INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Soundcloud 401(k) Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Soundcloud 401(k) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Information Required by ERISA

The supplementary information, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplementary information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplementary information, other than the information in the supplementary information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the supplementary information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Soundcloud 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A - DESCRIPTION OF PLAN

The following description of Soundcloud 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering substantially all employees of Soundcloud Inc. (the "Company"). There is no age or service requirement to enter the Plan and employees can enter the Plan on the first day of the next month after their hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

2. Contributions

Each year, participants may contribute pre-tax and post-tax annual compensation as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common collective trusts as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in the default investment fund selected by the Company until changed by the participant. The Company contributes a matching contribution of 100% of employee contributions up to 3% of eligible compensation, and there is no service requirement to receive employer matching contributions. Effective January 1, 2022, the Company removed a \$1,000 lifetime employer match contribution limit that was previously in place. Additional profit sharing contributions are made at the discretion of the Company. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

3. Participant accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Soundcloud 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A - DESCRIPTION OF PLAN (continued)

4. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on continuous service. A participant becomes fully vested after one year of service.

5. Payment of benefits

A participant is eligible to receive in-service benefit payments of the vested portion of their account upon reaching age 59 ½. On termination of service due to death, disability, termination or retirement, a participant may elect to receive a lump-sum amount up equal to the value of the participant's vested interest in his or her account, or annual installments over a specified period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

6. Forfeitures

When a participant terminates employment with the Company while partially vested, the non-vested portion of their Plan account is forfeited. Forfeitures of employer contributions are to be used to pay administrative expenses, reduce the Employer's future contribution or reallocated to participants. The balance of unallocated forfeitures at December 31, 2023 and 2022 were \$38,295 and \$12,863, respectively. Also, in 2023, forfeited non-vested accounts of \$17,030 were used to pay plan expenses.

7. Notes receivable from participants, net

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the vested balance in the participant's account and bear interest rates commensurate with local prevailing rates as determined by the Plan administrator. The interest rate for current notes is based on prime plus 2% at the note inception date. Principal and interest is paid ratably through payroll deductions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of accounting

The Plan's financial statements are prepared under the accrual basis of accounting.

2. Investments, valuation, and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See fair value measurements disclosure.

Soundcloud 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

2. Investments, valuation, and income recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America ("GAAP") requires management and the Plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

4. Payments of benefits

Benefits are recorded when paid.

5. Notes receivable from participants, net

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the participant's account and are included as administrative expenses when incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, an allowance is recorded for the balance of the defaulted loan and the loan is recorded as a deemed distribution and a Form 1099 is issued to the participant. The defaulted loan is removed from the Plan assets upon the occurrence of a distributable event.

The following represents notes receivable from participants as of December 31,

	2023	2022
Notes receivable from participants	\$ 56,665	\$ 32,568
Allowance for notes	(25,961)	(5,020)
Notes receivable from participants, net	<u>\$ 30,704</u>	<u>\$ 27,548</u>

6. Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in investment income (loss).

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE C - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE - UNAUDITED

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by, Empower Life & Annuity Insurance Company of New York and Empower Trust Company, LLC ("Empower"), the trustee and was not subjected to any auditing procedures:

- 1) Investments and notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022.
- 2) Investment income and interest on notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

NOTE D - RELATED PARTY TRANSACTIONS

All Plan investments are managed by Empower. Empower is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investments. It is impractical to estimate the total fees paid through this arrangement with the trustee.

In addition to the trustee services provided by Empower, the Plan also utilizes recordkeeping services provided by Empower Life & Annuity Insurance Company and investment advisory services provided by Global Retirement Partners, LLC. Fees paid directly by the Plan for administrative expenses were \$57,300.

All of these party-in-interest transactions are exempt from the prohibited transactions under rules of ERISA.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE F - INCOME TAX STATUS

The IRS had determined and informed the Company by a letter dated November 14, 2022, that the Plan and related trust are designed in accordance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator has determined that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore believe the Plan is qualified and the related trust is tax-exempt.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE F - INCOME TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Following is a description of the valuation methodology used for assets measured at fair value.

Mutual Funds: Value is based on quoted net asset values of the shares as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE H - FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodology used for assets measured at fair value. (continued)

Common/Collective Trusts: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31,

<u>2023</u>	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 2,066,573	\$ -	\$ -	\$ 2,066,573

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE H - FAIR VALUE MEASUREMENTS (continued)

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2023 are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2023, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

Fair Value of Investments in Entities that use Net Asset Value

The following table provides additional information about investments which uses NAV as a practical expedient to the fair value of investments as of December 31, 2023 and 2022:

2023	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Common/collective trusts	\$ 6,748,493	\$ -	Daily	None
2022	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Common/collective trusts	\$ 4,591,395	\$ -	Daily	None

NOTE I - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

1. Classification of notes receivable from participants

The attached financial statements report notes receivables from participants as a receivable to the Plan, while Form 5500 reports these balances as a general investment on Schedule H. This represents a classification difference and the reported amounts per financial statements and Form 5500 agree as of December 31, 2023 and 2022.

2. Basis of accounting

The financial statements are prepared on the accrual basis of accounting while the Form 5500 is prepared on a modified cash basis of accounting. As such, certain receivables and liabilities are recognized in the financial statements in a different period than they are recognized in the Form 5500. Total assets, liabilities and net assets available for benefits of the Plan reconcile fully once these timing differences are taken into consideration.

3. Reporting of investments

The Plan has several investment options including common/collective trust (CCTs) which are reported differently on the IRS Form 5500 than in these financial statements. These investments do not report directly to the Security and Exchange Commission as a direct filing entity (DFE), and therefore, are required to be reported at the details of the underlying investments on the Form 5500. However, these investments are reported in the Schedule of Assets (Held at End of Year) included in the supplementary information as CCTs, as provided by the trustee. This represents a classification difference, however, the reported amounts per financial statements and Form 5500 agree as of December 31, 2023 and 2022.

NOTE J - SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events through the date noted on the Independent Auditor's Report, the date the financial statements were available to be issued and has determined that no material transactions have occurred that would warrant additional adjustment or disclosure in the financial statements.
