INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Management
HFI, LLC Savings Plan
Canal Winchester, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of HFI, LLC Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HFI, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the HFI, LLC Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General*

The Plan is a defined contribution 401(k) and profit sharing plan that was adopted by HFI, LLC (the "Company") effective January 1, 1995, and was amended and restated on February 28, 2022. Employees are eligible to participate in the Plan and make contributions and participate in the safe harbor matching contribution after completing one month of service and attaining age 18. Upon meeting eligibility requirements, employees are automatically enrolled into the Plan at a deferral rate of 3% of eligible compensation on the first day of the month following the date the requirements are met. Employees are eligible to participate in non-elective profit-sharing contributions upon completing 1 year of service (1,000 hours).

2. *Contributions*

Participants may elect to defer up to 90% of their compensation, as defined by the Plan, on a pre-tax or Roth basis. Participants age 50 or over may be eligible to make an additional catch-up contribution. Maximum contributions are subject to certain limitations which are established by the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans (rollover).

The Company is required to make a safe harbor matching contribution to the Plan equal to 100% of the first 3% of the participant's contributions and 50% of the next 3% of the participant's contributions.

The Company can make a non-elective profit-sharing contribution. There was no profit-sharing contribution for the year ended December 31, 2023.

3. *Participant accounts*

Each participant's account is increased by the participant's contributions, the Company's contributions, and investment earnings. Each participant's account is reduced by investment losses, participant withdrawals, and an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which each participant is entitled is the benefit that can be provided from that participant's vested account. Certain plan investments generate revenue sharing that is used to pay eligible plan expenses.

Plan participants are permitted to determine the investments within their account based on a combination of permitted investment options. The Company has the sole discretion to determine or change the number and nature of investment options in the Plan.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

4. *Vesting*

Participants are immediately vested in their contributions, employer safe harbor matching contributions, profit-sharing contributions, rollover contributions, plus actual earnings thereon.

5. *Notes receivable from participants*

Participants meeting certain criteria may borrow from their account a minimum of \$1,000 up to one-half of their vested account not to exceed \$50,000. Loan terms are generally limited to a five-year term but may be longer for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with prevailing rates as determined by the Plan Administrator. Participants repay principal and interest ratably over the term of the loan through payroll deductions.

6. *Benefits paid to participants*

On termination of service, a participant with a balance less than \$5,000 must elect to take a lump-sum distribution or the administrator will roll the balance into an individual retirement account.

On termination of service, a participant with a balance in excess of \$5,000 may elect to receive a single lump-sum distribution or roll the account balance over into a qualifying account.

The Plan also provides for the following in-service withdrawals: early withdrawals by participants after they reach age 59½, and hardship withdrawals, if they meet certain restrictions.

If a participant dies before distribution of his or her interest, the entire undistributed amount will be paid to the designated beneficiary in a cash lump sum as soon as administratively practical following the date of death. If the participant terminates because of total and permanent disability, the participant shall be entitled to receive a distribution of the entire value of his or her account as of the disability date.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies consistently applied in preparation of the accompanying financial statements follows:

1. *Basis of accounting*

The financial statements are prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

2. *Use of estimates*

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

3. *Investment valuation and income recognition*

The Plan provides for investments in mutual funds and common collective trusts. Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participant at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the trustee and investment advisers. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. *Notes receivable from participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Plan management believes all notes are fully collectible; therefore, no allowance has been recorded as of December 31, 2023 or 2022.

5. *Benefits paid to participants*

Benefits paid to participants are recorded when paid.

6. *Administrative expenses*

Administrative expenses are paid by the Plan to the extent they are not paid by the Company. Participant loan fees and fees for plan distributions are charged directly to the specific participants.

NOTE C - UNAUDITED INFORMATION

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee (Fidelity Management Trust Company) has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the statements of net assets available for benefits at December 31, 2023 and 2022, the supplemental schedule of assets (held at end of year) at December 31, 2023, the related investment and loan interest activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023, and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

NOTE D - FAIR VALUE MEASUREMENTS

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1	Quoted market prices in active markets for identical assets and liabilities.
Level 2	Observable market-based inputs or unobservable inputs that are corroborated by market data.
Level 3	Unobservable inputs in which little or no market data exists.

HFI, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for investments measured at fair value:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily price and to transact at that price. These funds are deemed to be actively traded and are classified as Level 1.

Common collective trusts are held and managed by various trust companies. The fair value of investments held in these accounts is based on their reported net asset value ("NAV"). The NAV is based primarily on observable inputs and the market value of the underlying investments, and is classified as Level 2.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used from 2022 to 2023. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,375,659	\$ -	\$ -	\$ 15,375,659
Common collective trusts	-	2,191,090	-	2,191,090
Total investments at fair value	<u>\$ 15,375,659</u>	<u>\$ 2,191,090</u>	<u>\$ -</u>	<u>\$ 17,566,749</u>

	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 13,960,932	\$ -	\$ -	\$ 13,960,932
Common collective trusts	-	1,651,594	-	1,651,594
Total investments at fair value	<u>\$ 13,960,932</u>	<u>\$ 1,651,594</u>	<u>\$ -</u>	<u>\$ 15,612,526</u>

NOTE E - PARTY-IN-INTEREST TRANSACTIONS

The Plan maintains certain investments with Fidelity, who is also the recordkeeper to the Plan and is paid administrative expenses by the Plan. Activity relating to these investments, including purchases and sales, qualify as party-in-interest transactions. In addition, the Company provides certain accounting, recordkeeping, and administrative services to the Plan for which it is not compensated.

HFI, LLC SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE F - INCOME TAX STATUS

The volume submitter document has obtained an opinion letter from the Internal Revenue Service (the "IRS") dated June 30, 2020 stating that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since adopting the prototype document. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Company believes the Plan is qualified and the related trust is tax-exempt.

Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE G - RISK AND UNCERTAINTIES

The Plan holds various investment securities. The Plan's investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participants' individual account balances.

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would receive a full distribution of their accounts in accordance with the terms of the Plan.

NOTE I - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through date of the Independent Auditors' Report, which is the date the financial statements were available to be issued.
