To the Plan Trustees
Bellevue Club Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Bellevue Club Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022, and the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Seattle, Washington, 98101-3216
(206) 682-9200
FAX (206) 292-9272
www.hkpseattle.com

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, line 4i – Schedule of Assets (Held at End of Year) and Schedule H, line 4a – Schedule of Delinquent Participant Contributions, as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Bellevue Club Savings Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF PLAN

The following description of the Bellevue Club Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a qualified defined contribution plan established on January 1, 1993. The Plan covers all employees of Pacific Recreation Associates dba Bellevue Club (the Company) who are not in an ineligible class, as defined by the Plan. The Company is also the plan sponsor and plan administrator.

Effective January 1, 2022, the Plan was amended and restated to comply with current regulations and to remain qualified as a tax-exempt Plan. General operating provisions of the Plan were not modified with respect to this amendment.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Eligibility

Employees are eligible to participate after they have attained the age of 18 and completed the necessary service requirements. The service requirement allows participation after an employee completes 240 hours of service within a two-month period, assuming they satisfy the age requirement. If this service requirement is not satisfied, service eligibility reverts to one year of service in which the employee worked at least 1,000 hours.

c. Contributions

Each year, participants may elect to contribute up to 100% of eligible compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions may be made on either a pre-tax or after-tax (Roth) basis. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

All eligible employees are automatically enrolled to contribute 3% of eligible compensation in the Plan unless they elect not to participate. Additionally, the Plan includes an escalation clause, which increases the initial automatic enrollment rate of 3% by 1% each January 1 after initial entry until reaching a maximum of 6%.

The Plan permits the Company to make matching contributions at the discretion of its Board of Directors. During the year ended December 31, 2023, the Company made matching contributions equal to 50% of participant deferrals up to the first 6% of eligible compensation.

The Plan also permits the Company to make profit sharing contributions at the discretion of its Board of Directors. For the year ended December 31, 2023, the Company elected not to make any discretionary profit sharing contributions.

1. DESCRIPTION OF PLAN, (Continued)

c. Contributions, (Continued)

Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. Participants may change their investment elections as often as permitted under the Plan and the investment vehicles they choose.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

d. Participant accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as an allocation of the Company's profit sharing contribution, if any and plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

e. Vesting

Participants are fully vested in their salary deferral contributions plus actual earnings or losses thereon.

Vesting in any Company discretionary contributions plus actual earnings or losses thereon is in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Upon death, disability, or reaching normal retirement age (65 years old), participants become fully vested in all account balances.

1. DESCRIPTION OF PLAN, (Continued)

f. Notes receivable from participants

Participants may borrow from their account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 2%. Loan terms may not exceed five years, except for loans used to purchase a primary residence. The maximum term for a loan used to purchase a primary residence is 30 years. Loans are repaid through payroll deductions; however, the participant may repay the loan at any time. Loans are considered delinquent if not paid at the end of the quarter following the quarter the loan payment was due.

g. Payment of benefits

Upon termination of service, death, disability or retirement, a participant or the stated beneficiary shall become entitled to the vested portion of their account as soon as administratively feasible.

If the participant's account balance is over \$5,000, then the distribution will be paid either in a lump-sum payment or by rollover to a qualified plan, at the participant's direction.

If the participant's account balance is under \$5,000, then the benefit will be paid out in a lump-sum distribution at the Company's discretion.

Participants may also withdraw funds from their account in the event of financial hardships as defined in the Plan Agreement.

h. Forfeited accounts

Forfeitures of terminated participants' nonvested accounts are maintained in a separate account under the Plan. These accounts can be used to reduce future employer contributions or administrative expenses of the Plan.

At December 31, 2023 and 2022, forfeited nonvested account balances were \$83,688 and \$31,169, respectively. During the year ended December 31, 2023, the Plan used \$26,490 from forfeited nonvested accounts to reduce administrative expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Bellevue Club Savings Plan
Notes to Financial Statements, Continued

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (Continued)

b. Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

c. Investment valuation and income recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

e. Payment of benefits

Benefits are recorded when paid.

f. Administrative expenses

Transaction based fees are charged directly to participants' accounts. Certain administrative expenses are paid directly by the Company and are excluded from these financial statements. Administrative expenses not paid by the Company are charged to participants' accounts and apportioned based upon their relative account values. Investment-related expenses are included in net appreciation of fair value of investments.

g. Date of the Plan's review

The Plan has evaluated subsequent events through October 2, 2024, the date the financial statements were available to be issued.

3. CUSTODIANS CERTIFICATIONS UNDER ERISA SECTION 103(a)(3)(C)

The plan sponsor has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the auditors' examination did not extend to the following investment information certified by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the custodians, as complete and accurate:

- Investments
- Notes receivable from participants
- Net appreciation in fair value of mutual funds
- Interest and dividends
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

4. FAIR VALUE MEASUREMENTS, (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,500,984	-	-	10,500,984
Total investments at fair value	<u>\$ 10,500,984</u>	<u>-</u>	<u>-</u>	<u>10,500,984</u>

December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,570,607	-	-	8,570,607
Total investments at fair value	<u>\$ 8,570,607</u>	<u>-</u>	<u>-</u>	<u>8,570,607</u>

5. GUARANTEED PORTFOLIO FUND

The Plan has a fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America (Empower). Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The crediting rate is reviewed on a quarterly basis for resetting. The average yield and crediting interest rates were 1.23% and 0.93% for the years ended December 31, 2023 and 2022, respectively. The guaranteed portfolio fund does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria in accordance with Accounting Standards Update 2015-12 and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

5. GUARANTEED PORTFOLIO FUND, (Continued)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code (IRC) or the failure of the trust to be tax-exempt under Section 501(a) of the IRC.
- Premature termination of the contract.
- Plan termination or merger.
- Changes to the Plan's prohibition on competing investment options.
- Bankruptcy of the plan sponsor or other plan sponsor events (e.g., divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

Management believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines.
- A breach of material obligation under the contract.
- A material misrepresentation.
- A material amendment to the agreement, with the consent of the issuer.

Management believes that no such termination events are probable of occurring.

6. PARTY-IN-INTEREST TRANSACTIONS

The Plan offers various investment options managed and held by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the custodians, as defined by the Plan. These investments and related transactions are recognized as exempt party-in-interest transactions under ERISA.

For the year ended December 31, 2023, the Plan paid \$51,953 to various service providers for certain expenses related to recordkeeping, investment management, and investment advisory duties. These expenses are recognized as exempt party-in-interest transactions under ERISA.

Bellevue Club Savings Plan
Notes to Financial Statements, Continued

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their accounts.

8. TAX STATUS

The Plan utilizes a prototype volume submitter profit sharing plan administered by CCH Incorporated. The prototype plan obtained a determination letter dated June 30, 2020 from the IRS, which states that the Plan, as designed, complied with applicable requirements of the IRC and accordingly, was exempt from federal income tax. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any taxing periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

10. PROHIBITED TRANSACTIONS

During 2022, participant contributions totaling \$1,115 were not remitted to the Plan's custodian within the period prescribed by DOL regulations constituting late contributions. These late contributions were considered nonexempt party-in-interest transactions, however, they did not affect the tax status of the Plan.

During 2024, the Company is expected to make a correcting payment to the Plan in the amount noted above. In addition, participants were compensated for lost interest and earnings.
