INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee and participants of the
Legacy Housing Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Legacy Housing Corporation 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Legacy Housing Corporation 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

1. Description of Plan

The following description of the Legacy Housing Corporation 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document, copies of which are available from the plan administrator, for a more detailed description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Legacy Housing Corporation (the Company) effective June 1, 2020. Employees become eligible to participate in the Plan upon attaining age 18 and the completion of three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended and restated effective November 1, 2022.

Contributions

All eligible employees are automatically enrolled into the Plan and pre-tax contributions are withheld at 1% of eligible compensation unless the employee elects differently. Under an automatic savings increase program, once an employee is automatically enrolled, the deferral percentage will automatically increase by 1% on an annual basis until the deferral percentage reaches 3%; however, eligible employees can opt out of the automatic increase program. Participants may make pre-tax and/or Roth contributions of up to 90% of eligible compensation as defined by the Plan, not to exceed a maximum of \$22,500 in 2023, plus up to an additional \$7,500 for participants who have reached at least 50 years of age by the end of the year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Plan provides for a discretionary matching contribution of 100% on the first 3% of the participant's compensation, not to exceed \$6,000. An employee must be employed on the last day of the Plan year to be eligible for any matching contributions.

The Company may make discretionary profit-sharing contributions to the Plan. An employee must be employed on the last day of the Plan year to be eligible for any profit-sharing contributions. There were no profit-sharing contributions made in 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, the Company's contributions, and earnings and losses on the investments in their account and is charged with certain administrative expenses. Participants direct the investment of their account into various investment options offered by the Plan and may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Legacy Housing Corporation 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing contribution portion of their account is based on years of service. A participant vests 20% after the completion of 2 years of service. For each additional year of service, a participant vests 20% and is fully vested after six years of service. No service prior to the effective date of the Plan is included in years of service for vesting purposes.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of the vested balance of their account. A participant may have one note outstanding at any time. The notes are secured by the balance in the participant's account and bear a reasonable rate of interest. During 2023, loans had fixed rates of 4.25% to 9.50% for the term of the note not to exceed 5 years unless used for the purchase of the participant's primary residence. Principal and interest are paid through payroll deductions. All notes must be repaid immediately after termination of employment or death.

Payment of Benefits

At the time of death, disability, attainment of age 59½, termination of service, or retirement, the participant or their beneficiary may elect to receive a payment of the vested interest in their account in a lump distribution. If a participant terminates employment and has an account balance less than \$5,000, the participant will automatically receive a lump sum payment equal to the value of their vested account balance. The participant's contributions may also be withdrawn in certain hardship situations.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$72,294 and \$61,951, respectively. These accounts are used, first, to pay any administrative expenses of the Plan, and second, to reduce future Company contributions. In 2023, \$70,375 were used to offset Company contributions.

Administrative Expenses

Certain administrative expenses are permitted to be paid by the Plan in accordance with the Plan's provisions. These expenses are paid to service providers of the Plan and therefore qualify for party-in-interest transactions. Certain transaction fees for withdrawals and notes receivable are charged directly to the participant. All other administrative expenses are paid by the Company. The Company does not expect reimbursement for these expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Contributions

Participant contributions are considered payable to the Plan upon the withholding of contributions from the participant's paycheck. The discretionary matching contributions, when approved by the Company, are considered payable to the Plan when the related participant's contributions are payable to the Plan and the participant has met the eligibility requirements. The discretionary profit sharing contributions are considered payable to the Plan when approved by the Company and the participant has met the eligibility requirements. Any unfunded participant or employer contributions are included in the employee or employer contributions receivable on the statements of net assets available for benefits as of December 31, 2023 and 2022.

In accordance with Financial Accounting Standards Board Accounting Standards Codification 326, *Financial Instruments—Credit Losses*, the Plan estimated the current credit risk associated with the employer receivables. After giving consideration to the risk characteristics, including historical payment experience, the Plan determined that no allowance for credit loss was necessary and there was no current year activity in the allowance for credit losses.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net change in fair value of investments includes interest, dividends, and realized and unrealized gains and losses on those investments. Interest income is recorded when received.

Excess Contribution Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability and a reduction to contributions in the year the

Legacy Housing Corporation 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

original contribution was made. The Plan distributed the required excess contributions to the applicable participants in accordance with IRS regulations.

Notes Receivable from Participants

Notes receivable from participants are carried at their outstanding balance. Interest income is recognized when received by the Plan. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make note repayments and the plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 18, 2024, which is the date the financial statements were available to be issued.

3. Information Certified by the Qualified Institution

All information in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2023 and 2022, and net change in fair value of investments and interest income for the year ended December 31, 2023 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the Plan's qualified institution.

4. Investments

Fees incurred by the Plan for investment management services are included in net change in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

Investments are exposed to several risks, such as market, interest rate, currency and credit risks. Market risks include U.S. and global events which could impact the value of Plan investments. Such events would include healthcare crises, such as a pandemic, international conflicts, supply chain disruptions, global monetary policy decisions, significant exogenous economic influences, significant cybersecurity attacks, or other events. It is at least reasonably possible that changes in their fair values will occur in the near term and that such changes could materially affect participants' account balances.

Legacy Housing Corporation 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 – other observable data, including quoted prices for identical assets in inactive markets

Level 3 – unobservable inputs

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect the Plan's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with financial instruments at that level but rather the degree of judgment used in determining those values.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Investments in mutual funds are stated at quoted market prices for the identical security in an active market (Level 1).

Investment in the common/collective trust fund is valued at its net asset value (NAV). The NAV is based on quoted prices determined daily based on the fair value of the mutual funds, stocks, debt instruments, and other securities in the accounts. The common/collective trust fund may be traded daily at its NAV (Level 1).

The following table summarizes the Plan's investments based on the inputs used to determine their values as of December 31, 2023 and 2022:

	Level 1	
	2023	2022
Mutual funds	\$ 1,765,415	\$ 1,111,243
Common/collective trust fund	94,371	160,478
Total investments	\$ 1,859,786	\$ 1,271,721

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

6. Income Tax Status

The Plan uses a non-standardized prototype plan document sponsored by Automatic Data Processing, LLC (ADP). ADP received an opinion letter from the IRS, dated October 6, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). Although the Plan has not obtained an individual determination letter and has been amended since ADP received the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. The Plan's income tax returns since inception are subject to examination by taxing authorities and may change upon examination.

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2023 and 2022:
