Independent Auditors' Report

To the Board of Trustees and Plan Committee
Miller Castings, Inc. 401(k) Plan & Trust
Whittier, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Miller Castings, Inc. 401(k) Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Miller Castings, Inc. 401(k) Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Miller Castings, Inc. 401(k) Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103 (a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Miller Castings, Inc. 401(k) Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

FOUMBERG, JUNEJA, ROCHER, & CO., P.C.

Certified Public Accountants and Advisors

16311 Ventura Boulevard, Suite 1180

Encino, California 91436

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Miller Castings, Inc. 401(k) Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Miller Castings, Inc. 401(k) Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) and Delinquent Participant Contributions as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to

or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by Principal Life Insurance Company on behalf of Principal Global Investors Trust Company, and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal"), the custodians of the Plan and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of Miller Castings, Inc. 401(k) Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, sponsored by Miller Castings, Inc. (the "Company" or "Plan Sponsor"). The Plan is offered to all employees of the Company who are at least 21 years of age and have completed 90 days of service, excluding union employees and non-United States residents. Eligible employees are enrolled into the Plan on the first of the month coinciding with or following the date after eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Participant contributions

Participants may contribute up to 100% of their annual eligible compensation as a pre-tax deferral, up to the maximum allowed by the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan within the 30-day grace period. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

Employer contributions

Employer matching contributions are made at the discretion of the Company and are determined at the beginning of the Plan year. Employer matching contributions are subject to certain limitations under the IRC. For the year ended December 31, 2023, the Company made employer matching contributions totaling \$247,994.

In addition, the Company may make discretionary profit-sharing contributions to the Plan. Employees must be employed on the last day of the Plan year to receive an allocation of the Company's discretionary profit-sharing contribution. No discretionary profit-sharing contributions were made to the Plan for the year ended December 31, 2023.

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, if any, an allocation of investment earnings or losses, and certain administrative fees, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

MILLER CASTINGS, INC. 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Participant accounts (continued)

All contributions made to these accounts are directed by the participant into investments offered by the Plan and the allocations between investments can be changed by the participant at will.

Vesting

Participants are immediately vested in their contributions and rollover contributions, plus actual earnings thereon. All participants entering the Plan will have a nonforfeitable right to a percentage of the employer contributions based on the following schedule:

<u>Years of Vesting Service, as Defined</u>	<u>Vesting Interest</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A participant's interest in their account shall become fully vested if employment is terminated due to death, or attainment of normal retirement age (65).

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 reduced by the excess, if any, of a participant's highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date of the new loan over the participant's current outstanding balance of loans as of the date of the new loan or 50% of their vested account balance. Loan terms are up to five years, or longer for the purchase of a primary residence. Participants are allowed to have two outstanding notes at any given time. The notes are secured by the balance of the participant's account and bear interest fixed at the prime rate, published by the Wall Street Journal on the date of the loan plus 1%. Principal and interest are paid ratably through payroll deductions. Upon termination of service, the loan balance is due in full.

If a participant fails to make a payment when a loan is due under the terms of the loan, that participant will be in default. In the event of default, the loan shall become due and payable immediately and interest will continue to accrue until the entire loan balance is repaid. The Plan will take all reasonable actions to collect the balance owed on the loan. Under certain circumstances, the loan in default could be considered a distribution from the Plan and could be considered income to the participant. In any event, failure to repay a loan will reduce the benefit a participant would otherwise be entitled to from the Plan.

MILLER CASTINGS, INC. 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Payment of benefits

On termination of service, death, or normal retirement, a participant (or their beneficiary) may elect to receive either a lump-sum amount, partial payments, or installment payments equal to the value of the participant's vested interest in his or her account. A participant balance of less than \$1,000 will be distributed in a lump sum as soon as administratively feasible, even if the participant does not consent to a distribution. If a participant's balance is more than \$1,000, the vested balance will be distributed after a request for payment has been received. In-service distributions may be made from a participant's deferral account at any time upon or after the occurrence of the following events: hardships, as defined in the Plan agreement, withdrawals of rollover contributions, the participant's attainment of age 59 ½, or withdrawals after age 65.

The Plan allows for hardship withdrawals from a participant's deferral account. Participants must exhaust all other options before financial hardship withdrawals are allowed. Deferral contributions are suspended for a six-month period after receiving a hardship withdrawal.

All withdrawals are subject to the limits specified in the Plan and by the Internal Revenue Service ("IRS").

Forfeited accounts

Forfeitures of non-vested portions of participants' accounts are used to pay administrative expenses or reduce future employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$0. For the year ended December 31, 2023, forfeitures used to reduce employer matching contributions and pay administrative expenses amounted to \$8,152 and \$3,911, respectively.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment contracts are required to be reported at fair value, except for fully benefit-responsive contracts, which are reported at contract value. Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

MILLER CASTINGS, INC. 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment valuation and income recognition

As of December 31, 2023 and 2022, the Plan's investments are held by Principal Life Insurance Company on behalf of Principal Global Investors Trust Company, and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (collectively referred to as "Principal" or the "Custodians") in various mutual funds, collective investment trusts, pooled separate accounts and a Guaranteed Investment Contract ("GIC").

The Plan's investments are stated at fair value, except for the GIC, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements.

The investments in collective investment trusts and pooled separate accounts are valued at the net asset value (the "NAV") per unit, as determined by the Custodian at year end. The NAV is used as the practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair value measurements

U.S. GAAP defines fair value and established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are described as follows:

MILLER CASTINGS, INC. 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair value measurements (continued)

Level 1 Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value, which are included in the fair value hierarchy. There have been no changes in the methodologies used at December 31, 2023.

Mutual funds: Mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Pooled separate accounts invest in mutual funds and are valued at the NAV per share. The NAV, as provided by the custodians, is based on the contractual terms of the underlying investments and provides a daily rate for income accretion. The NAV is used as a practical expedient to estimate fair value. The pooled separate account's daily value is calculated based on the contract value, which is based on provisions of the contract. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

MILLER CASTINGS, INC. 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair value measurements (continued)

Collective investment trust: Common collective trust funds are valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodians, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the Plan Sponsor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Note terms can be up to five years (or longer for purchases of primary residence). The notes are secured by the vested balance in the participant's account and bear interest at 4.25% to 9.5% per annum, which is commensurate with local prevailing rates as determined by the Plan administrator. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Payment for benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and withdrawal processing fees are charged directly to the participant's account and are included in administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent events

Subsequent events have been evaluated by the Plan through October 11, 2024, which is the date the financial statements were available to be issued. There are no material subsequent events that require recognition of additional disclosure in these financial statements.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY PLAN CUSTODIANS

The following tables summarize investment and other asset information regarding the Plan as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included in the Plan's financial statements and supplemental schedules, that were prepared by or derived from information prepared by Principal Life Insurance Company on behalf of Principal Global Investors Trust Company, and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (the "Custodians"), and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Custodians that such information is complete and accurate.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 – TAX STATUS

The Plan adopted a prototype plan document prepared by Principal Life Insurance Company, which received an opinion letter from the IRS dated March 31, 2014, which states that the prototype plan document satisfied the applicable provisions of the IRC. Although the Plan has been amended since the effective date of the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods in progress. The Plan's income tax returns remain subject to examination for the years 2020 through 2022 for federal purposes and the years 2019 to 2022 for state purposes.

NOTE 5 – GUARANTEED INVESTMENT CONTRACTS

As of December 31, 2023 and 2022, the Plan maintains a fully benefit-responsive GIC issued by Principal. Principal maintains the contributions in a general account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIC issuers are contractually obligated to repay the principal and interest at the specified interest rate that is guaranteed by the Plan.

Because the GIC is benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the GICs. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at the contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE 6 – FAIR VALUE MEASUREMENTS

The following tables set forth by level, within the fair value hierarchy, summarize the Plan's assets measured at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Description	Total at December 31, 2023	Level 1	Level 2	Level 3
Assets in fair value hierarchy:				
Mutual funds	\$ 341,008	<u>\$ 341,008</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value*	<u>7,575,216</u>			
Investments measured at fair value	<u>\$ 7,916,224</u>			

Description	Total at December 31, 2022	Level 1	Level 2	Level 3
Assets in fair value hierarchy:				
Mutual funds	\$ 141,933	<u>\$ 141,933</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value*	<u>6,094,107</u>			
Investments measured at fair value	<u>\$ 6,236,040</u>			

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in their fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

During the years ended December 31, 2023 and 2022, there were no transfers between levels three and other levels of the fair value hierarchy.

NOTE 8 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments in the GIC, collective investments trusts, and pooled separate accounts are managed by Principal; accordingly, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also managed by Principal and qualify as party-in-interest transactions.

Fees charged to the Plan by Principal for administrative expenses amounted to \$108,619 for the year ended December 31, 2023. Included in this amount are indirect fees paid by Principal and charged to the Plan for an investment advisor for investment advisory/fiduciary services amounting to \$26,088 and to a third-party administrator for referral fees and administrative services amounting to \$13,665.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2023, the Plan failed to remit \$42 of participant contributions within the time permitted. Untimely remittance of participant contributions constitutes a prohibited transaction under Department of Labor regulations. The Company will calculate and remit any lost earnings in 2024.
