American Vanguard Corporation Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of American Vanguard Corporation Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for plan benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of American Vanguard Corporation Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amount and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of American Vanguard Corporation Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Vanguard Corporation Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Vanguard Corporation Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Vanguard Corporation Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets Held for Investment Purposes as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERICAN VANGUARD CORPORATION RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF THE PLAN

Effective March 1, 1984, the American Vanguard Corporation (the Company) adopted a 401(k) profit sharing plan currently known as the American Vanguard Corporation Retirement Savings Plan (the Plan). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering any full-time employee who has completed one month of service. All eligible employees are automatically enrolled to contribute 5% of their pay to the Plan unless they affirmatively elect not to participate within the first 90 days of enrollment. The Company and Plan trustees administer the Plan. The Plan is designed to comply with Section 404(c) of the Employee Retirement Income Security Act of 1974 (ERISA) and all requirements of Section 401(k) of the Internal Revenue Code.

Plan Custodian and Recordkeeper

The assets of the Plan are held and invested by John Hancock Life Insurance Company (John Hancock USA), acting as custodian and recordkeeper. The third-party administrator of the Plan is Actuarial Benefits Company.

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends for the years then ended, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by John Hancock USA.

Contributions and Funding Policy

Each participant may elect to contribute up to 100% of their eligible compensation. The maximum participant elective contributions allowed under the Plan for the years ended December 31, 2023 and 2022 was \$22,500 and \$20,500, respectively (\$30,000 and \$27,000 for participants age 50 and over, respectively). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers pooled separate accounts and guaranteed interest contract funds. Rollovers from other qualified plans are also included with contributions.

The Company will match 100% of the elective deferrals of all eligible participants up to a maximum of 5% of pay. The Company may make other contributions, which are non-elective contributions and are completely discretionary. The Company did not make a discretionary contribution for the year ended December 31, 2023, however, the Company made a discretionary contribution of \$28,823 for the year ended December 31, 2022.

AMERICAN VANGUARD CORPORATION RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF THE PLAN (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of a) the Company's contribution and b) Plan earnings, and charged with an allocation of certain expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are vested immediately in their contributions plus earnings thereon. Vesting in the Company's matching contributions, and discretionary contributions, when applicable, is also 100% vested at all times.

Payment of Benefits

Upon termination of service, other than death, participants will receive a lump sum payment equal to 100% of the participant's vested interest that can be distributed directly to the participant or rolled over to a qualified retirement plan or an individual retirement account. The participant can also elect to receive partial payments from time to time instead of one lump sum.

Benefits can also be accessed in the event of disability or death and the Plan allows participants to make early withdrawals for certain financial hardships.

Participants electing after they reach age 59 ½ to take withdrawals will be required to pay applicable taxes on the withdrawals but will not be subject to penalty taxes for early withdrawals.

Forfeited Accounts

Forfeitures may be used to reduce employer contributions or administrative fees. During the years ended December 31, 2023 and 2022, there were no forfeitures.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to 50% of their vested account balance or \$50,000. The loans will bear interest at the prime interest rate plus 2% and will be repaid through payroll deductions. Loans will be for a period not to exceed 5 years. If the loan is used for the purchase of a principal residence the loan should be repaid over a period of no longer than 15 years. Participant loans in the amount of \$1,259,773 at December 31, 2023 and \$1,045,313 at December 31, 2022 are included in the accompanying financial statements under the caption "Notes receivable from participants." Interest rates on outstanding loans ranged from 5.25% to 10.50% as of December 31, 2023.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Plan investments are included in the accompanying financial statements, which are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest earned to date is included in the investment value. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

Amounts Due Terminated Participants

Amounts due terminated participants, if any, are included in net assets available for plan benefits.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Administrative and other expenses are recorded as incurred.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Principal and interest payments are made through payroll deductions, not less than quarterly. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Subsequent Events

Subsequent events were evaluated through October 9, 2024, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 – Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled separate account funds: Pooled separate accounts are investments in mutual funds. The fair value of the mutual funds are publicly quoted pricing inputs used in determining the net asset value (NAV) of the pooled separate accounts, which are not publicly quoted. Accounting Standards Codification 820 allows NAV per share to serve as the practical expedient to estimate the fair value as long as certain requirements are met, which these investments meet.

NOTE 3: FAIR VALUE MEASUREMENTS OF INVESTMENTS (continued)

Guaranteed interest account: The guaranteed interest account is from a group annuity contract and provides a guarantee return of principal plus compound interest earned over a defined 3, 5, or 10 year term. Fair value is the amount plan participants would receive if they were to withdraw or transfer funds within the Plan prior to their maturity for an event other than death, disability, termination or retirement. Due to the possible surrender charge when funds are withdrawn prior to maturity, the account are considered non-benefit responsive.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lower level of any input that is significant to the fair value measurement.

	<u>Asset at Fair Value 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Guaranteed interest accounts	\$ -	\$ -	\$ 384,641	\$ 384,641
Investment measured at net asset value (a)	-	-	-	78,340,397
Total investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 384,641</u>	<u>\$ 78,725,038</u>

	<u>Asset at Fair Value 2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Guaranteed interest accounts	\$ -	\$ -	\$ 349,676	\$ 349,676
Investment measured at net asset value (a)	-	-	-	65,097,373
Total investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 349,676</u>	<u>\$ 65,447,049</u>

- (a) In accordance with *Subtopic 820-10, Fair Value Measurement, Overall*, certain investments that were measured at NAV per share, using the practical expedient, have not been classified in the fair value hierarchy. The fair value amounts, presented in this table are to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 3: FAIR VALUE MEASUREMENTS OF INVESTMENTS (continued)

Level 3 Fair Value Measurement: The guaranteed interest accounts are not actively traded and significant other observable inputs are not available. Thus, the fair value of the guaranteed interest accounts are determined by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

The following tables reconcile the beginning and ending balances of fair value measurements using significant unobservable inputs (Level 3) of the guaranteed investment contracts with an insurance company for the years ended December 31, 2023 and 2022.

	2023	2022
Beginning balance	\$ 349,676	\$ 644,359
Deposits	54,007	42,733
Interest	4,303	4,225
Gain (loss) in fair value	(9,827)	(273)
Transfers in/(out), net	6,633	49,000
Other additions	11,600	3,954
Disbursements	(30,631)	(393,307)
Administration fees	(1,120)	(1,015)
Ending balance	<u>\$ 384,641</u>	<u>\$ 349,676</u>

Investments Measured Using the Net Asset per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2023 and 2022

NOTE 3: FAIR VALUE MEASUREMENTS OF INVESTMENTS (continued)

Transfers Between Levels

For the years ended December 31, 2023 and 2022, there were no significant transfers between Levels 1 and 2. During the year ended December 31, 2023, \$14,032 was transferred out of Level 3 into pooled separate accounts, and \$20,665 was transferred in from pooled separate accounts to Level 3. During the year ended December 31, 2022, \$5,419 was transferred out of Level 3 into pooled separate accounts, and \$54,419 was transferred in from pooled separate accounts to Level 3.

NOTE 4: PLAN TERMINATION

Although the Company has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5: INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated January 31, 1996, that the Plan and related trust are designed in accordance with applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan's administrator believes that the Plan is designed and is currently being operated in compliance with the applicable sections of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6: RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$158,037 and \$126,254 for the years ended December 31, 2023 and 2022, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
