INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the Plan
Avantus, LLC 401(k) Profit Sharing Plan and Trust
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Avantus, LLC 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Avantus, LLC 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (Continued)

Opinion (continued)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Avantus, LLC 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Avantus, LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Avantus, LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Avantus, LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 and Schedule of Nonexempt Prohibited Transactions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT
(Continued)

Supplemental Schedules Required by ERISA (continued)

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
Years Ended December 31, 2023 and 2022

Note 1. DESCRIPTION OF THE PLAN

The following description of the Avantus, LLC 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined-contribution 401(k) plan established as of January 1, 2010 to provide retirement benefits for eligible employees of Avantus, LLC (the Company). Employees must be 21 or older to be eligible for employee contributions and employer safe harbor matching contributions. Employees must be age 21 or older, an eligible participant employed by the employer at year end and have completed at least 500 hours of service to be eligible for employer profit-sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2023, the Plan Adoption Agreement was amended to change the Plan's name from 8minute Solar Energy LLC. 401(k) Profit Sharing Plan and Trust to Avantus, LLC 401(k) Profit Sharing Plan and Trust.

Contributions

Participants may elect salary deferral contributions to the Plan of up to 90% of their compensation, subject to annual limits established by the Internal Revenue Service. Participants who are age 50 or older before the end of the plan year are eligible to make additional catch-up contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). The Company makes safe harbor matching contributions equal to 100% of participant salary deferrals that do not exceed 6% of eligible compensation. The Company may also make discretionary profit-sharing contributions to the Plan.

Participant Accounts

Each participant's account is credited with the participant's salary deferral contributions, the Company's matching contributions, an allocation of the Company's discretionary profit-sharing contributions, and the actual earnings thereon. The Company's discretionary profit-sharing contributions are allocated based on participant's eligible earnings compared to the eligible earnings of the other participants who will also share in the contribution.

Years Ended December 31, 2023 and 2022

Note 1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately 100% vested in their contributions, the Company's safe harbor matching contributions, and related earnings thereon.

Vesting in the Company's discretionary profit-sharing contributions and related earnings is as follows:

<u>Years of Service</u>	<u>Vested Interest</u>
Less than 2 years	0%
2 years, but less than 3	20%
3 years, but less than 4	40%
4 years, but less than 5	60%
5 years, but less than 6	80%
6 years or more	100%

Participants become fully vested upon termination for reason of normal retirement, death or disability, or if the Plan is terminated. For participants that are not fully vested in their account balance upon termination for reasons other than normal retirement, death, or disability and do not take a distribution from the Plan, non-vested benefits are forfeited as of the date of the participant's five-year period of severance. For participants that are not fully vested in their account balance upon termination for reasons other than normal retirement, death, or disability and receive a distribution of the vested portion of their account, non-vested benefits are forfeited upon the date that the distribution is taken.

Forfeitures of \$11 and \$358 were used to reduce the Company's contributions in 2023 and 2022, respectively. The forfeiture account had a balance of \$12,759 and \$11,177 at December 31, 2023 and 2022, respectively.

Years Ended December 31, 2023 and 2022

Note 1. DESCRIPTION OF THE PLAN (continued)

Notes Receivable from Participants

Notes receivable from participants are stated at their unpaid principal balance plus accrued but unpaid interest. Delinquent participant notes receivable are reclassified as distributions. Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable from participants bear an interest rate equal to the Prime rate plus 2% and are secured by the participant's vested account balance. The participant notes receivable must be repaid within 5 years, or within 30 years if it qualifies as a home loan, as defined by the Plan. The interest rate on participant notes receivable ranged from 5.25% to 10.50% at December 31, 2023 and from 5.25% to 9.00% at December 31, 2022.

Payment of Benefits

Upon termination of service, attainment of normal retirement age, disability or death, the participant will receive the value of the vested interest in their account as a lump-sum distribution or other distribution methods elected by the participant.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared based upon the accrual method of accounting.

Investments

Investments in registered investment companies are stated at fair value based on the publicly quoted net asset value (NAV) of the shares held by the Plan.

Notes to Financial Statements

(Continued)

Years Ended December 31, 2023 and 2022

Note 2. SUMMARY OF ACCOUNTING POLICIES (continued)

Investments (continued)

Investments in the collective investment trust, the MetLife Stable Value Solutions Fund-Fee Class J (the Fund), are stated at NAV as a practical expedient to estimate fair value. The NAV per unit, as provided by Wilmington Trust, N.A. (the Trustee), is computed by dividing the total contract value of the assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the Fund and is included in the determination of unit values. The Fund was formed for the purpose of allowing collective investments in the MetLife Group Annuity Contract No. 25554 issued by Metropolitan Life Insurance Company (MetLife) to the Trustee. The investment objective of the Fund is to provide safety of principal, adequate liquidity, and a competitive yield with low return volatility.

Investment-related expenses are included in the net realized and unrealized gain (loss) in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Company.

Note 3. FAIR VALUE MEASUREMENTS

The Plan's investments in registered investment companies are reported at fair value in the accompanying statements of net assets available for benefits. Generally accepted accounting principles establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Fair Value Measurements

Fair values are based on publicly quoted prices in active markets for identical assets. The fair value of investments in registered investment companies is based on the publicly quoted net asset value of the shares held by the Plan.

Level 2 Fair Value Measurements

Fair values are based on observable inputs other than publicly quoted prices in active markets for identical assets.

Level 3 Fair Value Measurements

Fair values are based on unobservable inputs used for valuing the asset.

Fair Value Measurements as of December 31, 2023 using:

	Level 1	Level 2	Level 3	Total Fair Value
Investments in registered investment companies	\$ 32,465,491	\$ -	\$ -	\$ 32,465,491

Investments measured at NAV using the practical expedient				<u>493,155</u>
Total investments, at fair value				<u>\$ 21,445,522</u>

Investments in the collective investment trust are stated at net asset value (NAV) as a practical expedient to estimate fair value. Refer to Note 2 for a description of the collective investment trust. Participant transactions (purchases and sales) may occur daily. Participants may generally redeem Fund units on a daily basis; the redemption price will be the NAV which is computed after receipt of the redemption request in good order. The Trustee may, in its sole discretion, make redemptions from the Fund in-kind. The Trustee may, in its sole discretion, delay such redemption for up to 10 business days.

Note 6. FEDERAL INCOME TAX STATUS

The IRS has determined and informed the Plan sponsor by a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Avantus, LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

(Continued)

Years Ended December 31, 2023 and 2022

Note 6. FEDERAL INCOME TAX STATUS (continued)

Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for an uncertain position if it is not more likely than not that the position would be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note 7. PARTIES-IN-INTEREST

Certain expenses of the Plan are paid for by the Company. The Company is the sponsor of the Plan and, therefore, these transactions qualify as party-in-interest. The most significant of these costs paid by the Company are the salaries for the Company's employees responsible for plan administration and the fees paid to a third-party administrator.

Note 8. PLAN TERMINATION

The Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their account balance.

Note 9. PROHIBITED TRANSACTION

The Plan experienced a prohibited transaction during 2022, as defined by ERISA, Section 4975. The Company incorrectly matched an employee deferral relating to an unearned clawback bonus. Instead of transferring these incorrect matching contributions to the forfeiture account, as generally required, the Company withdrew the funds from the Plan. At the direction of the Company's legal counsel, the Company corrected this issue by contributing the employer match and lost earnings to the Plan's forfeiture account in September 2023.

Notes to Financial Statements

(Continued)

Years Ended December 31, 2023 and 2022

Note 9. PROHIBITED TRANSACTION (continued)

Any potential penalties, interest, and associated costs with this prohibited transaction are the responsibility of the Company and will not be borne by the Plan or the participants. The amount involved in the transaction has been disclosed on the Schedule of Nonexempt Prohibited Transactions included in the supplemental information.

Note 10. SUBSEQUENT EVENTS

Subsequent events were evaluated for accrual and disclosure through October 11, 2024, which is the date the 2023 financial statements were available to be issued.
