We have performed audits of the financial statements of Fortson-Peek Company, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of and , and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Fortson-Peek Company, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fortson-Peek Company, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fortson-Peek Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fortson-Peek Company, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fortson-Peek Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1: Description of Plan

The following brief description of the Fortson-Peek Company, Inc. 401(K) Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General - The Plan is a closed multiple employer defined contribution plan sponsored by Fortson-Peek Company, Inc. (the “Plan Sponsor”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan covers all eligible employees of the Plan Sponsor and Peek Pavement Marking, LLC. The Plan was originally adopted on November 1, 1972 and has since been amended and restated. Effective December 31, 2021, the Plan was amended to remove Crown Technology, LLC and Safety Coatings, Inc. as participating employers. The Plan was most recently amended effective January 1, 2024 to adopt certain employer safe harbor matching contribution provisions. See Note 8.

The Administrative Committee, appointed by the Plan Sponsor, has responsibility for the administration of the Plan. Reliance Trust Company became the trustee beginning October 1, 2020. The Plan’s trustee is responsible for the management, operation and administration of the Plan’s trust fund. Effective October 1, 2020, ADP began serving as the Plan custodian and recordkeeper. A fee is charged for trustee, recordkeeping, and custodial services rendered.

Eligibility - Employees must have completed three months of qualified service based on time elapsed. Participants are automatically enrolled into the Plan at a 1% deferral rate on the first of the month coincident with or next following the meeting of the participation requirement.

Contributions - Participants may contribute, on a pre-tax or post-tax (Roth) basis, a specified dollar amount of their compensation, up to the Internal Revenue Code (“IRC”) limitations, as defined in the Plan. Also, participants may transfer to the Plan account balances from previously existing qualified Plans. The Plan Sponsor shall make matching contributions equal to a discretionary dollar amount, to be determined by the Plan Sponsor. The matching contribution for 2023 and 2022 was \$1,000 per participant. The Plan Sponsor may also make a discretionary contribution to the Plan as determined annually by the Administrative Committee. The Plan Sponsor elected not to make discretionary profit sharing contributions for the years ended December 31, 2023 and 2022.

NOTE 1: Description of Plan (continued)

Participant Accounts - Each participant's account is credited with the participant's contributions, an allocation of the Plan Sponsor's matching and discretionary contributions, when applicable, and Plan earnings and losses. Each account is also charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined by the Plan.

Vesting - Participants are immediately vested in their contributions, plus actual earnings thereon. Participants are also immediately vested in the Plan Sponsor's discretionary and matching contributions plus actual earnings thereon.

Unallocated accounts - Unallocated accounts consist of advance deposits made by the Plan Sponsor and forfeitures, which represent the non-vested portion of a participant's account balance that is forfeited upon termination. They may be used to reduce the Plan Sponsor's contributions and pay Plan expenses in accordance with Plan specifications.

Investment Options - A participant may direct participant and employer contributions in any of the investment options established by the Administrative Committee. Participants may change their investment options daily.

Payment of Benefits - Upon termination of employment due to death, disability, retirement, or other reasons, participants will be entitled to receive distribution of their balances in a lump-sum amount or in installments. The Plan also allows for in-service withdrawals of a participant's vested interest upon reaching the age of 59 ½.

Plan Termination - Although there is no present intention to terminate the Plan, the Plan Sponsor may terminate the Plan at any time subject to the provisions of ERISA. In the event of termination, the trustee shall dispose of the Plan assets by distribution to participants and their beneficiaries.

NOTE 2: Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared using the accrual basis of accounting.

Valuation of Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a description of the valuation and methodologies used to determine each investment's respective fair value.

Net appreciation of the fair value of investments consists of the unrealized appreciation of investments held during the year, as well as the realized gain or loss on sale of investments which represents the difference between net sales proceeds and cost or previous fair value of the investments sold. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits - Benefits are recorded when paid.

Plan Expenses - Significant costs of administering the Plan are absorbed by the Plan Sponsor and are not reflected in these financial statements. These costs include legal, administrative, accounting and trustee fees. Certain investment management fees and administrative expenses, including audit fees, are incurred and paid by the Plan. Other investment related expenses are included in net appreciation or depreciation of fair value of investments.

Tax Status - The Plan obtained its latest determination letter dated October 16, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with applicable requirements of the IRC.

NOTE 2: Summary of Significant Accounting Policies (continued)

Accounting principles generally accepted in the United States of America, (“GAAP”) require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS or state or local taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions within the standard statute of limitation periods; however, there are currently no audits for any tax periods in progress.

Reclassification - Certain items in the 2022 financial statements have been reclassified in order to be in conformity with the 2023 statement presentation.

Use of Estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: Fair Value Measurement

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy according to GAAP are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds: Valued at net asset value of shares held by the Plan at year end.

NOTE 3: Fair Value Measurement (continued)

Common/Collective Trusts ("CCT"): A detailed description of the valuation methodologies of the CCT can be found in the footnotes of the Invesco Stable Asset - ADPZ audited financial statements.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	December 31, 2023	
	Level 1	Total
Mutual funds	\$ 6,119,455	\$ 6,119,455
Total assets in the fair value hierarchy	6,119,455	6,119,455
Investments measured at net asset value (a)	0	1,083,665
Total investments at fair value	\$ 6,119,455	\$ 7,203,120

	December 31, 2022	
	Level 1	Total
Mutual funds	\$ 5,025,077	\$ 5,025,077
Total assets in the fair value hierarchy	5,025,077	5,025,077
Investments measured at net asset value (a)	0	1,089,389
Total investments at fair value	\$ 5,025,077	\$ 6,114,466

(a) In accordance with GAAP, certain investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments in the separate accounts for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments.

NOTE 3: Fair Value Measurement (continued)

	<u>2023</u>	<u>2022</u>
Fair value	\$ 1,083,665	\$ 1,089,389
Unfunded commitments	n/a	n/a
Redemption frequency (if currently eligible)	Daily	Daily
Redemption notice period	n/a	n/a

The method described above may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan administrator believes the valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4: Information Prepared and Certified by Trustee (Unaudited)

As explained in Note 1, the Plan's funds are maintained by Reliance Trust Company as the trustee. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

	<u>2023</u>	<u>2022</u>
Investments at fair value:	<u>\$ 7,203,120</u>	<u>\$ 6,114,466</u>
Investment income (loss)	<u>\$ 959,298</u>	<u>\$ (992,061)</u>

NOTE 5: Party-in-Interest Transactions

Certain Plan transactions are affiliated with ADP who serves as third-party administrator as defined by the Plan; therefore, these transactions qualify as party-in-interest. Certain fees incurred by the Plan for services provided are included in net appreciation in fair value of investments rather than a direct payment.

NOTE 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 7: Transfers

As disclosed in Note 1, Crown Technology, LLC ("Crown") and Safety Coatings, Inc. were removed as participating employers effective December 31, 2021. Assets of participants from both companies totaling \$2,648,314 were transferred out of the Plan in January of 2022, and merged into a new plan established by Crown.

NOTE 8: Subsequent Events

The Plan's Administrative Committee has evaluated all subsequent events that may qualify for disclosure through September 30, 2024, which is the date the financial statements were available to be issued. The Plan was amended effective January 1, 2024 to elect employer safe harbor matching contributions equal to 100% of the participant's elective deferrals up to 3% of eligible compensation plus 50% of the participant's elective deferrals that exceeds 3% up to 5% of eligible compensation, and includes a "true-up" provision at year end. There were no other transactions requiring disclosure under professional guidance.
