Generally accepted auditing standards (AU-C 260, *The Auditors' Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Area	Comments
Our Responsibilities With Regard to the Financial Statement Audit	Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our arrangement letter dated February 26, 2024. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities which are also described in that letter.
Overview of the Planned Scope and Timing of the Financial Statement Audit	We have issued a separate communication regarding the planned scope and timing of our audit and have discussed with you our identification of and planned audit response to significant risks of material misstatement.
Accounting Policies and Practices	Preferability of Accounting Policies and Practices Under generally accepted accounting principles, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice. Adoption of, or Change in, Accounting Policies Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period. Significant or Unusual Transactions We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

**The Archway Programs Retirement Savings Plan
Summary of Significant Accounting Estimates
Year Ended December 31, 2023**

Accounting estimates are an integral part of the preparation of financial statements and are based upon management's current judgment. The process used by management encompasses its knowledge and experience about past and current events and certain assumptions about future events. You may wish to monitor throughout the year the process used to determine and record these accounting estimates. The following describes the significant accounting estimates reflected in the Plan's December 31, 2023, financial statements.

Estimate	Accounting Policy	Management's Estimation Process	Basis for Our Conclusions on Reasonableness of Estimate
Investment Valuation	Common Collective Trust is valued at net asset value ("NAV") as reported to the Plan by the custodian based on the market values of the underlying investments of the fund. The fund is not required to publish a daily NAV; therefore, the NAV is a practical expedient in determining the fair value of the funds. Mutual funds are valued at the NAV of shares held by the Plan at year end.	See "Accounting Policy"	Valuation methods appear suitable as the quoted market price is assumed to be equal to the price the Plan would receive upon sale of such security in an orderly market.

This representation letter is provided in connection with your audit of the financial statements and supplemental schedule of The Archway Programs Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Hand Benefits & Trust Company (the "Custodian"), the Custodian, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit.

- 32) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:
 - Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be active.
 - Common Collective Trust: Valued at NAV as reported to the Plan by the Custodian based on the market values of the underlying investments of the fund. The fund is not required to publish a daily NAV; therefore, the NAV is a practical expedient in determining fair value of the funds.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

- 33) All required amendments to and filings of plan documents with the appropriate agencies have been made.
- 34) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The Plan sponsor(s) has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
- 35) We have complied with the Department of Labor's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan.
- 36) The discretionary contribution made by the Plan Sponsor to participants is accurately calculated and in compliance with the Plan document. For acquired employees of Creative Achievement Academy, management utilized wages from July 1, 2022 through June 30, 2023 to determine their allocation for the 2023 plan year. There is no additional discretionary contribution owed to these employees for the wages during the period July 1, 2023 through December 31, 2023.
- 37) The Plan has complied with the fidelity bonding requirements of ERISA.
- 38) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- 39) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
- 40) We have not reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for BPAS dated February 26, 2024, for the period ended October 31, 2023, as well as the related gap letter through December 31, 2023.
- 41) There are no:
- (a) Non-exempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or supplemental schedule.
 - (b) Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedule.
 - (c) Reportable transactions that were not disclosed in the supplemental schedule.
- 42) We acknowledge our responsibility for presenting the supplemental schedule, Form 5500 Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and we believe the schedule, Form 5500 Schedule H, Line 4(i) – Assets (Held at End of Year), including its form and content, is fairly presented in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedule has not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.

To Mr. George Richards, Trustee
The Archway Programs Retirement Savings Plan

This letter includes comments and suggestions with respect to matters that came to our attention in connection with our audit of the financial statements of The Archway Programs Retirement Savings Plan as of December 31, 2023. These items are offered as constructive suggestions to be considered part of the ongoing process of modifying and improving the Plan's practices and procedures.

Management Review of SOC 1 Reports

During our audit, we noted that the Plan sponsor did not review, in detail, the Service Organization Controls ("SOC 1") Report of the service organizations. Since a significant amount of the processing of Plan transactions is performed by service organizations, it is imperative that Plan management review the procedures at these service organizations on a consistent basis and document such review in detail as part of due diligence in operating the Plan.

We recommend documenting that the description of the control listed within the SOC 1 Report covers all significant transactions, processes or computer applications that affect the Plan's financial statements. In addition, if the SOC 1 Report identifies noncompliance of the service organization's controls, consideration should be made as to the effects of the findings on the Plan's operations. In the instance of noncompliance, complementary controls at the Plan should be documented and enhanced as necessary. Listing the exceptions and the response of the service organization's management alone is not sufficient. Plan management must document its own conclusions.

Another item that the Plan sponsor should document, in detail, is user controls. The SOC 1 reports identify controls for which Plan personnel are responsible and these are typically referred to as "Client Control Considerations." Client controls are complementary to the controls of the service organization and are necessary for the service organizations' controls to be achieved.

Internal Control and Processes Documentation

It has come to our attention that the Department of Labor ("DOL") has been requesting documentation on a plan's internal control processes when a plan is selected for a DOL audit. As a result of this, we recommend that the Plan maintain written documentation surrounding the Plan's internal controls and processes. The areas that should be documented include, but are not limited to: personnel data, payroll data, eligibility, enrollment, participant statements, contributions, distributions, notes receivable (loans), investments, investment income and information technology controls. We will provide you with a listing of general questions related to these areas that can assist you in preparing the documentation.
