Board of Trustees
Northern Panhandle Head Start Retirement Savings Program

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Northern Panhandle Head Start Retirement Savings Program (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022; the related statement of changes in net assets available for benefits for the year ended December 31, 2023; and the related notes to the financial statements (collectively, the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Northern Panhandle Head Start Retirement Savings Program (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a more comprehensive description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Northern Panhandle Head Start, Inc. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Employees may elect to contribute, through the 403(b) feature, a percentage of their base salary or a fixed dollar amount each period, not to exceed the maximum amount permitted by the Internal Revenue Code. Employees may elect to have their contributions invested in various investment options administered by the Plan’s custodians. In addition, the employer may make a discretionary non-elective contribution. The contribution is allocated by a ratio of compensation. Contributions are subject to certain limitations.

Participant Accounts

In accordance with the terms of the Plan, the account of each participant is maintained on a fair value basis. Each participant’s account consists of the contributions made on their behalf by NPHS, their employee elective deferral contributions, their employee rollover contributions, and their share of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants in the Plan are immediately vested in their elective contribution accounts. They are entitled to their entire account balance if their participation ceases for any reason whatsoever.

If a participant’s employment is terminated for reason of death, normal retirement, or retirement due to disability, the participant shall be entitled to the full account. If employment is terminated for any reason other than death, retirement, or disability, the participant shall be entitled to the vested portion of the employer contribution account in accordance with the following schedule: < 1 year – 0 percent, < 2 years – 20 percent, < 3 years – 40 percent, < 4 years – 60 percent, < 5 years – 80 percent, and > 5 years – 100 percent.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Forfeitures

Forfeiture of non-vested account balances will be used to offset the current-year employer contributions or used to pay Plan administrative expense payments. During 2023, there was \$18,594 in forfeitures used to pay administrative expenses. At December 31, 2023 and 2022, the forfeitures on non-vested accounts had a balance of \$10,205 and \$25,723, respectively.

Administrative Expenses

Administrative expenses of the Plan relating to investment management, recordkeeping, accounting fees, and miscellaneous expenses are paid from participants' accounts. Significant expenses may be absorbed by the Plan Sponsor.

The employer and Plan Administrator, NPHS, absorbs most of the administrative costs of the Plan.

Payments of Benefits

Benefits are recorded when paid.

If a participant elects to take their retirement benefit in a form other than a qualified joint and survivor annuity, the participant may choose from the following optional forms of distribution of benefits: (a) lump-sum cash payment, (b) straight life annuity, and (c) any other method contained in the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting and reporting policies applied in the presentation of the accompanying financial statements follows:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Accounting Estimates

The financial statements have been prepared in conformity with U.S. generally accepted accounting principles. In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ significantly from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Valuation of Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The net appreciation in fair value of investments includes investments purchased, sold, and held during the year.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTE 3 – INVESTMENTS

The Plan investments were administered by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company and Invesco Trust Company as of December 31, 2023 and 2022, (Custodians). The following is a summary of the investment information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the Custodians and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Custodians state that information provided to the Plan Administrator by the Custodians related to the following investments is complete and accurate. Accordingly, as permitted by CFR 2520.103-8 of the Departments of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information, which appears throughout the financial statements and supplemental schedule, related to investments:

	December 31,	
	2023	2022
Investments at fair value		
Mutual funds	\$ 2,324,270	\$ 1,990,985

Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company and Invesco Trust Company also certified to the accuracy of \$296,386 of net appreciation in fair value of investments, and interest and dividend income of \$46,784 for the year ended December 31, 2023.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, NPHS has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NORTHERN PANHANDLE HEAD START RETIREMENT SAVINGS PROGRAM
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 5 – TAX STATUS

NPHS has no determination letter from the Internal Revenue Service (IRS) indicating that the Plan is qualified, and the trust established under the Plan is tax exempt. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the code. Therefore, NPHS believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Management of the Plan is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under the Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of NPHS. No such officer or employee receives compensation from the Plan. NPHS may absorb significant costs incurred in relation to the administration of the Plan. Such costs include legal and accounting fees. These fees totaled \$8,000 for the year ended December 31, 2023.

NOTE 7 – FAIR VALUE OF FINANCIAL INSTRUMENTS

The Plan discloses fair value of its financial instruments. Financial instruments are defined as cash, evidence of ownership in an entity, or a contract that creates an obligation or right to receive or deliver cash or another financial instrument from/to a second entity on potentially favorable or unfavorable terms. If quoted market price is available for a financial instrument, the estimated fair value would be calculated based upon the market price per trading unit of the instrument. Investments would be considered financial instruments. At December 31, 2023, the carrying amount of these financial instruments approximates fair values.

NORTHERN PANHANDLE HEAD START RETIREMENT SAVINGS PROGRAM
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 8 – FAIR VALUE MEASUREMENTS

The Plan utilizes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs. The three levels of the fair value hierarchy under ASC 820 are described below:

- Level I: Inputs to the valuation methodology are unadjusted quoted prices for assets or liabilities in active markets that the Plan has the ability to access.
- Level II: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.
- Level III: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual funds: Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 8 – FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

		2023			
		Level I	Level II	Level III	Total
Mutual funds					
Equity funds	\$	2,324,270	\$ -	\$ -	\$ 2,324,270

Total assets at fair value	\$	<u>1,990,985</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,990,985</u>

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 10 – SUBSEQUENT EVENTS

Management has reviewed events occurring through October 11, 2024, the date that the financial statements were issued, and no subsequent events have occurred requiring disclosure.
