Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of HCEC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Voya Retirement Insurance and Annuity Company ("a qualified institution") as of December 31, 2023 and 2022, and for the year then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HCEC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HCEC 401(k) Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the HCEC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HCEC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion on whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Assets (Acquired and Disposed within the Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HCEC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the HCEC 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information. The Plan is sponsored by Harris County Emergency Corps (the "Company").

1. General. The Plan was adopted effective June 1, 2011 and is a defined contribution safe harbor plan covering all employees of the Company. The purpose of the Plan is to provide employees with retirement benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Under the terms of the Plan, employees become eligible to make salary deferral contributions after they have completed one year of eligibility service and have also attained the age of 18. A year of eligibility service is a twelve-month period during which at least 1,000 hours is worked.
2. Contributions. Each year, participants may contribute up to 100% of their annual pretax compensation or roth 401(k) after tax contributions, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Company's safe harbor matching contributions are equal to 100% of the participants' salary deferrals up to 8% of their compensation. Additionally, the Company may make discretionary profit sharing contributions which are allocated to participants based on the relative compensation of all participants eligible to receive discretionary profit sharing contributions. Contributions are subject to IRS limitations.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 6% of eligible compensation. Contributions are automatically invested in a designated balanced fund until changed by the participant.
3. Investment Options. Upon enrollment in the Plan, participants direct the investment of their accounts among the various investment options provided under the Plan. The Plan currently offers various pooled separate accounts and an insurance investment contract as investment options for participants. Participants may change their investment elections at any time, as well as transfer existing balances between investment funds.
4. Participant Accounts. Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, and allocations of (a) the Company's safe harbor and discretionary contributions and (b) Plan earnings and losses, and is charged with withdrawals and an allocation of any administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
5. Vesting. Participants are immediately vested in their contributions, safe harbor matching contributions, and actual earnings thereon. Vesting in the Company's discretionary profit sharing contributions plus actual earnings thereon is based on years of continuous service. The following schedule describes the participants' level of vesting after each year of service. Participants are automatically vested in Company contributions upon death, disability or retirement.

NUMBER OF YEARS OF COMPLETED SERVICE	PERCENTAGE OF VESTED INTEREST
1	20%
2	40%
3	60%
4	80%
5	100%

6. Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. Loan transactions are treated as a transfer between investment funds and the loan fund. Each participant may have up to three loans outstanding at any time. Loans are secured by the vested balance in the participant's account and bear interest at a fixed rate of interest that reflects the current market rates charged by financial institutions for similar loans as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.
7. Payment of Benefits. Upon termination of employment, retirement, disability, or death, a participant or their beneficiary may elect to receive a lump-sum distribution or make a transfer to an individual retirement account ("IRA") based on the valuation of the participant's vested account balance as of the date of termination. If the participant's account balance exceeds \$1,000 but is less than \$5,000 and no timely election is made, the vested balance will be transferred to an IRA. Upon normal retirement age of 65, a participant does not need to terminate service but can take in-service distributions. Current Plan rules require that a distribution to a participant must generally begin no later than April first following the year in which the participant reaches age 73.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

8. Withdrawals. A hardship withdrawal, if approved, can be made to satisfy certain immediate and heavy financial needs, as defined by the Plan document, up to the amount of the participant's vested balance. An unrestricted withdrawal can be made at the age of 59½ or upon normal retirement age of 65 on all or a portion of the participants' vested account.
9. Forfeitures. A forfeiture is a terminated participant's unvested account balance in the Plan. Forfeitures may be used first to pay for Plan administration expenses then to reduce future employer contributions. The activity in the forfeiture account was as follows for the years presented:

Balance December 31, 2021	\$ 17
Forfeitures	-
Used to reduce employer contributions	-
Investment earnings	-
Balance December 31, 2022	17

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in all material respects.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts. Contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Investments are reported at fair value, except fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The net change in the fair value of investments is reported in the statement of changes in net assets available for benefits in the period of the change.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan Document.

Payment of Benefits

Benefit payments are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivables and distributions from participants are charged directly to the participants' accounts and are recorded in administrative expense. Investment related expenses are included in net appreciation of fair value of investments.

Risk and Uncertainties

The Plan provides for various investments options. Such investments are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

HCEC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Subsequent Events

Plan management has evaluated subsequent events through the date the financial statements were available for issuance on September 24, 2024. No matters were identified affecting the financial statements or related disclosures.

NOTE 3 - FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value (except the Fully Benefit Responsive Investment Contract - see Note 4) in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurements accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels as follows:

- Level 1 - quoted prices in active markets for identical assets
- Level 2 - other significant observable inputs either directly or indirectly (including quoted prices for similar securities, interest rates, yield curves, credit risk, etc.)
- Level 3 - significant unobservable inputs

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts - Accounts invest exclusively in one underlying mutual fund traded on an established market. All of the pooled separate accounts are valued at the net asset value ("NAV") of units in the account. The NAV, as provided by the Trustee, is based on the fair value of the underlying investment held in the account.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022.

		FAIR VALUE MEASUREMENTS AT REPORTING DATE USING		
		QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS/ LIABILITIES (LEVEL 1)	SIGNIFICANT OTHER OBSERVABLE INPUTS (LEVEL 2)	SIGNIFICANT UNOBSERVABLE INPUTS (LEVEL 3)
DECEMBER 31, 2023	FAIR VALUE			
Pooled Separate Accounts	\$ 10 286 695	\$ -	\$ 10 286 695	\$ -
TOTAL INVESTMENTS AT FAIR VALUE	\$ 10 286 695	\$ -	\$ 10 286 695	\$ -
		FAIR VALUE MEASUREMENTS AT REPORTING DATE USING		
		QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS/ LIABILITIES (LEVEL 1)	SIGNIFICANT OTHER OBSERVABLE INPUTS (LEVEL 2)	SIGNIFICANT UNOBSERVABLE INPUTS (LEVEL 3)
DECEMBER 31, 2022	FAIR VALUE			
Pooled Separate Accounts	\$ 8 483 474	\$ -	\$ 8 483 474	\$ -
TOTAL INVESTMENTS AT FAIR VALUE	\$ 8 483 474	\$ -	\$ 8 483 474	\$ -

NOTE 4 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2017, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract (the "contract" with Voya Retirement Insurance and Annuity Company ("Voya"). Voya maintains the contributions in a general account ("Fixed Account"). The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

HCEC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

NOTE 4 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY - CONTINUED

The contract value of the investment contract was \$419,137 and \$386,942 at December 31, 2023 and 2022, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1%.

Certain events limit the Plan's ability to transact at contract value. Such events include the following: (a) the Plan or Plan trust fails to maintain its special tax qualified or exempt status under 401(a) of the Code, (b) the Plan fails to provide information necessary for Trustees to perform its duties under the contract and the Plan fails to remedy the failure within 31 days from the date of notification, (c) the Plan trust is amended in a way that adversely affect Trustee's obligations under the contract, or (d) a change such that the Plan is no longer considered to be an entity which is authorized or eligible to sponsor the contract. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator is not aware of any circumstances that would limit the ability of the Plan to transact at contract value.

NOTE 5 - RELATED PARTY TRANSACTIONS AND PARTIES-IN-INTEREST TRANSACTIONS

The Plan invests in a Fixed Account and Pooled Separate Accounts managed by Voya Retirement Insurance and Annuity Company, the Trustee. As such, transactions related to these investments qualify as party-in-interest transactions. The investment is considered an exception to the Prohibited Transaction Rules of ERISA.

The Plan makes loans available to participants on a nondiscriminatory basis. Since Plan participants are employees of the Plan sponsor, they are considered parties-in-interest. Loans to Plan participants are considered an exception to the Prohibited Transaction Rules of ERISA, since the loans are adequately secured, bear a reasonable interest rate and do not exceed certain limits.

The Plan incurs expenses related to general administration, recordkeeping and investment advisory services. Expenses such as loan fees and distribution fees, charged by the Trustee are paid by the Plan. Fees paid by the Plan to the Trustees for these services totaled \$26,616 for the year ended December 31, 2023.

NOTE 6 - FEDERAL INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated October 20, 2021, that the Plan qualifies under Section 401(a) of the Internal Revenue Code and, therefore, is not subject to tax under present income tax laws. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. The Company intends to make all necessary amendments to the Plan in order to maintain its qualification, and the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee, Voya. The information has not been audited by the Plan's independent auditors.

December 31, 2023:		
Investments, at fair value	\$	10 286 695
Investments, at contract value	\$	419 137
Total investment income	\$	1 557 079
December 31, 2022:		
Investments, at fair value	\$	8 483 474
Investments, at contract value	\$	386 942

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, including partial termination, participants will become 100% vested in their accounts.
