Heimark Distributing, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the financial statements of Heimark Distributing, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2023 financial statements.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of Heimark Distributing, LLC 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated August 21, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HEIMARK DISTRIBUTING, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Heimark Distributing, LLC 401(k) Plan (the "Plan") provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all eligible employees of Heimark Distributing, LLC (the "Plan Sponsor") and Triangle Distributing Co., a participating employer (collectively, the "Company"). The Plan, which commenced on March 1, 1967, is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is qualified under Section 401(a) of the Internal Revenue Code (the "IRC").

Effective January 1, 2022, the Plan was amended to provide for the exclusion of compensation (as defined in the Plan document) for the period April 1, 2022 through December 31, 2022 with respect to a one-time nonelective contribution of \$200,000 allocated only to employees of Heimark Distributing, LLC hired from September 1, 2020 through December 31, 2020 and who were still employed as of December 31, 2022. The amendment included a change in the allocation formula for this employee group.

The Plan is administered by Heimark Distributing, LLC. T. Rowe Price Trust Company ("T. Rowe") is the Plan's trustee and custodian ("Custodian").

Eligibility: At the date of hire, employees are eligible to make participant contributions and may enter this portion of the Plan. Plan participants are eligible for Company discretionary contributions upon meeting the service requirement of one year of service. Upon completion of the service requirement, the participant will enter this portion of the Plan on January 1st or July 1st that coincides with the next entry period following the completion of the service requirement.

Participation in the Company discretionary contributions commences in the year following the date the participant has entered the Plan provided they have completed 1,000 hours of service in that Plan year and are employed as of the end of the Plan year.

Contributions: Each participant may elect to contribute up to 75% of his or her compensation to the Plan subject to certain IRC limitations, up to a maximum amount of \$22,500 for the 2023 plan year. Participants may also rollover amounts representing distributions from other qualified plans. Participants that are 50 years of age or older who have met the annual IRC deferral limit or the specified Plan limits for deferral, may contribute a catch-up deferral of up to \$7,500 for 2023.

The Plan provides for a default contribution of 5% of eligible compensation for automatically enrolled participants. Participants may elect to continue automatic increases after the maximum contribution rate described above, and to have contributions automatically increased each year by a different amount, to apply the annual increase on a different adjustment date each year or not to have the contributions increased at all.

Employer contributions to the Plan are discretionary and are made by the Company in amounts determined by its Board of Directors. Discretionary contributions are allocated to eligible participants on a pro-rata basis, based on the percentage that each participant's compensation bears to total compensation for the plan year, as defined in the Plan. During the years ended December 31, 2023 and 2022, Company discretionary contributions were \$590,000 and \$630,000, respectively.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting: Participants are immediately vested in their elective contributions plus actual earnings thereon. Company contributions and related earnings thereon vest over a six-year period as follows: 10% for years one and two, and 20% for each of years three through six. However, Company contributions and related earnings become fully vested if the participant reaches age 65, becomes permanently disabled or dies.

Participant Accounts: Each participant's account is credited with his or her elective contributions and the allocable portion of the Company's contributions and Plan earnings. Company contributions and forfeitures are allocated to participants' accounts proportionately based on annual compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Contributions made on behalf of the participants are invested in various funds according to participant elections. Participants' contributions must be allocated among the available funds in whole percentages. Participants may change investment elections at any time via telephone or via internet access with the Custodian.

Forfeited Accounts: If a participant's employment is terminated before full vesting of Company contributions and related earnings, the amount not vested is allocated to the remaining participants. During the years ended December 31, 2023 and 2022, forfeitures of \$11,943 and \$6,370, respectively, were allocated to participants. At December 31, 2023 and 2022, there were unallocated forfeitures of \$47,646 and \$11,943, respectively, held by the Plan.

Payment of Benefits: Upon termination of service due to death, disability, retirement or other reasons, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. These payments may be paid in a lump sum payment.

Any withdrawals made prior to the participant attaining age 59½ for any reasons other than for death or disability is subject to a 20% federal excise tax.

Hardship Withdrawals: A withdrawal from a participant's account may be permitted if the participant has a financial hardship for certain specific reasons as defined in the Plan document. There were no hardship withdrawals during the years ended December 31, 2023 and 2022.

Promissory Notes from Participants: Participants may borrow from their accounts up to 50% of their vested account balance up to a maximum of \$50,000. Participant loan withdrawals can only be redeemed from their elective deferral and rollover sources of their balance. The loans are secured by the balance in the participant's account and must be repaid at a fixed interest rate, which is commensurate with local prevailing rates. Loans must be repaid within five years, unless the loan was for the purchase of a personal residence. In this case, the repayment period may be extended. Participants may only have one loan outstanding at a time.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could materially differ from those estimates.

Investment Valuation and Income Recognition: Investments are stated at fair value (see Note 4). Net appreciation or depreciation for the period is reflected in the accompanying statements of changes in net assets available for benefits. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Promissory Notes from Participants: Promissory notes from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is treated as a deemed distribution to the participant on the date of default; however, the participant loan balance continues to be included in promissory notes from participants until the account balances of the defaulted borrower are distributed from the Plan. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of promissory notes from participants are charged directly to the participant's account and are included in loan fees. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Other income: T. Rowe Price Retirement Plan Services, Inc. ("TRP RPS") provides fee credits to the Plan in recognition of amount TRP RPS receives from Plan investment options. The pricing credits are allocated to the Plan accounts of participants in proportion to their account balances invested in those investment options. To the extent the pricing credits received into the Plan exceed the Plan's administrative expenses, the excess is allocated on an annual basis to participants in March of the following year based upon the participant account balances as of December 31 of the plan year.

Payment of Benefits: Benefits are recorded when paid. Participants terminating employment are entitled to a distribution of their vested portion of accrued benefits.

Risks and Uncertainties: The Plan holds various investments. Investments are exposed to various risks, such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of those investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3 – CERTIFIED INVESTMENTS AND PROMISSORY NOTES FROM PARTICIPANTS

Certain information related to investments and promissory notes from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held and promissory notes from participants at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income from promissory notes from participants for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by T. Rowe Price Trust Company (the trustee of the plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting guidance defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal, or in the absence of a principal market, the most advantageous market for the asset or liability, in an orderly transaction between market participants on the measurement date. A fair value hierarchy was established that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The guidance describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Investments in Mutual Funds: The fair value of the Plan's investments in mutual funds is determined based on quoted prices in active markets, which represent the net asset value of the shares held and are classified as Level 1 investments.

Investment in Common and Collective Trust: The fair value of participation units held in the common and collective trust is based on the net asset value ("NAV") per unit as reported by the issuer. The common and collective trust provides for daily redemptions by the Plan at reported NAVs per share, with no advance notice requirement.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

As of December 31, 2023, the Plan's investments measured at fair value on a recurring basis were as follows:

	December 31, 2023			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Assets:				
Mutual funds	\$ 39,121,708	\$ -	\$ -	\$ 39,121,708
Common and collective trust, at net asset value*				1,283,663
				<u>\$ 40,405,371</u>

As of December 31, 2022, the Plan's investments measured at fair value on a recurring basis were as follows:

	December 31, 2022			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Assets:				
Mutual funds	\$ 32,235,185	\$ -	\$ -	\$ 32,235,185
Common and collective trust, at net asset value*				4,036,246
				<u>\$ 36,271,431</u>

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the total investments at fair value presented in the statements of net assets available for benefits.

NOTE 5 - TAX STATUS

The Company has adopted a T. Rowe Price Trust Company prototype plan. The Internal Revenue Service issued an opinion letter dated August 19, 2020, stating that the prototype plan was designed in accordance with applicable IRC requirements as of that date. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the prototype plan and with the applicable requirements of the IRC. Accordingly, no provision for income taxes is reflected in the accompanying financial statements. Continued qualification is dependent on the Plan's future operations.

(Continued)

HEIMARK DISTRIBUTING, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 5 - TAX STATUS (Continued)

In accordance with U.S. GAAP, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that is more-likely-than not to be sustained upon audit by the Internal Revenue Service ("IRS"). An uncertain income tax position will not be recognized if it has less than a 50% likelihood of being sustained. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the financial statements. The plan administrator does not foresee material changes to the gross uncertain income tax position liability (or asset) of the Plan within the next twelve months.

The Plan is subject to routine audits by the IRS, however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE 6 – RIGHTS UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are in investments managed by the Custodian. In addition, the Plan has loans with its participants. Both the Custodian and the participants are considered parties-in-interest under ERISA. TRP RPS, an affiliate of the Custodian, serves as the recordkeeper to maintain the individual accounts of each Plan participant. Fees paid by the Plan to TRP RPS amounted to \$35,615 and \$4,507 for the years ended December 31, 2023 and 2022, respectively. These transactions are considered exempt party-in-interest transactions under ERISA.

NOTE 8 – SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through October 14, 2024, which is the date the financial statements were available to be issued
