Independent Auditors' Report

To the Plan Administrator and Participants of
American Bakery Company 401(k) Profit Sharing Plan

Opinion

We have audited the financial statements of American Bakery Company 401(K) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2023, and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2023 Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4I - Schedule of Assets and Schedule H, Line 4a - Schedule of Delinquent Contributions for the period ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – SUMMARY OF THE PLAN

Plan Description

The following description of the American Bakery Company 401 (K) Profit Sharing Plan (the "Plan") provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was adopted on January 1, 1982 and qualifies as a defined contribution retirement plan covering substantially all eligible employees of Oakhurst Industries, Inc DBA American Bakery Company (the "Company"). This Plan was established for the purpose of providing retirement benefits to eligible employees in accordance with the Plan. The Plan is intended to satisfy the provisions of Section 401(a) of the Internal Revenue Code ("IRC") of 1986, as amended. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Administration

Oakhurst Industries, Inc. is the Plan's sponsor and serves as plan administrator. TD Ameritrade ("TD") and Charles Schwab & Co., Inc. ("Charles Schwab") are the asset custodians (the "Asset Custodian") of the Plan.

During 2023, TD Ameritrade was replaced by Charles Schwab & Co., Inc. as the Plan's investment custodian and consequently, on September 05, 2023, all investment securities held by TD were transferred to Charles Schwab.

Participant Eligibility

Each of the Company's employees is eligible to participate in the Plan if they have completed one year of service. Once the eligibility requirements have been met, employees may enroll in the Plan on the first day of the month following the day of the eligibility date. For the discretionary employer matching contribution, employees must complete 500 hours of service during the calendar year or be employed on December 31st to be eligible.

Contributions

The Company's eligible employees may contribute up to the 402(g) limit and/or the Actual Deferral Percentage (ADP) test limit for highly compensated employees. The 402(g) limit for 2023 was $22,500. Participants may also rollover amounts representing distributions from other qualified plans. In addition, all eligible employees who have attained age 50 before the close of the Plan year shall be eligible to make catch-up contributions in accordance with, and subject to the limitations of, Code Section 414(v). For 2023, the maximum catch-up contribution limit was $7,500.

The Company may make a discretionary matching contribution and Safe Harbor Matching contribution. Effective January 1, 2022, the company made a Safe Harbor Matching Contribution of 100% of salary deferrals up to 4% of Plan Compensation. For the year ended December 31, 2023, the Company made total employer matching contributions (including discretionary profit-sharing contribution and safe harbor match) to the Plan on behalf of all eligible employees totaling $450,000.

NOTE 1 – SUMMARY OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, an allocation of the Company's profit-sharing contribution, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Investment Options

Contributions are not participant directed and are invested in a pooled fund as directed by the Company. The pooled fund is managed by the plan's investment advisor Edelman Financial Engines ("EFE").

Vesting

Participants are one hundred percent (100%) vested in their contributions plus actual earnings thereon. Participants become vested in their Company profit-sharing matching contributions account and any earnings as follows:

Employer Matching	
Years of Service	Vested Interest (%)
Less than one	0
2	20
3	40
4	60
5	80
6 or more	100

Effective January 1, 2022, Safe Harbor Matching Contributions will be immediately vested plus actual earnings thereon. Notwithstanding the above, a participant is fully vested in all contributions, upon reaching normal retirement age, death, or permanent disability.

Notes Receivable from Participants

A participant may borrow a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of his or her vested account balance. The notes must be repaid within 5 years. The notes are secured by the balance of the participant's account and bear a reasonable rate of interest.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative costs and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant will be taxed on the entire amount of the outstanding loan (plus accrued interest) through the date of the default. The current interest rate on existing loans is 3%.

NOTE 1 – SUMMARY OF THE PLAN (CONTINUED)

Forfeitures

Amounts forfeited from terminating participants' non-vested portion of their Company matching contribution account and earnings on Company contributions are used first to reduce administrative expenses, then to reduce matching contributions. The forfeitures account balance at December 31, 2023 and 2022 was $26,108 and $10,805, respectively.

Payment of Benefits

Upon termination of service, a participant may elect to receive the value of the vested interest in their account in the form of a lump sum distribution. If a participant terminates employment and the participant's account balance does not exceed $5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

In-service distributions will only be permitted if the Participant is 100% vested in the source from which the withdrawal is taken.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"). A summary of the significant accounting policies applied in the preparation of the accompanying financial statements follows.

Accounting Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and deductions during the reporting period. Actual results could differ from estimates.

Payment of Benefits

Benefits payments to participants are recorded upon distribution.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Investment-related expenses are included in net depreciation in fair value investments. The Plan incurred $118,270 of administrative expenses during the year ended December 31, 2023.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments, bought and sold as well as held during the year. The mutual funds and exchange traded funds are recorded at quoted market prices.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Boards ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds/Exchange Traded Funds: Valued at the daily closing price as reported by the fund. Mutual funds/Exchange Traded funds held by the Plan are open-end mutual funds/exchange traded funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds/exchange traded funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash: Valued based on cost, which approximates fair value in a non-inflationary economy and is protected by the Federal Deposit Insurance Corporation (FDIC).

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Non-Discrimination for Employee and Employer Contributions

The Plan, as required by the Internal Revenue Code (IRC), performs annual tests between highly compensated participants versus non-highly compensated participants to ensure that highly compensated participants are not disproportionately favored under the Plan. If the Plan fails the tests, it must refund excess deferral contributions or make a Qualified Non-Elective Contribution ("QNEC") for the non-highly compensated employees. Excess contributions that are refunded within two and a half months of the Plan year end are accrued as a liability on the statement of net assets available for benefits. The Company made no QNEC for the year ended December 31, 2023.

NOTE 3 – FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value As of December 31, 2023			
	Level 1	Level 2	Level 3	Total Fair Value
Investments:				
Mutual Funds	$ 6,582,701	$ -	$ -	$ 6,582,701
Exchange Traded Funds	4,496,287	-	-	4,496,287
Interest Bearing Cash	476,809	-	-	476,809
Total investments	$ 11,555,797	$ -	$ -	$ 11,555,797

	Assets at Fair Value As of December 31, 2022			
Investments:				
Mutual Funds	$ 2,910,623	$ -	$ -	$ 2,910,623
Exchange Traded Funds	5,641,671	-	-	5,641,671
Interest Bearing Cash	985,872	-	-	985,872
Total investments	$ 9,538,166	$ -	$ -	$ 9,538,166

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate or amend the Plan subject to the provisions of Employee Retirement Income Security Act (ERISA). If the Plan is terminated, all participants will be 100% vested in their account balances.

NOTE 5 – TAX STATUS

The Plan is placing reliance on an opinion letter from the IRS on the pre-approved plan indicating that the Plan is designed in accordance with the applicable section of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by TD and Charles Schwab, the custodians of the Plan; therefore, the investment transactions qualify as party-in-interest transactions. Edelman Financial Services LLC is the Plan's investment advisor, and CMC Pension Professionals is the Plan's Third Party Administrator; therefore, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 – PROHIBITED TRANSACTIONS

For the year ended December 31, 2023, the Company submitted late employee contributions totaling $25,424, to the Plan. These late remittances are considered prohibited transactions by the Internal Revenue Service ("IRS") and Department of Labor ("DOL") and may be subject to penalties and interest. The loss of earnings on the aforesaid later remittances is computed to be $221 to be contributed by the plan sponsor as QNEC contributions which has been accrued in the financial statements.

NOTE 9 – SUBSEQUENT EVENTS

The Plan has evaluated and determined that no other events have occurred subsequent to the date of the statement of net assets available for benefits through October 14, 2024 the date which the financial statements were available to be issued, which require recording or disclosure in these financial statements.
