The Trustees
Eversheds Sutherland (US) LLP
Retirement Plan A

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Eversheds Sutherland (US) LLP Retirement Plan A (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Completed)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EVERSHEDS SUTHERLAND (US) LLP RETIREMENT PLAN A
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Eversheds Sutherland (US) LLP Retirement Plan A (the “Plan” or “Plan A”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution profit sharing plan qualified under Section 401(a) of the Internal Revenue Code (“IRC”). Partners and eligible employees of the firm of Eversheds Sutherland (US) LLP (the “Partnership”) are eligible to participate in the 401(k) feature of the Plan on the first day of the month on or after the date they are employed. Partners and eligible employees, excluding associates, are eligible to participate in the profit-sharing feature of the Plan on the January 1 on or next following completion of one hour of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Contributions: Participants were able to make salary deferral contributions up to \$22,500 in 2023. Unless elected otherwise, newly eligible employees are automatically enrolled in the Plan at a 3% deferral rate. After 12 months of participation, upon the first day of each Plan year following the participant's automatic enrollment in the Plan, the initial automatic enrollment rate will automatically increase by 1% not to exceed 6%. Plan participants age 50 and above were able to make catch-up contributions up to a maximum of \$7,500 in 2023. Automatic enrollment and automatic increase of contributions are not applicable to Partners.

In accordance with the allocation formula set forth in the plan document, the Partnership contributes a discretionary percentage of participants' compensation for the portion of the year for which he or she is eligible, plus an additional percentage of eligible compensation that exceeds the participant's integration compensation, as defined in the Plan. Participants must be employed as of December 31 to receive a contribution. The Partnership also contributes a match, equal to 50% of the first 5% of contributions made to the Plan for eligible staff and paralegals. The Partnership's contributions for the year ended December 31, 2023 were \$6,054,823.

Master Trust: The Plan participates in the Eversheds Sutherland (US) LLP Master Retirement Trust (the “Master Trust”) with the Eversheds Sutherland (US) LLP Retirement Plan B (“Plan B”). Each participating retirement plan holds units of participation in the Master Trust. The assets of the Master Trust were held by Matrix Trust Company (the “Trustee”). Investment income or loss is based on each Plan's investments at the beginning of the year, net of each Plan's actual contributions, benefit payments, and administrative expenses. Common administrative expenses are allocated based on each Plan's allocated share of investments at the end of the year.

Participant Accounts: Each participant's account is credited with the participant's contributions and an allocation of the Partnership's contributions and investment earnings, and is charged with his or her withdrawals and an allocation of investment income, administrative expenses paid by the Plan, and expenses related to participant directed activities such as participant loans and individually directed accounts (“IDAs”). Each participant directs the investment of his or her account to any combination of investment funds offered by the Plan and IDAs.

Vesting: Participants are immediately vested in all contributions to their account, plus actual earnings (losses) thereon.

December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits: On termination of service due to death, disability, or other termination, a participant may elect to receive either a lump-sum amount equal to the value of the participant's balance in his or her account or installment payments over a selected period, not to exceed the life expectancy of the participant or beneficiary, if applicable. The Plan also permits in-service lump-sum or periodic distributions for participants who have reached age 59 1/2 and in other specified circumstances as defined by the Plan.

Notes Receivable from Participants: Active participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of the participant's aggregate vested account balance, whichever is less. Loan terms range up to 5 years or up to 20 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at prime rate plus 2%. Principal and interest are paid through payroll deductions.

Administrative and Investment Management Expenses: Fees for notes receivables and IDAs are generally charged against participant accounts and are reflected in the financial statements as administrative expenses of the Plan, though some participants pay the IDA fees outside the Plan. Trustee fees and other administrative fees are paid by the Plan, to the extent not offset by revenue sharing from 12b-1 fees and shareholder servicing fees.

Plan Transfer: Effective December 31, 2021, the Eversheds Sutherland (US) LLP's Defined Benefit Plan for Partners and Non-Legal Personnel ("Defined Benefit Plan") was terminated. The Plan was amended effective January 1, 2023, to allow the excess assets remaining in the Defined Benefit Plan following its final liquidation to be transferred to the Plan. The excess assets are to be allocated to participant accounts in the following manner: 50% of the assets, plus earnings thereon, are to be used to satisfy the Partnership discretionary contribution as of December 31, 2023; the remaining assets, plus earnings thereon, are to be used to satisfy the Partnership discretionary contribution as of December 31, 2024. The amount of \$2,260,458 was transferred to the Plan from the Defined Benefit Plan during the year ended December 31, 2023, of which \$1,130,229 plus earnings of \$50,936 was used to satisfy the Partnership discretionary contribution as of December 31, 2023.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition: Master Trust investments are reported at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held by the Master Trust during the year.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Payment of Benefits: Benefits are recorded when paid.

December 31, 2023 and 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Risks and Uncertainties: The Master Trust holds various investment securities. Investments are exposed to various risks such as interest rate, market, liquidity, credit risks, and the risks associated with global events. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Participant and Partnership Contributions Receivable: The fair value of participant and Partnership contributions receivable approximates carrying value due to the short-term duration of the receivable.

NOTE 3 - RIGHTS UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 4 - CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants included in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Matrix Trust Company.

NOTE 5 - FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan and those held as underlying investments of the Master Trust. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Plan Interest in Master Trust: The fair value of the Plan's interest in the Master Trust reflects the Plan's interest in the fair value of the underlying net assets of the Master Trust.

Money Market Funds and Mutual Funds: The fair values of money market fund and mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Individually Directed Accounts: Accounts primarily consist of mutual funds, common stocks, and exchange traded funds for which fair values are determined by obtaining quoted prices on nationally recognized securities exchange (Level 1). Additional investments include preferred stocks valued at the quoted market price of the issuer's unrestricted preferred stock less an appropriate discount, U.S. government securities and agencies based upon recent bid prices or the average of recent bid and asked prices when available (Level 2 inputs), and life insurance policies that are valued based on the cash surrender value of the policies. The policies are not readily marketable (Level 3 input).

Stable Value Funds: The fair values of participation units in the stable value collective trusts are based upon the NAV, which is a practical expedient for fair value, of such fund, including direct and indirect interests in fully benefit-responsive contracts, as reported in the audited financial statements of the funds. The funds provide for daily redemptions by the Plan at reported NAV per share.

Investments measured at at net asset value*	<u>34,117,507</u>			
Total investments, at fair value	<u>\$ 387,460,251</u>			

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the net assets in the Master Trust.

During the years ended December 31, 2023 and 2022, there were no purchase or sales of Plan investments measured at fair value on a recurring basis using significant unobservable inputs (Level 3). There were no transfers into or out of Level 3 of the fair value hierarchy.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Administrative expenses paid to the Trustee qualify as party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Partnership. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Partnership. Fees paid by the Plan during the plan year to OneAmerica Retirement Services LLC for recordkeeping services also qualify as party-in-interest transactions. The Master Trust also holds investment funds issued by certain investment managers which also qualify as exempt party-in-interest investments. Fees paid to other service providers also qualify as exempt party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.

NOTE 8 - TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Partnership by a letter dated April 23, 2014 that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or assets) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for the years prior to 2020.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of change in net assets available for benefits for the year ended December 31, 2023, per the financial statements to net income and transfers to the Plan reported in the 2023 Form 5500:

	<u>2023</u>
Net increase in net assets available for benefits, per the financial statements	\$ 57,274,943
Less: Transfers reported as Partnership contributions	<u>(1,130,229)</u>
Net income, per the Form 5500	<u>\$ 56,144,714</u>
 Plan transfer, per the financial statements	 \$ 1,130,229
Add: Plan transfer allocated to Partnership contributions	<u>1,130,229</u>
Transfers of assets, per the Form 5500	<u>\$ 2,260,458</u>

As discussed in Note 1, the transfer into the Plan from the Defined Benefit Plan was reported in the financial statements as a Partnership contribution in the amount of \$1,230,229 and as a plan transfer in the amount of \$1,230,229. Per the 2023 Schedule H of Form 5500, the transfer was recorded as a transfer of assets into the Plan in the amount of \$2,260,458.

NOTE 10 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through October 14, 2024, which is the date the financial statements were available to be issued.
