Independent Auditors' Report

To the Retirement Planning Committee of
the CiDRA Holdings LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of CiDRA Holdings LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report (continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditors' Report (continued)

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at Year End) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CiDRA Holdings LLC 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the CiDRA Holdings LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is an Empower Trust Company, LLC prototype defined contribution 401(k) plan adopted by CiDRA Holdings LLC (the Company and Plan Sponsor).

The Plan is available to employees of the Company who have reached age 21. Employees may participate in the Plan on the first day of the month following the date on which the eligibility requirements are met. Eligible participants are automatically enrolled into the Plan the first day of the month after the date of hire unless the employee declines participation.

The Company is responsible for the administrative and investment options of the Plan. Empower Trust Company, LLC provides trust and custodial services to the Plan. The Company has appointed Empower Trust Company, LLC as Trustee and Recordkeeper of the Plan.

CiDRA Holdings LLC includes: (x) its wholly owned subsidiaries CiDRA Corporate Services LLC and CiDRA Mineral Processing Inc.; (y) its affiliate, CiDRA Concrete Holdings LLC, a company under common control by the members of CiDRA Holdings LLC; and (z) a wholly owned subsidiary of CiDRA Concrete Holdings LLC, CiDRA Concrete Systems Inc.

Contributions

Participants may contribute on a pre-tax basis, a percentage of their annual gross wages or a specific dollar amount each payroll period, provided such amounts do not exceed certain limitations established by the Internal Revenue Code (IRC). Participants may also elect to designate a portion or all of their elective deferrals as Roth 401(k) contributions. The Plan allows for automatic enrollment to all new participants at a rate of 6% of their pre-tax annual gross wages, increasing by 1% on each anniversary of participation up to 10%.

Participants may change the percent of pre-tax annual gross wages at any time. Contributions are made by payroll deductions. Participants may also contribute amounts representing distributions from other qualified defined contribution or defined benefit plans as rollover contributions.

401(k) Plan

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Contributions (continued)

The Plan provides that the Company may make matching contributions, at the discretion of the board of directors, to participant accounts.

Effective January 1, 2022, the Company elected to reinstate the Company matching contribution of 50% of the first 6% of annual gross wages contributed by the participant provided such contributions do not exceed certain limitations established by the IRS.

Participants may direct the investment of their contributions in one percent increments into any of the funds offered by the Plan as investment options, subject to a five percent minimum in each fund. Participants may change their investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions and Plan earnings and charged with an allocation of certain administrative and investment management expenses, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer matching contribution, including actual earnings thereon, is based on years of continuous service using the following graded vesting schedule.

Years of Service	Percent Vested
Less than 1 year	0%
1 year but less than 2	20%
2 years but less than 3	40%
3 years but less than 4	60%
4 years but less than 5	80%
5 years and thereafter	100%

401(k) Plan

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Forfeitures

Upon a participant's separation from service, non-vested contributions are forfeited by the participant. Forfeitures may be used to offset employer contributions or pay Plan expenses. There were \$7,765 and \$13,214 forfeited non-vested amounts for the years ended December 31, 2023 and 2022, respectively. Earnings on forfeited non-vested accounts were \$1,783 and \$999 for the years ended December 31, 2023 and 2022, respectively. At December 31, 2023 and 2022 forfeited non-vested accounts totaled \$29,843 and \$51,332, respectively. During the years ended December 31, 2023 and 2022 the Plan used \$31,037 and \$0 of forfeited amounts to offset employer contributions and/or pay certain Plan expenses respectively.

Distribution of Benefits

On termination of service due to death, participant's estates or beneficiary will receive a lump sum distribution of their account balance. For termination of service due to retirement, disability, or other termination of employment, account balances less than \$5,000 will be distributed in a lump sum as soon as administratively feasible. For balances greater than \$5,000, the participant may maintain their balance in the Plan or elect a lump sum distribution.

Participants may receive distributions prior to termination of employment if they meet certain hardship conditions as defined in the Plan document or have attained the age of 59 ½.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses have been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

The Plan contains provisions which allow participants to apply for loans from their accounts. The maximum amount that a participant may borrow from the Plan is limited to the lesser of 50 percent of their account balances or \$50,000. Participant loans are subject to a minimum of \$1,000. Participants can have no more than two loans outstanding at any given time. Loans issued prior to December 16, 2013 accrue interest at fixed rates as determined by the Plan Administrator based on prevailing interest rates charged by persons in the business of lending money for which loans would be made under similar circumstances. Loans issued after December 16, 2013 accrue interest at a rate of 1% over the Prime Rate as published in the Wall Street Journal on the first business day of the month before the loan is originated. Interest rates on loans outstanding ranged between 4.25% and 9.50% at December 31, 2023. The participants' account balances serve as collateral for the loan. Principal and interest are paid ratably through monthly payroll deductions over a period not to exceed five years (or up to 15 years for the purchase of a primary residence).

1. Description of the Plan (continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

2. Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

The Plan's investments are comprised of mutual funds and common collective trust funds. The Plan's mutual funds are stated at fair value, which is based on quoted market prices in an active market. The market value of mutual funds is based on the net asset value (NAV) of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis.

The Plan invests in the various Putnam Retirement Advantage Funds (common collective trust funds). The funds calculate fair value using the net asset value per share (NAV) or its equivalent in a manner consistent with the measurement principles of Topic 946, *Financial Services – Investment Companies*. As such, the funds qualify for the NAV practical expedient, which permits the funds to be omitted from the fair value hierarchy under ASU 2015-07, *Fair Value Measurement and Disclosures* (FASB ASC 820).

The Plan presents in the statements of changes in net assets available for benefits the net appreciation or depreciation in the fair value of investments, which consists of the realized and unrealized gains or losses on those investments.

CiDRA Holdings LLC
401(k) Plan

Notes to Financial Statements (continued)

2. Significant Accounting Policies (continued)

Fair Value Measurements

The Plan follows FASB ASC 820, *Fair Value Measurement and Disclosures*, for all financial assets and liabilities and nonfinancial assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring basis. FASB ASC 820 defines fair value, establishes a fair value hierarchy, and expands disclosures about fair value measurements.

In addition to defining fair value, FASB ASC 820 requires disclosure around fair value and establishes a fair value hierarchy for valuation inputs. The hierarchy prioritizes the inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of three levels which is determined by the lowest level input that is significant to the fair value measurement in its entirety.

These levels are:

Level 1 – Inputs are based upon unadjusted quoted prices for identical instruments traded in active markets.

Level 2 – Inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Inputs are generally unobservable and typically reflect managements' estimates of assumptions that market participants would use in pricing the asset or liability. The fair values are therefore determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan provides that all costs and expenses incurred in administering the Plan may be paid by the Plan or the Company. During 2023 and 2022, the Company elected to pay for all Plan administrative costs and expenses other than loan origination fees and redemption charges on certain funds, which were charged to the individual participant accounts to which such fees and charges were related.

CiDRA Holdings LLC
401(k) Plan

Notes to Financial Statements (continued)

2. Significant Accounting Policies (continued)

Contributions

Contributions are recorded in the period in which the employee payroll deductions are made.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the dates of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the dates of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options. Investments in mutual funds and common collective trust funds are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

3. Fair Value Measurements

The following table summarizes the fair values and levels within the fair value hierarchy in which the fair value measurements fall for assets measured on a recurring basis as of December 31:

Description	Level 1	Level 2	Level 3	Total
2023				
Mutual funds	\$ 19,478,431	\$ -	\$ -	\$ 19,478,431
Total investments in the fair value hierarchy	\$ 19,478,431	\$ -	\$ -	\$ 19,478,431
*Common collective trust funds				10,635,007
Total investments at fair value				\$ 30,113,438
2022				
Mutual funds	\$ 16,535,290	\$ -	\$ -	\$ 16,535,290
Total investments in the fair value hierarchy	\$ 16,535,290	\$ -	\$ -	\$ 16,535,290
*Common collective trust funds				10,431,329
Total investments at fair value				\$ 26,966,619

*Investments measured at fair value using the NAV as a practical expedient have not been classified within the fair value hierarchy, pursuant to ASU 2015-07.

4. Summary of Information Certified by the Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee of the Plan, Empower Trust Company, LLC as of and for the years ended December 31, 2023 and 2022, have certified to the Plan Administrator the following information as complete and accurate, which has been relied on by the Plan Administrator in the preparation of the Plan's financial statements:

Investment balances at cost and fair value in the aggregate and by fund, as of December 31, 2023 and 2022;

Notes receivable from participants plus any accrued but unpaid interest as of December 31, 2023 and 2022;

Interest and dividend income credited to the Plan, in the aggregate and by fund, for the years ended December 31, 2023 and 2022; and

Net appreciation (depreciation) in the fair value of Plan investments, in the aggregate and by fund, for the years ended December 31, 2023 and 2022.

5. Tax Status

The Plan Administrator has not obtained a tax determination letter from the Internal Revenue Service (IRS). The Plan adopted a Empower Trust Company, LLC prototype plan, which received an IRS opinion letter on March 31, 2014, in which the IRS stated that the prototype Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan Administrator believes that the Plan and related trust are designed and are currently being operated in accordance with applicable sections of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

7. Party-in-Interest and Related Party Transactions

Certain Plan investments and notes receivable from participants were held and managed by Empower Trust Company, LLC, the Trustee, and, therefore, purchases and sales of their respective securities, and interest, qualify as party-in-interest transactions.

8. Subsequent Events

The Plan has evaluated events occurring between December 31, 2023 and October 11, 2024, the date the financial statements were available to be issued.
