INDEPENDENT AUDITORS' REPORT

Board of Directors
Lincoln Learning Solutions 401(K) Plan
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lincoln Learning Solutions 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Lincoln Learning Solutions 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Notes 3 and 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lincoln Learning Solutions 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter

The financial statements of Lincoln Learning Solutions 401(K) Plan for the year end December 31, 2022 were audited by another auditor who expressed an unmodified opinion on those statements on October 6, 2023.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lincoln Learning Solutions 401(K) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lincoln Learning Solutions 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lincoln Learning Solutions 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters and Supplemental Schedules Required by ERISA

The supplemental schedules of assets held for investment purposes at the end of the year for the years ended December 31, 2023 and 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LINCOLN LEARNING SOLUTIONS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of Lincoln Learning Solutions 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution profit sharing plan with a 401(k) safe harbor employer matching feature covering substantially all employees of Lincoln Learning Solutions and Evan-Moor Corporation (the Organization). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: Employees are deemed eligible in the Plan providing they are at least 21 years of age and have completed three months of eligibility service, except for temporary employees. A temporary employee as defined by the Plan sponsor is an employee who is hired for a specific project of period of time. These temporary employees may work either part-time or full-time, but generally are scheduled to terminate by a certain date. Temporary employees who complete one year of service (1,000 hours of service or more in a relevant computation period) would thereby become eligible to participate in the Plan.

Contributions:

Employee Elective Deferral Contributions

Each year, participants may contribute up to 100% of their compensation as a pre-tax contribution or post-tax Roth contribution up to the limits established by the Internal Revenue Service (the IRS) of \$22,500 and \$20,500 in 2023 and 2022, respectively, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan has an automatic enrollment feature, whereby employees who met the eligibility requirements will automatically be enrolled unless the employee affirmatively elects otherwise. Employees who are automatically enrolled will have 3% of their eligible compensation withheld as a pretax salary deferral and their contributions invested in a designated fund until changed by the participant.

Rollover Contributions

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Employer Matching Contributions

The Organization contributes 100% of the participant's elective deferral contributions to a maximum of 5% of the eligible compensation of a participant. For purposes of this computation, employee catch-up contributions are covered.

Employer Profit-Sharing Contributions

Additional qualified non-elective contribution amounts may be contributed at the option of the Organization. No employer profit-sharing contributions were authorized for the year 2023 or 2022.

All participant and Organization contributions are subject to regulatory and Plan limitations and total contributions credited to a participant's account are further subject to additional limitations under the Code.

Participant accounts:

Each participant's account is credited with the participant's contribution and allocable share of any employer contributions and earnings of the participant's self-directed investments and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their plan account balance among various investment options offered by the Plan. All investments are participant directed.

Vesting:

All participants are fully vested in their accounts at all times, including the Organization's safe harbor matching and profit sharing accounts.

Notes receivable from participants:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may not have more than one outstanding loan at any time. The loans are secured by the balance of the participant's account and bear interest at a fixed rate as determined by the plan administrator based on local prevailing interest rates. Principal and interest are paid ratably over the course of no more than five years, or up to ten years for the purchase of a primary residence. As of December 31, 2023 and 2022, outstanding participant loans totaled \$301,589 and \$290,194, respectively.

Payment of benefits:

Benefits may be distributed to participants, spouses, or designated beneficiaries, as appropriate, upon normal retirement (age 65), death, disability, or termination of employment. Prior to termination of service, participants who have attained the age of 59 ½ may make in-service withdrawals from all vested accounts. The Plan provides for certain required minimum distributions commencing at age 73 for certain participants. The Plan allows participants to make emergency withdrawals from the Plan to meet certain hardships. On the termination of service due to any reason other than death, disability or normal retirement, a participant will only be entitled to receive their vested percentage of their account balance under various distribution options offered by the Plan. Upon termination due to death, the participant's vested account balance will be used to provide the participant's beneficiary with a death benefit. Payment options for death benefits will vary based on the circumstances. Benefits are recorded when paid.

Forfeited accounts:

At December 31, 2023 and 2022, forfeited non-vested accounts balances totaled \$1,137 and \$2, respectively. These accounts may first be used to pay Plan expenses and then to offset future employer contributions or be reallocated to participant accounts in accordance with the Plan document. In 2023 and 2022, the Plan used \$2 and \$34, respectively, from forfeited accounts to offset Plan expenses or were used to reduce employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The financial statements are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (US GAAP).

Estimates – The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and notes to financial statements. Actual results may differ from the amounts reported based upon those certain estimates and assumptions.

Receivables – Participant and employer contributions receivable consist of participant deferrals withheld and employer matching contributions accrued as of December 31, 2023 and 2022 and remitted in subsequent years. The Plan does not record an allowance for credit losses.

Investment valuation and revenue recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Income taxes – The Plan received a determination letter from the Internal Revenue Service and is exempt from liability for federal income taxes under Section 401 of the Internal Revenue Code (Note 6).

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements and are not considered an employer contribution. Plan administration fees and fees related to participant transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

3. FAIR VALUE MEASURES

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of fair value hierarchy under ASC Topic 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability or other inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair market measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2023 and 2022:

Mutual funds – valued at the published daily net asset value (NAV). The NAV is based upon quoted market prices and widely available from a variety of public pricing services.

Self-directed brokerage accounts – accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable public market prices.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 27,562,622	\$ -	\$ -	\$ 27,562,622
Self-directed brokerage account	49,179	-	-	49,179
Investments at Fair Value	<u>\$ 27,611,801</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 27,611,801</u>

December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 22,336,416	\$ -	\$ -	\$ 22,336,416
Self-directed brokerage account	43,472	-	-	43,472
Investments at Fair Value	<u>\$ 22,379,888</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 22,379,888</u>

4. CERTIFIED INVESTMENTS

The Plan's investments were held in trust and administered by Fidelity Management Trust Company for the years ended December 31, 2023 and 2022. All investment information and related investment income disclosed in the accompanying financial statements and supplemental schedules was unaudited and obtained or derived from information supplied to the plan administrator. The investment values of \$27,611,801 and \$22,379,888 as of December 31, 2023 and 2022 and the net investment income (loss) of \$4,131,624 and (\$4,899,396) for the years then ended, respectively, were certified as complete and accurate by the custodians.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

6. TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service (IRS) dated March 31, 2014, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code and, therefore, the related trust is exempt from taxation. The Plan is required to operate in conformity with the Code to maintain its qualified status. Although the Plan has been amended several times since receiving their determination letter, the Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

US GAAP requires plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects from a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is

subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods in progress.

7. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan evaluated subsequent events through October 14, 2024, the date these financial statements were available to be issued. There are no other material subsequent events that require recognition or disclosure in these financial statements.
