INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Plan Trustees
of The 401(k) Profit Sharing Plan of World Wide Movers, Inc.
Edmonds, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of The 401(k) Profit Sharing Plan of World Wide Movers, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE 401(k) PROFIT SHARING PLAN OF WORLD WIDE MOVERS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN

The following description of The 401(k) Profit Sharing Plan of World Wide Movers, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's Provisions.

General

The Plan was amended and restated with an effective date of January 1, 2021, and is a defined contribution plan covering substantially all eligible employees of World Wide Movers, Inc. and affiliates (the Company): Mitchell Overseas Movers, Inc., Trans-World Moving Systems, Inc., Alaska Transfer and Storage, Inc., World Wide Moving and Storage, Inc., World Wide Movers of Washington, Inc., and World Wide Movers, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Trustees are responsible for oversight of the Plan, which includes determining the appropriateness of the Plan's investment offerings, monitoring investment performance, and reporting to the Company's Board of Directors.

On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as "SECURE 2.0". These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting in 2023 and forward. Since the provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect.

Eligibility

Employees of the Company are eligible to participate in the elective deferral and employer contribution components of the Plan after reaching age 18 and completing one year of service. Employees whose employment is governed by a collective bargaining agreement, nonresident aliens, leased employees and independent contractors are not eligible to participate in the Plan. To participate in the profit-sharing component of the Plan, the employee must complete one year of service and be employed by the Company on the last day of the Plan year. A year of service is defined as the employee completing at least 1,000 hours of service. Employees may enter the Plan on the first day of the quarter following their eligibility, if employed on that date, in order to participate in the employee deferrals and employer matching, and may enter the first day of the Plan year for employer non-elective profit-sharing contributions.

Contributions

Participants – Each year, participants may contribute pretax up to 100 percent of their eligible compensation, as defined by the Plan, and subject to certain Internal Revenue Service (IRS) limitations. Contributions are made as traditional 401(k) deferrals, as the Plan does not have a Roth option. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, subject to certain IRS limitations.

Employer discretionary matching – The Company may make discretionary matching contributions, based on a participant's elective deferrals, in a percentage determined by the Company's Board of Directors each year. There was no matching contribution for the year ended December 31, 2023.

THE 401(k) PROFIT SHARING PLAN OF WORLD WIDE MOVERS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (continued)

Employer discretionary non-elective profit-sharing – The Company may make a discretionary non-elective profit-sharing contribution, at the option of the Company's board of directors. The contribution is allocated under a two-step formula. First, the contribution is allocated proportionately to active participants based on compensation in excess of the social security wage base to total excess compensation, not to exceed the federal social security tax rate in effect at the beginning of the year. Second, the balance of the contribution is allocated to active participants based on total proportionate eligible compensation. The total profit-sharing contribution was \$215,000 for the year ended December 31, 2023. The contribution, if any, is paid once a year, subsequent to year-end.

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions, allocations of the Company's discretionary matching and non-elective profit-sharing contributions, if any, and Plan earnings. Participant accounts are charged with withdrawals, an allocation of investment losses, and administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct the investment of their and the Company's contributions into various investment options offered by the Plan. Participants may move portions of their accounts between investment options at any time.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account, and bear interest at the prime rate plus 1 percent, as determined by the Plan administrator. The maximum loan term is five years unless the loan term qualifies as a home loan, in which case the Plan administrator may permit a longer repayment term. No more than one loan can be initiated by any participant at any given time. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are vested immediately in their deferral contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts is based on years of continuous service. A participant is generally 100 percent vested in employer discretionary matching and employer discretionary non-elective profit-sharing contributions after six years of credited service.

Payment of Benefits

On termination due to any reason, a participant or the participant's beneficiary upon their consent will receive a lump sum amount or installment payments equal to the value of the participant's vested interest in his or her account, provided their vested account balance is in excess of \$5,000. Without the participant's consent, vested benefits greater than \$1,000 (but less than \$5,000) will be automatically distributed to an Individual Retirement Account (IRA), and participants with a vested account balance equal to \$1,000 or less upon termination of employment will receive the value of the vested interest in his or her account as a lump sum distribution.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits (continued)

In-service and hardship withdrawals of the participants' contributions are permitted by the Plan. Hardship withdrawals must be approved by the Plan administrator and are available from all money types that are 100% vested, including earnings.

Forfeitures

Forfeitures of non-vested account balances are used to pay administrative expenses under the Plan or allocated to eligible participants' accounts based on proportionate current year annual compensation. Forfeited non-vested accounts totaled \$22,071 and \$13,699 at December 31, 2023 and 2022, respectively. Also, in 2023, \$7,978 was allocated to the participants from forfeited non-vested accounts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator and Company's management determine the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Contributions

Contributions from participants are recorded as they are withheld from the participant's wages.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Subsequent Events

The Plan has evaluated subsequent events through September 10, 2024, the date the financial statements were available to be issued.

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds:

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,265,032	\$ -	\$ -	\$ 12,265,032
Investments, at fair value	\$ 12,265,032	\$ -	\$ -	\$ 12,265,032

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,934,307	\$ -	\$ -	\$ 11,934,307
Investments, at fair value	\$ 11,934,307	\$ -	\$ -	\$ 11,934,307

NOTE 4 CERTIFIED INVESTMENTS

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including the fair value of investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest and dividend income for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank (the custodian of the Plan). The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing the information with the information included in the financial statements and supplemental schedule.

NOTE 5 RELATED PARTIES AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by the custodian as defined by the Plan, and therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. These transactions qualify as exempt party-in-interest transactions.

Loans to participants also qualify as party-in-interest transactions.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7 TAX STATUS

Effective January 1, 2021, the Plan adopted a Non-Standardized Pre-Approved Profit Sharing / Money Purchase / CODA. Eisenhower Carlson PLLC, the sponsor of this prototype plan, obtained its latest IRS opinion letter on June 30, 2020, in which the IRS stated that the form of the Plan, as then designed was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISKS, UNCERTAINTIES, AND CONCENTRATIONS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

At December 31, 2023, approximately 37 percent and 25 percent of the Plan's investments were invested in the Vanguard Life Strategy Moderate Growth fund and Vanguard Life Strategy Growth fund, respectively.
