INDEPENDENT AUDITORS' REPORT

Sponsors and Participants
FISC 401K Plan and Trust
Washington, D.C.

Opinion

We have audited the financial statements of FISC 401K Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2023 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of FISC 401K Plan and Trust as of December 31, 2023, and the changes in its net assets available for benefits for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of FISC 401K Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FISC 401K Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FISC 401K Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FISC 401K Plan and Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i – Schedule of Assets Held at End of Year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, including its form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and the content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA .

Notes to Financial Statements
December 31, 2023

The following description of the FISC 401K Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

NOTE A – Description of Plan

The following description of the FISC 401K Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

Federal Integrated Systems Corporation (the “Sponsor”) established the Plan as of January 1, 2012, covering employees of Federal Integrated Systems Corporation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Eligibility

Employees having attained the age of 18 are eligible to participate the six months after their date of hire.

Contributions

Participants may elect to defer their compensation up to the maximum extent allowed by law. Employer contributions are discretionary.

Investment Alternatives

Plan participants may direct their account balances in partial percentage increments to any of the various investment options offered by the Plan, via the Plan website. Participants may change their investment options on a daily basis.

Participant Accounts and Allocations

Participant recordkeeping is performed by Wellington Consulting Services, Inc.. Participant investments are in mutual funds that are accounted for on the unit value method.

Each participant’s account is credited with the participant’s contributions, employer contributions, and Plan earnings (losses). Distributions are charged to each participant’s account. Allocations of the Plan earnings (losses) are based on participant account balances in relation to the total fund balance.

FISC 401K Plan and Trust
Notes to Financial Statements
December 31, 2023

NOTE A – Description of Plan (continued)

Vesting and distributions

Participants vest 100% in employer contributions. Participant accounts are distributable, in full or as partial withdrawals, in the form of lump sum payments or substantially equal installments. Participant accounts can be rolled over into an individual retirement account or another qualified defined benefit plan.

NOTE B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (“GAAP”)

Investment Valuation and Income Recognition

The Plan’s investments are stated at fair value. Fair value is the price that would be received on the sale of an asset in an orderly transaction between market participants at the measurement date. The Plan presents in the Statements of Changes in Net Assets Available for Benefits the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments. Purchases and sale are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recognized when earned. Investment related expenses are deducted from net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid except for any excess contribution payable to participants, which are recorded as they become payable.

Income Tax Status

The Plan adopted the Plan trustee’s plan document, which received a favorable opinion letter from the Internal Revenue Service, stating that it is qualified under the various requirements of the Internal Revenue Code and is, therefore, not subject to tax under present income tax laws. Accounting principles generally accepted in the United States of America require a Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken an uncertain position that would likely not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023, there are no uncertain tax positions taken that would require recognition of a liability.

FISC 401K Plan and Trust
Notes to Financial Statements
December 31, 2023

NOTE B - Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in a combination of different investment securities. The Plan's investments are exposed to various risks, including, but not limited to, interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the reported amounts in the Statement of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

Subsequent Events

Subsequent events have been evaluated through October 15, 2024, the date the financial statements were issued.

NOTE C – Investments

The Plan's investments are held in trust by Charles Schwab & Co., Inc. The Plan's trust agreement requires the Trustee to invest the Plan's assets into various fund options as directed by each participant.

The Plan's investments that exceed 5% of net assets available for benefits as of December 31, 2023 are as follows:

Schwab S&P 500 Index	365,169
Schwab US ST Bond Idx	267,610
Schwab US Small Cap Index	206,328
Schwab Total Stock Market Index	319,949
Schwab US Aggregate Bond Index	171,508
Schwab US Dividend	180,094
Schwab Money Fund	390,842

FISC 401K Plan and Trust
Notes to Financial Statements
December 31, 2023

NOTE D – Fair Value Measurements

The Plan follows a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and liabilities and have the highest priority. Level 2 is based upon observable inputs other than quoted market prices, and Level 3 is based on unobservable inputs. The Plan's investments that are measured by fair value are in mutual funds and fixed annuities, categorized as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 2,973,840	\$ -	\$ -
Equities	68,567	-	-

NOTE E – Loans

Under the Plan, participants may take loans from their account balances with repayment due up to five years. Total loans outstanding at December 31, 2023 are \$20,903.

NOTE E – Plan Termination

Although it has not expressed any intent to do so, the Sponsor has a right under the Plan to terminate the Plan, subject to the provisions of ERISA.

NOTE F – Exempt Party-in-interest Transactions

Certain Plan investments were managed by Charles Schwab & Co., Inc., the plan custodian. Transactions involving these investments are considered party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

NOTE G – Separated Individuals

Individuals who are no longer employed by the Plan sponsor have vested balances of \$365,792 at December 31, 2023
