To the Participants and Plan Administrator of the
Diamond Paper Box Company, Inc. Section 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of Diamond Paper Box Company, Inc. Section 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Diamond Paper Box Company, Inc. Section 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Paper Box Company, Inc. Section 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Paper Box Company, Inc. Section 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Paper Box Company, Inc. Section 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Paper Box Company, Inc. Section 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter—Supplemental Schedule Required by ERISA (Continued)
In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of the Diamond Paper Box Company, Inc. Section 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan containing both profit sharing and 401(k) components. Unless otherwise indicated, the Plan provisions are the same for both components. The Plan covers substantially all of the employees of Diamond Paper Box Company, Inc. (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company is the Plan sponsor and Plan administrator and pays certain administrative expenses of the Plan. Certain employees of the Company serve as the trustees of the Plan. Voya Retirement Insurance and Annuity Company (Voya), is the custodian and third-party administrator of the Plan and provides record-keeping services for the Plan.

Eligibility

Employees are eligible to participate in the employee contribution and employer match portions of the 401(k) component of the Plan upon completion of thirty days of continuous service. Participants are eligible for profit-sharing contributions upon completion of one year of service and attainment of age eighteen.

Contributions

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 2% of eligible pretax compensation. Participants may contribute a percentage of pretax annual compensation, as defined in the Plan, up to the maximum amount allowable in accordance with applicable sections of the Internal Revenue Code (Elective Deferrals). Participants may also rollover contributions from other qualified retirement plans. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

The Company may make matching contributions on a discretionary basis. During the 2023 and 2022 Plan years, the Company made matching contributions equal to 55% of the first 4% of each participant's eligible compensation, as defined by the Plan. The Company may also elect to make profit sharing contributions on a discretionary basis. There were no profit sharing contributions during 2023 and 2022.

Participant Accounts

Participants direct the investment of all contributions into various investment options offered by the Plan. Participants may change their investment options daily. Each participant's account is credited with his or her contributions, Company matching contributions and actual earnings and losses thereon. Profit sharing contributions, profit sharing earnings and losses, certain Plan expenses and forfeitures of non-vested account balances are allocated to each participant's account based on his or her compensation or account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (Continued)

Vesting
Participants are immediately 100% vested in their elective deferrals and Company matching contributions plus actual earnings thereon. Profit sharing contributions plus earnings thereon become 20% vested upon completion of two years of service and continue to vest at the rate of 20% for each successive year of service until 100% vested after six years of service. Participants are considered to have completed one year of service for vesting purposes upon completion of 1,000 hours of service at any time during the plan year.

Forfeitures
Forfeitures of non-vested accounts are used to offset any administrative expenses of the Plan, reduce Company matching contributions, or be reallocated to participants' individual accounts as discretionary profit-sharing contributions. During 2023 and 2022, forfeitures of non-vested accounts and earnings on unused amounts totaled $758 and $18, respectively. During 2023 and 2022, the Company did not utilize any forfeitures to offset administrative expenses, reduce Company matching contributions, or to be reallocated to participants' individual accounts as discretionary profit-sharing contributions. Forfeitures available to offset administrative expenses, reduce Company matching contributions, or to be reallocated to participants' individual accounts as discretionary profit-sharing contributions totaled $1,969 and $1,211 at December 31, 2023 and 2022, respectively.

Notes Receivable from Participants
Participants may borrow from their vested account balance a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. Notes receivable are payable over a period not to exceed 5 years, except when used to acquire a principal residence. The notes receivable are secured by the remaining vested account balance and bear interest at rates available for similar loans from commercial lending institutions. Principal and interest are paid ratably through weekly payroll deductions over the term of the loan.

Benefit Payments
The Plan provides for benefit payments upon termination of service due to death, disability, or attainment of retirement age. Participants may elect disbursement of their vested account balance in either a lump-sum amount, in installments or direct rollover into an individual retirement account or another qualified plan. The normal retirement age is the date a participant reaches the age of 65. Participants whose vested account balance is $5,000 or less at time of termination are subject to involuntary cash-out provisions of the Plan.

In-Service Withdrawals
Participants may elect disbursement of all or part of their vested account balance upon the attainment of age 59 ½. Participants may also withdraw any of their rollover contribution balance at any time.

Hardship Withdrawals
Hardship withdrawals from the Plan are permitted from elective deferral accounts. All hardship withdrawals must comply with specific rules relating to hardships, which are uniformly applicable to all participants.

Plan Termination
Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, each participant's account will become fully vested.

Administrative Expenses
The majority of administrative expenses of the Plan are paid by the Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board *Accounting Standards Codification 820* (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document.

Benefit Payments

Benefit payments are recorded when paid.

Risks and Uncertainties

Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investment securities and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in values in the near term would materially affect participants' account balances and the amount reported in the accompanying financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates and such differences may be significant.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Voya, the custodian, and is included in the accompanying financial statements and supplemental schedule at December 31:

	2023	2022
Investments, at fair value	$ 23,074,582	$ 20,851,383
Investment income (loss)	$ 2,858,385	$ (2,929,866)
Schedule of Assets (Held at End of Year)	Schedule I (except "notes receivable from participants")	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2023:

	Level 1	Level 2	Level 3	Total
Fixed annuities	$ -	$ 4,950,250	$ -	$ 4,950,250
Pooled separate accounts, at net asset value (a)				18,124,332
				$ 23,074,582

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2022:

	Level 1	Level 2	Level 3	Total
Fixed annuities	$ -	$ 5,243,968	$ -	$ 5,243,968
Pooled separate accounts, at net asset value (a)				15,607,415
				$ 20,851,383

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. FAIR VALUE MEASUREMENTS (Continued)

There were no changes to the valuation methodologies used during 2023. The following is a description of the valuation methodology used for assets measured at fair value.

Fixed annuities: valued based on observable inputs of existing contracts and readily available financial information of the issuing financial institutions.

Pooled separate accounts: valued at fair value using the NAV per share practical expedient. The pooled separate accounts are valued using Accumulation Unit Value (AUV). AUV represents the underlying fund's daily performance, plus any applicable dividend income, less the daily separate account charge. The investment strategies of the pooled separate account funds are to invest in underlying funds with the goal of producing favorable long-term returns and growth, depending on the overall fund objectives. There are no restrictions on redemption of the pooled separate accounts. There are no unfunded commitments.

In 2022, the Plan reclassified the fixed annuities previously valued at contract value as reported by Voya, due to a change in management's assessment and clarification of the inputs and valuation method being more consistent with Level 2. There was, however, no change in the actual inputs utilized to value the investments.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PARTY-IN-INTEREST TRANSACTIONS

Voya serves as the custodian of the Plan's investment assets. As such, transactions between the custodian and the Plan qualify as party-in-interest transactions. Additionally, Plan assets consist of notes receivable from participants, which qualify as party-in-interest transactions.

6. INCOME TAX STATUS

The Plan is designed from a non-standardized pre-approved profit-sharing plan with CODA offered by Voya. The Internal Revenue Service (IRS) has determined, by letter dated June 30, 2020, that the written form of the Voya underlying non-standardized pre-approved profit-sharing plan document is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has not yet applied for its own determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain classifications may differ between the financial statements and Form 5500. Net assets available for benefits per the financial statements agreed to Form 5500 in total as of December 31, 2023 and 2022 and change in net assets available for benefits per the financial statements agreed to Form 5500 for the year ended December 31, 2023.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (Continued)

The following is a reconciliation of the Plan's change in net assets available for benefits per the financial statements to the change in net assets available for benefits per Form 5500 for the year ended December 31, 2022:

Change in net assets available for benefits per the financial statements	$ (3,016,189)
Change in accrued distributions	(19,649)
Change in net assets available for benefits per Form 5500	$ (3,035,838)

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 14, 2024, which is the date the financial statements were available to be issued.

Effective January 1, 2024, the Plan amended the auto-enrollment default deferral rate from 2% to 3% of eligible pretax compensation. Additionally, the Plan was amended to permit participants to make Roth contributions, subject to certain limitations under terms of the Plan and the IRC.

INDEPENDENT AUDITOR'S REPORT

October 14, 2024

To the Participants and Plan Administrator of the
Diamond Paper Box Company, Inc. Section 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of Diamond Paper Box Company, Inc. Section 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Diamond Paper Box Company, Inc. Section 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Paper Box Company, Inc. Section 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Paper Box Company, Inc. Section 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Paper Box Company, Inc. Section 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Paper Box Company, Inc. Section 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter—Supplemental Schedule Required by ERISA (Continued)
In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of the Diamond Paper Box Company, Inc. Section 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan containing both profit sharing and 401(k) components. Unless otherwise indicated, the Plan provisions are the same for both components. The Plan covers substantially all of the employees of Diamond Paper Box Company, Inc. (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company is the Plan sponsor and Plan administrator and pays certain administrative expenses of the Plan. Certain employees of the Company serve as the trustees of the Plan. Voya Retirement Insurance and Annuity Company (Voya), is the custodian and third-party administrator of the Plan and provides record-keeping services for the Plan.

Eligibility

Employees are eligible to participate in the employee contribution and employer match portions of the 401(k) component of the Plan upon completion of thirty days of continuous service. Participants are eligible for profit-sharing contributions upon completion of one year of service and attainment of age eighteen.

Contributions

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 2% of eligible pretax compensation. Participants may contribute a percentage of pretax annual compensation, as defined in the Plan, up to the maximum amount allowable in accordance with applicable sections of the Internal Revenue Code (Elective Deferrals). Participants may also rollover contributions from other qualified retirement plans. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

The Company may make matching contributions on a discretionary basis. During the 2023 and 2022 Plan years, the Company made matching contributions equal to 55% of the first 4% of each participant's eligible compensation, as defined by the Plan. The Company may also elect to make profit sharing contributions on a discretionary basis. There were no profit sharing contributions during 2023 and 2022.

Participant Accounts

Participants direct the investment of all contributions into various investment options offered by the Plan. Participants may change their investment options daily. Each participant's account is credited with his or her contributions, Company matching contributions and actual earnings and losses thereon. Profit sharing contributions, profit sharing earnings and losses, certain Plan expenses and forfeitures of non-vested account balances are allocated to each participant's account based on his or her compensation or account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (Continued)

Vesting
Participants are immediately 100% vested in their elective deferrals and Company matching contributions plus actual earnings thereon. Profit sharing contributions plus earnings thereon become 20% vested upon completion of two years of service and continue to vest at the rate of 20% for each successive year of service until 100% vested after six years of service. Participants are considered to have completed one year of service for vesting purposes upon completion of 1,000 hours of service at any time during the plan year.

Forfeitures
Forfeitures of non-vested accounts are used to offset any administrative expenses of the Plan, reduce Company matching contributions, or be reallocated to participants' individual accounts as discretionary profit-sharing contributions. During 2023 and 2022, forfeitures of non-vested accounts and earnings on unused amounts totaled $758 and $18, respectively. During 2023 and 2022, the Company did not utilize any forfeitures to offset administrative expenses, reduce Company matching contributions, or to be reallocated to participants' individual accounts as discretionary profit-sharing contributions. Forfeitures available to offset administrative expenses, reduce Company matching contributions, or to be reallocated to participants' individual accounts as discretionary profit-sharing contributions totaled $1,969 and $1,211 at December 31, 2023 and 2022, respectively.

Notes Receivable from Participants
Participants may borrow from their vested account balance a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. Notes receivable are payable over a period not to exceed 5 years, except when used to acquire a principal residence. The notes receivable are secured by the remaining vested account balance and bear interest at rates available for similar loans from commercial lending institutions. Principal and interest are paid ratably through weekly payroll deductions over the term of the loan.

Benefit Payments
The Plan provides for benefit payments upon termination of service due to death, disability, or attainment of retirement age. Participants may elect disbursement of their vested account balance in either a lump-sum amount, in installments or direct rollover into an individual retirement account or another qualified plan. The normal retirement age is the date a participant reaches the age of 65. Participants whose vested account balance is $5,000 or less at time of termination are subject to involuntary cash-out provisions of the Plan.

In-Service Withdrawals
Participants may elect disbursement of all or part of their vested account balance upon the attainment of age 59 ½. Participants may also withdraw any of their rollover contribution balance at any time.

Hardship Withdrawals
Hardship withdrawals from the Plan are permitted from elective deferral accounts. All hardship withdrawals must comply with specific rules relating to hardships, which are uniformly applicable to all participants.

Plan Termination
Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, each participant's account will become fully vested.

Administrative Expenses
The majority of administrative expenses of the Plan are paid by the Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board *Accounting Standards Codification 820* (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document.

Benefit Payments

Benefit payments are recorded when paid.

Risks and Uncertainties

Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investment securities and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in values in the near term would materially affect participants' account balances and the amount reported in the accompanying financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates and such differences may be significant.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Voya, the custodian, and is included in the accompanying financial statements and supplemental schedule at December 31:

	2023	2022
Investments, at fair value	$ 23,074,582	$ 20,851,383
Investment income (loss)	$ 2,858,385	$ (2,929,866)
Schedule of Assets (Held at End of Year)	Schedule I (except "notes receivable from participants")	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2023:

	Level 1	Level 2	Level 3	Total
Fixed annuities	$ -	$ 4,950,250	$ -	$ 4,950,250
Pooled separate accounts, at net asset value (a)				18,124,332
				$ 23,074,582

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2022:

	Level 1	Level 2	Level 3	Total
Fixed annuities	$ -	$ 5,243,968	$ -	$ 5,243,968
Pooled separate accounts, at net asset value (a)				15,607,415
				$ 20,851,383

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. FAIR VALUE MEASUREMENTS (Continued)

There were no changes to the valuation methodologies used during 2023. The following is a description of the valuation methodology used for assets measured at fair value.

Fixed annuities: valued based on observable inputs of existing contracts and readily available financial information of the issuing financial institutions.

Pooled separate accounts: valued at fair value using the NAV per share practical expedient. The pooled separate accounts are valued using Accumulation Unit Value (AUV). AUV represents the underlying fund's daily performance, plus any applicable dividend income, less the daily separate account charge. The investment strategies of the pooled separate account funds are to invest in underlying funds with the goal of producing favorable long-term returns and growth, depending on the overall fund objectives. There are no restrictions on redemption of the pooled separate accounts. There are no unfunded commitments.

In 2022, the Plan reclassified the fixed annuities previously valued at contract value as reported by Voya, due to a change in management's assessment and clarification of the inputs and valuation method being more consistent with Level 2. There was, however, no change in the actual inputs utilized to value the investments.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PARTY-IN-INTEREST TRANSACTIONS

Voya serves as the custodian of the Plan's investment assets. As such, transactions between the custodian and the Plan qualify as party-in-interest transactions. Additionally, Plan assets consist of notes receivable from participants, which qualify as party-in-interest transactions.

6. INCOME TAX STATUS

The Plan is designed from a non-standardized pre-approved profit-sharing plan with CODA offered by Voya. The Internal Revenue Service (IRS) has determined, by letter dated June 30, 2020, that the written form of the Voya underlying non-standardized pre-approved profit-sharing plan document is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has not yet applied for its own determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain classifications may differ between the financial statements and Form 5500. Net assets available for benefits per the financial statements agreed to Form 5500 in total as of December 31, 2023 and 2022 and change in net assets available for benefits per the financial statements agreed to Form 5500 for the year ended December 31, 2023.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (Continued)

The following is a reconciliation of the Plan's change in net assets available for benefits per the financial statements to the change in net assets available for benefits per Form 5500 for the year ended December 31, 2022:

Change in net assets available for benefits per the financial statements	$ (3,016,189)
Change in accrued distributions	(19,649)
Change in net assets available for benefits per Form 5500	$ (3,035,838)

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 14, 2024, which is the date the financial statements were available to be issued.

Effective January 1, 2024, the Plan amended the auto-enrollment default deferral rate from 2% to 3% of eligible pretax compensation. Additionally, the Plan was amended to permit participants to make Roth contributions, subject to certain limitations under terms of the Plan and the IRC.
