REPORT OF INDEPENDENT ACCOUNTANTS

*The Board of Directors
Oregon Humane Society 401(k) Plan:*

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Oregon Humane Society 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023 and 2022, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i, Schedule of Assets (Held at End of Year) on pages 13 and 14 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OREGON HUMANE SOCIETY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2023

1. Description of the Plan

The following is a brief description of the Oregon Humane Society 401(k) Plan (the “Plan”), and is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan established for the exclusive benefit of employees of the Oregon Humane Society (the “Society”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Society is the Plan’s administrator and sponsor. At December 31, 2023, the Principal Trust Company (the “Principal”) is the Plan’s custodian and, as such, has the responsibility for managing the Plan’s assets, subject to the direction of the plan administrator. The Principal Life Insurance Company is the contract administrator.

Effective July 1, 2022, the Willamette Humane Society merged with the Oregon Humane Society. On October 12, 2022 (plan merger date), the Willamette Humane Society 401(k) Profit Sharing Plan also merged with the Oregon Humane Society’s 401(k) Plan. As of the plan merger date, the Oregon Humane Society 401(k) Plan was amended to address the merger.

Plan Contributions – Participants may contribute a portion of their compensation by means of payroll deductions, either as a pre-tax salary deferral contribution or a Roth salary deferral contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Eligible participant contributions are matched by the Society as a safe harbor match at 100% for eligible participant deferrals up to 3.0% of the participant’s compensation, and at 50% for eligible participant deferrals from 3.0% to 5.0%. Participant compensation and deferrals, for purposes of calculating the safe harbor matching contribution, are determined on an annual basis. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

The Society may also make discretionary contributions to the Plan. If the Society elects to make discretionary contributions to the Plan, the amount of the contributions, and the frequency of contributions, will be determined at the Society’s discretion. During the year ended December 31, 2023, the Society made discretionary contributions to the plan totaling \$125,000.

Participant Accounts – Each participant’s account is credited with the participant’s contributions, employer matching contributions and an allocation of (a) the employer’s discretionary contributions, (b) forfeiture account balances after administrative fees have been paid, and (c) Plan earnings. Each participant’s account is also charged for an allocation of investment and transaction expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested accounts.

Vesting – Participants are immediately vested in their salary deferral contributions and any related earnings upon entry into the Plan. In accordance with the plan document, matching contributions vest immediately and discretionary contributions are 100% vested after three years of credited service.

Notes Receivable from Participants – Participants may borrow a minimum of \$500 up to a maximum of \$50,000, or 50% of their vested account balance, whichever is less. The outstanding loans are secured by the balance of the participant's account and bear interest rates from 5.25% to 10.50%, which is commensurate with commercially reasonable rates determined by the plan administrator at the time of the loan. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits – Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount, purchase a non-transferable annuity, or receive installments over a period of not more than the participant's assumed life expectancy equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeiture Disposition – Participants are always fully vested in their deferral, rollover, and employer matched contributions to the Plan and the income thereon. If a participant terminates service prior to becoming fully vested in employer discretionary contributions, any account balance that is not vested is subject to forfeiture and will be reallocated in accordance with the provisions of the Plan. There were \$15,883 in total forfeitures for the year ended December 31, 2023. During the year ended December 31, 2023, \$15,964 of 2023 and previously-accumulated forfeitures were allocated to participant accounts and administrative expenses. At December 31, 2023, unallocated funds totaling \$398 were available in the forfeiture account.

Eligibility Requirements – All employees of the Society are eligible to participate in the Plan after attainment of age 18 and completion of 90 days of service. Prior to an amendment effective January 1, 2023, employees of the Society were eligible to participate in the Plan after attainment of age 21 and completion of 90 days of service. All employees qualify to receive employer safe harbor matching contributions if they were an active participant at any time during the plan year. In order to qualify for employer discretionary contributions, the employee must have been an active participant on December 31 in the year of the contribution and have completed 1,000 or more hours of service during the year then ended, or have been an active participant at any time during the plan year and died, quit working upon reaching their normal retirement date, or become totally disabled during the plan year.

Plan Termination – Although it has not expressed any intent to do so, the Society has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested.

Tax Status – The Plan has adopted a prototype Plan document, and is relying on the prototype sponsor's opinion letter from the Internal Revenue Service, dated June 30, 2020. The letter states that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the prototype plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and currently is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

2. Summary of Accounting Policies

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates – The preparation of the Plan’s financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. In the opinion of management, such differences, if any, would not be significant.

Investment Valuation and Income Recognition – Investments in mutual funds and common collective trust accounts are stated at fair value, based upon the market value of the underlying securities, as determined or provided by the custodian. The investment income of funds consists of the Plan’s pro-rata share of the accounts’ earnings from interest, dividends, realized gains and losses, and investments sold, and unrealized gains and losses on investments held at year-end.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents the net investment return (loss) in the fair value of its investment in the statement of changes in net assets available for benefits, which consists of the realized gains or losses and the unrealized investment return (loss) on those investments.

Risk and Uncertainties – Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

Notes Receivable from Participants – Loans to participants are reported at their unpaid principal balances plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant’s account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment, based on the terms of the plan document.

Concentration of Credit Risk – All of the Plan’s invested assets are held in mutual funds and collective investment trusts.

Payment of Benefits – Benefits are recorded when paid.

Administrative Fees – The Plan’s assets are used to pay certain administrative fees. Certain transaction expenses associated with investment transactions are deducted directly from participant accounts. The Society may, at its discretion, pay certain administrative fees related to contributions. Investment expenses are netted with appreciation.

Party-in-Interest Transactions – Certain Plan investments are managed by the Principal, the custodian of the Plan; therefore, these transactions qualify as party-in-interest. For the year ended December 31, 2023, fees of \$39,527 were paid by the Plan to the Principal for contract administration services.

Subsequent Events – Subsequent events have been evaluated by management through September 24, 2024, which is the date the financial statements were available to be issued.

Other Significant Accounting Policies – Other significant accounting policies are set forth in the financial statements and the following notes.

3. Information Prepared and Certified by the Custodian

The Plan has obtained certification from the Principal that the information provided by them is complete and accurate. The information certified by them is as follows:

- Details and summaries of investments at fair value as of December 31, 2023 and 2022;
- Details and summaries of net appreciation in the fair value of Plan investments during the year ended December 31, 2023; and
- Details and summaries of interest and dividends during the year ended December 31, 2023.

4. Investments

The following summarizes investments by investment category as of December 31, 2023 and 2022:

	2023	2022
<i>Investments at fair value</i>		
Mutual funds:		
Balanced-asset allocation funds ¹	\$ 10,584,331	8,900,002
Large-cap U.S. equity	2,066,814	1,939,598
Small to mid-cap		
U.S. equity	1,028,452	1,192,121
International equity	1,145,221	548,543
Fixed income	643,062	253,750
Real estate advisor fund	217,278	118,679
Total mutual funds	15,685,158	12,952,693
Common collective trusts:		
Invesco Stable Value Trust (note 5)	498,695	356,372
Total investments at fair value	\$ 16,183,853	13,309,065

¹ Funds consist of ten Vanguard target date funds with target dates ranging from 2020 to 2070.

5. Stable Value Funds

The Invesco Stable Value Trust is a collective investment trust. The fund contains synthetic investment contracts comprised of both underlying investments and contractual components that have observable Level 1 or Level 2 pricing inputs including similar assets in active or non-active markets.

6. Fair Value Measurements

The accompanying financial statements report the Plan's investments at fair value. These assets have been classified, for disclosure purposes, based on a hierarchy defined by FASB ASC No. 820, *Fair Value Measurements and Disclosures*.

The hierarchy gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets and liabilities and the lowest ranking to fair values determined using methodologies and models with unobservable inputs, as follows:

- *Level 1* – Values are unadjusted quoted prices for identical assets and liabilities in active markets accessible at the measurement date.
- *Level 2* – Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument.

In accordance with FASB Accounting Standards Update 2015-07, *Disclosures for Investments in Certain Entities That Calculate Net Asset Value*, investments valued utilizing the net asset value ("NAV") as a practical expedient are excluded from the hierarchy.

Continued

At December 31, 2023, investments are measured at fair value on a recurring basis, as follows:

	Level 1	Total
<i>Investments included in the fair value hierarchy:</i>		
Mutual funds	\$ 15,685,158	15,685,158
<i>Investments measured at net asset value:</i>		
Invesco Stable Value Trust ¹	—	498,695
Total investments at fair value	\$ 15,685,158	16,183,853

At December 31, 2022, investments, also measured at fair value on a recurring basis, were as follows:

	Level 1	Total
<i>Investments included in the fair value hierarchy:</i>		
Mutual funds	\$ 12,952,693	12,952,693
<i>Investments measured at net asset value:</i>		
Invesco Stable Value Trust ¹	—	356,372
Total investments at fair value	\$ 12,952,693	13,309,065

¹ The fair value of the Invesco Stable Value Trust is calculated by the Invesco by discounting the related cash flows based on current yields of similar instruments with comparable durations. The crediting interest rate was 3.03% for the Plan year ended December 31, 2023 and 2.35% for the Plan year ended December 31, 2022.

7. Reconciliation of the Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets according to Schedule H of Form 5500 to the statement of net assets available for benefits at December 31, 2023:

Net assets according to Schedule H of Form 5500	\$16,301,383
Employer contributions receivable	149,348
Net assets available for benefits according to the financial statements	\$16,450,731

The following is a reconciliation of net income according to Schedule H of Form 5500 to the increase in net assets according to the statement of changes in net assets for the year ended December 31, 2023:

Net income according to Schedule H of Form 5500	\$ 2,583,690
2023 employer contributions reported as revenue in the in December 31, 2023 financial statements	149,348
Increase in net assets according to the statement of changes in net assets available for benefits	\$ 2,733,038
