in various combinations of investment funds. Investment funds are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
