As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of OTG Concessions Management, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OTG Concessions Management, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date that these financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OTG Concessions Management, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OTG Concessions Management, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedules Required by ERISA

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan

The following description of the OTG Concessions Management, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan document for the complete information.

General

The Plan was established on January 1, 2006 and then subsequently amended and last restated on December 29, 2022. Effective March 1, 2022, the plan name was changed from OTG Management, LLC 401(k) Profit Sharing Plan to OTG Concessions Management, LLC 401(k) Profit Sharing Plan. The Plan is a defined contribution plan and is subject to the *Employee Retirement Income Security Act of 1974* (ERISA). Employees of OTG Management, LLC and its subsidiaries (collectively referred to as the Company or Employer) are eligible to participate in the Plan, except for employees eligible to receive employer contributions to a union retirement plan, in connection with a collective bargaining agreement.

CARES Act

On March 27, 2020, President Trump signed into law the *Coronavirus Aid, Relief and Economic Security Act* (CARES Act). The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated the relief provisions available to plan participants under the CARES Act and implemented the following provisions:

- Special coronavirus distributions up to \$100,000 for qualified individuals.
- Increased plan loan limits to qualified individuals, as described below, to the lesser of \$100,000 or 100% of the participant's vested account balance.
- Suspension of plan loan repayments to qualified individuals, up to one year.
- Waiver of all required minimum distributions for all participants.

These relief provisions expired on December 31, 2020. Plan management will amend their plan document to retroactively adopt these provisions no later than December 31, 2025.

Eligibility

All full-time employees of the Company are eligible to participate in the Plan on the first day of the month following the completion of six months of service and the attainment of age 21.

Contributions

Participant contributions are made on a pre-tax basis, not to exceed statutory limits. Participants who attain age 50 before the close of the plan year are eligible to make catch-up contributions, as defined in the Plan. Participants also may contribute amounts representing distributions from other qualified defined contribution plans. The Company may make discretionary profit-sharing contributions to the Plan in accordance with the provisions contained in the plan document. No discretionary profit-sharing employer contributions were made by the Company for the year ended December 31, 2023.

The Company is required to make a safe-harbor matching contribution equal to 100% of a participant's salary deferral contributions, up to 4% of their compensation, and 50% of the participant's salary deferral contributions that exceed 4% of their compensation, not to exceed 6%.

Notes to Financial Statements
December 31, 2023 and 2022

Participant Accounts

Each participant's account is credited with their deferred contributions, Company contributions, and allocations of their investment earnings net of related fees. Contributions are invested based upon the percent allocation elected by the participant into one or more of the investment options available to the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Each participant is permitted to borrow from their account an amount not to exceed 50% of their vested account balance, up to a maximum of \$50,000. The minimum amount that may be borrowed is \$1,000. Only one loan may be outstanding at a time. Loan terms may not exceed five years, except to purchase a primary residence, the term of which cannot exceed ten years. The loans are collateralized by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined by the plan administrator. Interest rates at December 31, 2023 ranged from 4.25% to 9.50%.

Vesting

Participants are fully vested at all times in their elective deferrals, the safe-harbor matching contributions, and discretionary profit-sharing employer contributions, plus earnings thereon.

Benefit Payments

A participant's vested interest in the Plan's assets is distributable generally upon termination, disability, retirement, or death. Participants may withdraw from their individual accounts, pursuant to specific guidelines as set forth in the plan document.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, see Note 4. The sales and purchases of investment securities, and gains and losses on the sale of investments, are recognized at the trade date. Net appreciation includes the Plan's gains (and losses) on investments bought and sold, as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis.

Notes Receivable from Participants

Notes receivable from participants are stated at their unpaid principal balance, plus any accrued but unpaid interest. Defaulted notes are recorded as benefit payments according to the terms of the plan document. Fees charged by the trustee relating to notes receivable from participants are paid from the related participants' accounts. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Most administrative expenses of the Plan are paid by the Company. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

Note 3. Certifications of Plan Trustees

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company (through August 31, 2023) and T. Rowe Price Trust Company (beginning September 1, 2023), qualified institutions, have certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income and interest income from notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

Note 4. Disclosures About Fair Value of Plan Assets

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access
- Level 2** Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the assets or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, Level 2 input must be observable for substantially the full term of the asset or liability
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement

OTG Concessions Management, LLC 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2023 and 2022

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

- Mutual funds: valued at unadjusted quoted prices, which represent the net asset value (NAV) of shares held by the Plan at year end.
- Collective investment trusts: The value of the collective investment trusts is determined based on the underlying assets, which represents the net asset value, a practical expedient of fair value, of units held by the Plan. The objective is to diversify risk based on the associated target retirement date. The Plan's investment in the collective investment trusts may be redeemed daily. There are no redemption fees or notice periods and no unfunded commitments as of December 31, 2023 and 2022.
- Common collective trusts – stable value fund: The fair value of the common collective trust is determined by the trustee of the common collective trust based on the underlying assets, which represents the net asset value, a practical expedient of fair value, of units held by the Plan. The common collective trust fund seeks to preserve the principal investment while earning a level of interest income that is consistent with principal preservation and invests primarily in benefit-responsive investment contracts issued by insurance companies and other financial institutions, fixed income securities, and money market funds. The common collective trusts do not have any unfunded commitments relating to their investments, or any significant restrictions or redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments at fair value at December 31, 2023 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds - in fair value hierarchy	<u>\$ 2,477,440</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 2,477,440
Collective investment trusts - measured at net asset value (a)				<u>23,478,528</u>
Total investments, at fair value				<u>\$ 25,955,968</u>

Investments at fair value at December 31, 2022 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds - in fair value hierarchy	<u>\$ 2,671,715</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 2,671,715
Collective investment trusts - measured at net asset value (a)				<u>18,138,632</u>
Total investments, at fair value				<u>\$ 20,810,347</u>

- (a) Certain investments measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 5. Party-in-Interest Transactions

All investments are issued and managed by T. Rowe Price, the recordkeeper of the Plan. Any purchases and sales transactions of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Notes receivable from participants also qualify as exempt party-in-interest transactions. Administrative fees paid by the Plan for administrative services amounted to \$86,444 for the year ended December 31, 2023.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to change or terminate the Plan subject to the provisions of ERISA. In the event of termination, participants become 100% vested and plan assets will be distributed to participants based on their individual account balances.

Note 7. Tax Status

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by T. Rowe Price Retirement Plan Services Inc. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified, and the related trust was tax exempt as of the financial statement date.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amount reported in the statements of net assets available for benefits.
