REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The Plan Administrator of
VOXX International Corporation Profit Sharing and 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of VOXX International Corporation Profit Sharing and 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (the “ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier, in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that

agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF THE PLAN

The following description of the VOXX International Corporation Profit Sharing and 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

1. General

The Plan is a defined contribution and profit sharing plan sponsored by VOXX International Corporation (the “Company”) and is subject to the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). All employees of the Company, except non-resident aliens and leased employees, are eligible to participate in the Plan provided they have completed three months of service, as defined. The Plan includes a salary deferral feature which meets the qualification requirements of Section 401(k) of the Internal Revenue Code (“IRC”). The Plan originally became effective January 1, 1983 and has been subsequently amended to comply with the legislative amendments to the applicable Section of the IRC.

During the 2023 Plan year, the Plan adopted the following amendments i.) closed one investment option in the Plan and reallocated the holdings, ii.) added one new investment option to the Plan, iii.) amended and restated the Fidelity Managed Income Portfolio as a separate fund.

Fidelity Management Trust Company (“FMTC”) is the trustee and administrative agent for the Plan. A senior executive of the Company is the administrator of the Plan.

2. Contributions

Contributions to the Plan by the Company for profit sharing are determined annually at the discretion of the Company’s Board of Directors. For the Plan year ended December 31, 2023, the Company did not make a discretionary profit sharing contribution to the Plan. Discretionary profit sharing contributions are allocated to the participant’s 401(k) accounts in accordance with the investment options selected by the participant.

The Plan allows employees to defer a portion of their compensation into their 401(k) accounts in an amount not to exceed 60% of their annual compensation. The maximum amount that a participant can elect to defer under a 401(k) Plan was \$22,500 in 2023 and \$20,500 in 2022. However, participants fifty years of age or older may elect to defer additional amounts to the Plan. The additional amounts may be deferred regardless of any other limitation on the amount such participant may defer. The maximum additional contribution that may be made was \$7,500 in 2023 and \$6,500 in 2022.

Participants may also transfer amounts representing distributions from other qualified defined benefit or contribution plans.

NOTE A (continued)

The Company may match the participant's 401(k) contributions to each eligible participant's account for an amount equal to 33% of the participant's elective deferral up to a maximum of 6% of compensation as defined in the Plan's agreement.

New employees are auto enrolled in the Plan after three months of service at a deferral of 4% unless they elect to have 0% deferred. Upon enrollment in the Plan and while enrolled in the Plan, a participant may direct their 401(k) contributions, the Company matching contributions and, if designated by the Company, the Company's profit sharing contribution into various investment options.

3. *Participant Accounts*

Each participant's account is credited with the participant's contributions and respective Company matching contribution, as applicable, as well as allocations of (a) the Company's profit sharing contribution, (b) the Plan's earnings and losses, (c) forfeitures of terminated participants' non-vested accounts, and (d) Plan expenses. Allocations of the Company's profit sharing contribution and forfeitures of terminated participants' non-vested accounts are based upon participant compensation, as defined. The participant is entitled to the benefit that can be provided from the participant's vested account.

4. *Vesting*

Participants are immediately vested in their salary deferral and rollover contributions plus actual earnings thereon. Participants are 50% vested in the Company's profit sharing contributions upon the completion of two years of service, and become fully vested upon completion of three years of service. Participants are 50% vested in the Company's 401(k) matching contributions upon the completion of two years of service and become fully vested upon completion of three years of service.

A participant also becomes fully vested in the amount of their account upon death, disability, attainment of normal retirement age (as defined), or if the Plan is terminated.

5. *Participant Loans*

The Plan allows participants to borrow against their vested account balance at a reasonable rate of interest with a repayment period not to extend beyond five years or beyond ten years if the loan will be used toward the purchase of a primary residence. A participant may have up to two loans outstanding at one time. Such loans are limited to the lesser of (a) \$50,000 (reduced by the highest outstanding balance of all loans outstanding during a prior year) or (b) 50% of the participant's vested account. The interest rates on outstanding loans were 4.25% during 2023. Repayments of loans are typically made to the Plan through payroll deductions. As of December 31, 2023, due dates on the outstanding loans range from one month to 5 years.

NOTE A (continued)

6. Payment of Benefits

Participants are eligible for a benefit payment upon termination of service, death, termination of the Plan, disability, or the attainment of normal retirement age (as defined in the Plan). In addition, FMTC may, at its discretion and in accordance with ERISA, authorize distributions from the 401(k) accounts of participants who can demonstrate financial hardship.

Payment of benefits may be in lump-sum payments or installments over a specified period of time not exceeding life expectancy.

7. Forfeited and Unallocated Accounts

At December 31, 2023, the forfeited non-vested accounts totaled \$60,014. These accounts will be reallocated during the subsequent Plan year to participants eligible to share in the allocation in the same proportion that each participant's compensation for such year bears to the compensation of all participants for such year. The total amount of forfeited, non-vested accounts as of December 31, 2022 of \$27,578 was reallocated to the Plan participants during 2023.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies applied in the preparation of the financial statements of the Plan:

1. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

2. Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

Shares of registered investment companies are valued at their quoted market prices as of the close of business at the end of the Plan year, which represent the net asset value of shares held by the Plan at year-end. Certain investments of the Plan are invested in the Fidelity

NOTE B (continued)

3. *Investment Valuation and Income Recognition (continued)*

Managed Income Portfolio (“MIP”) common collective trust fund. The Plan’s interest in the MIP is valued at the net asset value practical expedient of the underlying investments reported by the issuer of the common collective trust at year-end.

The investments in money market funds are reported using their stated \$1.00 net asset value per unit. Investment earnings thereon are accrued as earned.

Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from the sale of investments are determined on a specific identification basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

4. *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

5. *Excess Contributions Payable*

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (“IRS”) are recorded as a liability with a corresponding reduction to contributions. There were no excess deferral contributions made by participants in 2023 or in 2022.

6. *Benefit Payments*

Benefits are recorded when paid.

7. *Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

The Company pays a portion of the costs of administering the Plan, which amounted to approximately \$21,000 for the Plan year ended December 31, 2023. The Company also renders certain administrative services at no charge to the Plan. The fees paid to audit the Plan were

absorbed by the Plan participants. Loan administration fees are charged directly to the participant's account and are included in Plan expenses.

8. *Subsequent Events*

The Company has considered subsequent events occurring through October 14, 2024, the date the financial statements were available for issuance, in evaluating its estimates and in the preparation of its financial statements.

NOTE C - FAIR VALUE MEASUREMENTS

The Plan's investments reported at fair value in the accompanying statements of net assets available for benefits are comprised of the following:

		Fair Value Measurements Using Quoted Prices in Active Markets for Identical Assets and Liabilities (Level 1)

Common collective trust at net asset value (a)	4,470,877	-
Total	<u>\$ 58,690,783</u>	<u>\$ 54,219,906</u>

- (a) In accordance with Subtopic 820-10, common collective trust assets that were measured at net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE C (continued)

Financial Accounting Standards Board ASC 820 – Fair Value Measurements and Disclosures establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The standard provides a hierarchy of three levels of input data for determining the fair value of an asset or liability. Level 1 is quoted prices for identical items in active, liquid and visible markets, Level 2 is observable information for similar items in active or inactive markets, and Level 3 is unobservable inputs to be used in situations where markets don't exist or are illiquid. Level 3 has the lowest priority.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stock are based on quoted market prices at year-end.

NOTE D - INVESTMENT IN FIDELITY MANAGED INCOME PORTFOLIO

The Plan invests in a collective trust investment, the Fidelity Managed Income Portfolio (the "Portfolio"). The Portfolio is a commingled pool dedicated exclusively to the active management of the assets of employee benefit plans.

The contract value of the investment at December 31, 2023 and 2022 was \$3,920,486 and \$4,169,070, respectively. The Portfolio seeks the preservation of capital, as well as to provide a competitive level of income over time consistent with the preservation of capital. The Portfolio seeks to maintain a stable net asset value of \$1 per share, but it does not guarantee the ability to do so. The yield of the Portfolio will fluctuate. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the Portfolio, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Certain events could limit the Plan's ability to transact at contract value with FMTC. Such events include the following: (a) withdrawals resulting from the sale of a division of the sponsor of the Plan, (b) a corporate layoff or early retirement program, (c) change(s) in the investment options of the Plan, or (d) termination or a partial termination of the Plan. These events may cause amounts to be paid at the contract's market value, which may be less than contract value, or may be subject to a contract charge penalty.

The investment contract itself does not have a maturity date. FMTC may terminate the Portfolio as of any valuation date, without advance notice, by withdrawal from the Portfolio and distribution of the units from the Portfolio. Upon termination, FMTC shall distribute the units from the Portfolio to the investment option selected by the Plan Fiduciary, or, in the absence of any such direction, to a short-term fund.

NOTE E - TAX STATUS

The Company has adopted the Fidelity prototype plan. The IRS has determined and informed the Plan sponsor by letter dated March 31, 2014 that the Plan is qualified in accordance with the applicable section of the Internal Revenue Code. The Plan has subsequently been amended and the Plan sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes is included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	<u>2023</u>	<u>2022</u>

Net assets available for benefits per the Form 5500	<u>\$66,071,653</u>	<u>\$59,352,862</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the Form 5500:

	For the year ended December 31, 2023
Net increase in net assets available for benefits per the financial statements	\$6,653,642
Adjustment from net asset value to fair value for the common collective trust	<u>65,149</u>
Net increase in net assets available for benefits per the Form 5500	<u>\$6,718,791</u>

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to permanently discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their unvested employer contributions.

NOTE I - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies and a common collective trust managed by an affiliate of FMTC. FMTC is the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. The fair value of such investments aggregated \$19,367,252 and \$16,672,302 as of December 31, 2023 and 2022, respectively. Fees paid by the

NOTE I (continued)

Plan for the investment management services are netted against net appreciation in the fair value of investments and as reported by FMTC, totaled approximately \$72,038 for the year ended December 31, 2023.

NOTE J – RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE K - SUBSEQUENT EVENTS

The Company has considered subsequent events occurring through October 14, 2024, the date the financial statements were available for issuance, in evaluating its estimates and in the preparation of its financial statements.
