INDEPENDENT AUDITORS' REPORT

To the plan administrators of
SIS 401(k) Plan
Culver City, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of SIS 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4(i) - Schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SIS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the SIS 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan, established on January 1, 2008, covering the employees of Security Industry Specialists, Inc. (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and subsequent amendments. The Company is the plan sponsor and serves as the plan administrator and is responsible for oversight of the Plan as well as determining the appropriateness of the Plan’s investment offerings and monitoring of investment performance. Fidelity Management Trust Company serves as the Plan’s trustee (“Trustee”) and Fidelity Workplace Services LLC as the record-keeper.

Eligibility

Employees of the Company are eligible to participate in the Plan after completing 1 year of service and at least 1,000 hours of service during the eligibility computation period, as defined in the Plan document. The Plan entry dates are the first of the month immediately following the date the employee satisfies the service requirements.

Contributions

Each year, participants may contribute 1% - 90% of their pre-tax eligible compensation, as defined by the Plan agreement, in an amount not in excess of the maximum allowed by the Internal Revenue Code (“IRC”). A participant may designate all or part of their elective contribution as a Roth, after-tax basis, contribution. Participants who have reached age 50 as of the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (“rollovers”) from other qualified plans.

Upon the participant’s eligibility, the participant is automatically enrolled in the Plan with an automatic deferral set at 4% of compensation on a pre-tax basis, unless the participant makes a contrary election. Those who are automatically enrolled will have their deferral contribution rate increased by 1% each year until it reaches a maximum of 8% of compensation, unless elected otherwise.

The Company, at its discretion, may make matching contributions each Plan year equal to a discretionary percentage of the participant’s eligible compensation contributed to the Plan. The Company matched 10% of the participant’s elective deferrals for participants employed as of December 31, 2023. The employer contributions for the year ended December 31, 2023 amounted to \$755,511 which is included in employer contributions receivable at December 31, 2023.

SIS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Contributions (continued)

In addition, the Company may make qualified non-elective contributions (“QNEC”). A QNEC is a discretionary, fully vested contribution. The Company may direct that QNECs be allocated specifically to designated non-highly compensated employees in varying percentages of compensation as permitted by law.

Participant accounts

Each participant’s account is credited with the participant’s contributions, rollover contributions, the Company’s contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which the participant is entitled is the benefit that can be provided from the participant’s vested account. Each participant directs the investment of their accounts to any of the investment options available under the Plan.

Vesting

Participants are vested immediately in their elective contributions, rollovers, and QNEC, plus actual earnings thereon. Vesting in the Company contribution portion of the participant’s account is based on elapsed years of service. A participant may only be credited one year of elapsed service per calendar year and must have 1,000 hours of service during the eligibility computation period, as defined in the Plan document. A participant is fully vested after six years of elapsed years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

A participant is entitled to 100% of their balance upon retirement, death, or disability.

SIS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms shall not exceed five years, unless the loan is for the purchase of a primary residence, in which case the plan administrator may permit a longer repayment term not to exceed ten years. The loans are secured by the balance in the participant's account. Loans outstanding at December 31, 2023 bore interest at rates ranging from 4.25% to 9.50% and loans outstanding at December 31, 2022 bore interest at rates ranging from 4.25% to 8.00% per annum. Loans outstanding at December 31, 2023 mature through March 2033. Principal and interest are generally paid through payroll deductions.

Payment of benefits

On termination of service due to death, disability, retirement, or for other reasons specified by the Plan document, a participant (or beneficiary) may elect to receive a single lump-sum payment of the value of their account. Normal retirement age is 65. In-service distributions are also permitted after age 59½, and upon meeting certain requirements as defined by the Plan document. The plan sponsor may periodically distribute the funds of terminated participants who do not make a distribution election; however, participant consent is required for distributions where the vested account balance exceeds \$5,000.

Hardship withdrawals

A participant may be permitted to withdraw a portion or all of the balances of their individual account that is attributable to the participant's pre-tax deferral contributions (without earnings), Roth deferral contributions (without earnings), profit sharing and matching contributions for the reasons specified by and to the extent permitted under regulations issued by the Internal Revenue Service ("IRS").

Forfeited accounts

Forfeited balances of terminated participants' non-vested accounts are used first to restore rehired participant's previous forfeitures, and then may be used to pay Plan expenses or reduce future Company contributions. Unallocated forfeitures at December 31, 2023 and 2022 amounted to \$94,908 and \$39,584, respectively.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation or depreciation in fair value of investments includes the Plan’s gains and losses in investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of benefits

Benefits are recorded when paid.

Plan expenses

The Plan permits the payment of Plan expenses to be made from the Plan’s assets. Certain administrative expenses of maintaining the Plan may be paid directly by the Company, which is a party-in-interest. These expenses are not reflected in the financial statements and constitute exempt party-in-interest transactions under ERISA.

SIS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Excess contributions payable

Excess contributions payable represents amounts refunded to participants after year-end to comply with regulatory and Plan contribution limitations.

NOTE 3 - INVESTMENTS

The Plan assets were held by the Trustee, pursuant to the trustee agreement which provides all funds received by the Trustee shall be held, administered, invested and distributed by the Trustee, and that no part of the corpus or income shall be used for or directed to, purposes other than for the exclusive benefit of participants or their beneficiaries.

In the Statement of Changes in Net Assets Available for Benefits, the Plan presents the net appreciation in the fair value of investments of \$5,710,032, which consists of realized gains or losses, and unrealized market value changes of investments.

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA for 2023 and 2022. Accordingly, Fidelity Management Trust Company, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022 and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

SIS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 43,875,924</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 43,875,924</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 34,431,411</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 34,431,411</u>

NOTE 6 - PARTIAL PLAN TERMINATION

As a result of a reduction of the Company's workforce in 2023, the Plan experienced a partial plan termination as defined by ERISA. Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the Company. If a partial plan termination occurs, full vesting in the employer contributions is required for the affected participants, but the remaining participants' vesting continues to be determined per the Plan provisions. All affected employees who were participants in the Plan were fully vested in their account balances at the date of termination.

NOTE 7 - PLAN TERMINATION

Although it is currently the intent of the Company to continue the Plan, the Company has the right under the Plan agreement to discontinue its contributions at any time or to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

SIS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 8 - TAX STATUS

The Plan document is a non-standardized pre-approved, profit-sharing plan that received a favorable opinion letter from the IRS on June 30, 2020, which stated that the Plan was in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment instruments, including mutual funds. Investment instruments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Plan investments are managed by the Trustee. Transactions with the Trustee qualify as exempt party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.

Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. The administrative fees paid by the Plan include account fees which are charged to participants, and third-party fees for plan administration. Investment management fees and expenses paid to parties-in-interest are reflected as a reduction in the investment returns of the individual investments held by the Plan and reflect party-in-interest transactions.

INDEPENDENT AUDITORS' REPORT

To the plan administrators of
SIS 401(k) Plan
Culver City, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of SIS 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4(i) - Schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SIS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the SIS 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan, established on January 1, 2008, covering the employees of Security Industry Specialists, Inc. (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and subsequent amendments. The Company is the plan sponsor and serves as the plan administrator and is responsible for oversight of the Plan as well as determining the appropriateness of the Plan’s investment offerings and monitoring of investment performance. Fidelity Management Trust Company serves as the Plan’s trustee (“Trustee”) and Fidelity Workplace Services LLC as the record-keeper.

Eligibility

Employees of the Company are eligible to participate in the Plan after completing 1 year of service and at least 1,000 hours of service during the eligibility computation period, as defined in the Plan document. The Plan entry dates are the first of the month immediately following the date the employee satisfies the service requirements.

Contributions

Each year, participants may contribute 1% - 90% of their pre-tax eligible compensation, as defined by the Plan agreement, in an amount not in excess of the maximum allowed by the Internal Revenue Code (“IRC”). A participant may designate all or part of their elective contribution as a Roth, after-tax basis, contribution. Participants who have reached age 50 as of the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (“rollovers”) from other qualified plans.

Upon the participant’s eligibility, the participant is automatically enrolled in the Plan with an automatic deferral set at 4% of compensation on a pre-tax basis, unless the participant makes a contrary election. Those who are automatically enrolled will have their deferral contribution rate increased by 1% each year until it reaches a maximum of 8% of compensation, unless elected otherwise.

The Company, at its discretion, may make matching contributions each Plan year equal to a discretionary percentage of the participant’s eligible compensation contributed to the Plan. The Company matched 10% of the participant’s elective deferrals for participants employed as of December 31, 2023. The employer contributions for the year ended December 31, 2023 amounted to \$755,511 which is included in employer contributions receivable at December 31, 2023.

SIS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Contributions (continued)

In addition, the Company may make qualified non-elective contributions ("QNEC"). A QNEC is a discretionary, fully vested contribution. The Company may direct that QNECs be allocated specifically to designated non-highly compensated employees in varying percentages of compensation as permitted by law.

Participant accounts

Each participant's account is credited with the participant's contributions, rollover contributions, the Company's contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of their accounts to any of the investment options available under the Plan.

Vesting

Participants are vested immediately in their elective contributions, rollovers, and QNEC, plus actual earnings thereon. Vesting in the Company contribution portion of the participant's account is based on elapsed years of service. A participant may only be credited one year of elapsed service per calendar year and must have 1,000 hours of service during the eligibility computation period, as defined in the Plan document. A participant is fully vested after six years of elapsed years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

A participant is entitled to 100% of their balance upon retirement, death, or disability.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms shall not exceed five years, unless the loan is for the purchase of a primary residence, in which case the plan administrator may permit a longer repayment term not to exceed ten years. The loans are secured by the balance in the participant's account. Loans outstanding at December 31, 2023 bore interest at rates ranging from 4.25% to 9.50% and loans outstanding at December 31, 2022 bore interest at rates ranging from 4.25% to 8.00% per annum. Loans outstanding at December 31, 2023 mature through March 2033. Principal and interest are generally paid through payroll deductions.

Payment of benefits

On termination of service due to death, disability, retirement, or for other reasons specified by the Plan document, a participant (or beneficiary) may elect to receive a single lump-sum payment of the value of their account. Normal retirement age is 65. In-service distributions are also permitted after age 59½, and upon meeting certain requirements as defined by the Plan document. The plan sponsor may periodically distribute the funds of terminated participants who do not make a distribution election; however, participant consent is required for distributions where the vested account balance exceeds \$5,000.

Hardship withdrawals

A participant may be permitted to withdraw a portion or all of the balances of their individual account that is attributable to the participant's pre-tax deferral contributions (without earnings), Roth deferral contributions (without earnings), profit sharing and matching contributions for the reasons specified by and to the extent permitted under regulations issued by the Internal Revenue Service ("IRS").

Forfeited accounts

Forfeited balances of terminated participants' non-vested accounts are used first to restore rehired participant's previous forfeitures, and then may be used to pay Plan expenses or reduce future Company contributions. Unallocated forfeitures at December 31, 2023 and 2022 amounted to \$94,908 and \$39,584, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation or depreciation in fair value of investments includes the Plan’s gains and losses in investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of benefits

Benefits are recorded when paid.

Plan expenses

The Plan permits the payment of Plan expenses to be made from the Plan’s assets. Certain administrative expenses of maintaining the Plan may be paid directly by the Company, which is a party-in-interest. These expenses are not reflected in the financial statements and constitute exempt party-in-interest transactions under ERISA.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Excess contributions payable

Excess contributions payable represents amounts refunded to participants after year-end to comply with regulatory and Plan contribution limitations.

NOTE 3 - INVESTMENTS

The Plan assets were held by the Trustee, pursuant to the trustee agreement which provides all funds received by the Trustee shall be held, administered, invested and distributed by the Trustee, and that no part of the corpus or income shall be used for or directed to, purposes other than for the exclusive benefit of participants or their beneficiaries.

In the Statement of Changes in Net Assets Available for Benefits, the Plan presents the net appreciation in the fair value of investments of \$5,710,032, which consists of realized gains or losses, and unrealized market value changes of investments.

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA for 2023 and 2022. Accordingly, Fidelity Management Trust Company, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022 and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 43,875,924</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 43,875,924</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 34,431,411</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 34,431,411</u>

NOTE 6 - PARTIAL PLAN TERMINATION

As a result of a reduction of the Company's workforce in 2023, the Plan experienced a partial plan termination as defined by ERISA. Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the Company. If a partial plan termination occurs, full vesting in the employer contributions is required for the affected participants, but the remaining participants' vesting continues to be determined per the Plan provisions. All affected employees who were participants in the Plan were fully vested in their account balances at the date of termination.

NOTE 7 - PLAN TERMINATION

Although it is currently the intent of the Company to continue the Plan, the Company has the right under the Plan agreement to discontinue its contributions at any time or to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

NOTE 8 - TAX STATUS

The Plan document is a non-standardized pre-approved, profit-sharing plan that received a favorable opinion letter from the IRS on June 30, 2020, which stated that the Plan was in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment instruments, including mutual funds. Investment instruments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Plan investments are managed by the Trustee. Transactions with the Trustee qualify as exempt party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.

Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. The administrative fees paid by the Plan include account fees which are charged to participants, and third-party fees for plan administration. Investment management fees and expenses paid to parties-in-interest are reflected as a reduction in the investment returns of the individual investments held by the Plan and reflect party-in-interest transactions.
