## INDEPENDENT AUDITOR'S REPORT

To the 401(k) Plan Committee of  
Liberty Lift Solutions, LLC 401(k) Plan  
Houston, Texas

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Liberty Lift Solutions, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

---

(Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held (At Year End), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule(s) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS  
December 31, 2023 and 2022

---

**NOTE 1 – DESCRIPTION OF PLAN**

Liberty Lift Solutions, LLC 401(k) Plan (the Plan) is a defined contribution plan covering all full-time employees of Liberty Lift Solutions, LLC (the Company). The Plan was originally adopted on January 1, 2013 and was amended and restated November 11, 2022. The Plan was subsequently amended and restated effective January 1, 2024 and May 15, 2024. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Administration: The Board of Directors of the Company is responsible for oversight of the Plan. The 401(k) Plan Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Company's Board of Directors.

Eligibility: All eligible employees of the Company are eligible to participate in the Plan upon date of hire. Participants may enter the Plan on the first day of the month coinciding with or next following the date in which they satisfy the eligibility requirement.

Contributions: Participants may elect to defer up to 89% of their eligible compensation into the Plan on a pre-tax or Roth basis, not to exceed the dollar limit set by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may elect to start, increase, or reduce elections to contribute to the Plan effective as soon as administratively feasible. Participants may suspend their elections at any time.

The Company may make a discretionary matching contribution to the Plan on behalf of eligible Plan participants as a percentage of participants salary deferrals. The Company will make a matching contribution equal to 100% of the participants' salary deferrals that do not exceed 4% of their compensation. During 2023, the Company made a matching contribution of \$1,525,342 to the Plan.

The Company may make an additional discretionary profit-sharing contribution to the Plan on behalf of eligible Plan participants in an allocated amount. Participants are eligible to receive profit sharing contributions to the Plan if they are employed by the Company on the last day of the Plan year. The Company will decide each year how much, if any, they wish to make as a discretionary profit-sharing contribution. During 2023, the Company did not make a discretionary profit-sharing contribution to the Plan.

Participants may roll over part or all of an eligible rollover distribution they receive from an eligible retirement plan into this Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contributions, (b) Plan earnings and losses, and (c) forfeitures of employer profit sharing contributions and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant contributions, eligible compensation, participant account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Investment Options: Participants direct their investment into the Plan into various investment options offered by the Plan. The Plan currently offers various mutual funds, a money market fund and a common collective trust as investment options for participants. Participants may redirect the investment of future contributions or exchange existing balances among available investment securities at any time.

**NOTE 1 – DESCRIPTION OF PLAN** (Continued)

Vesting: Participants are immediately vested in their deferral contributions, including Roth and catch-up contributions, employer matching contributions, rollover contributions, and discretionary matching contributions, plus any earnings thereon. Vesting in the discretionary profit-sharing contributions is based on years of vesting service. Participants will become 100% vested after five years of service.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Notes Receivable From Participants: Participants may borrow from their vested fund accounts a minimum of \$1,000 up to a maximum of \$50,000 reduced by the excess of their highest outstanding balance of loans during the prior one-year period or 50% of their vested account balance, whichever is less. The loans are adequately secured by the balance in the participant's account and bear a reasonable rate of interest at rates commensurate with local prevailing rates as determined by Plan management. Principal and interest are paid ratably through bi-weekly payroll deductions over a term not to exceed five years unless, the loan was obtained to acquire a principal residence.

Payment of Benefits: Participants may receive a distribution of the vested portion of some or all of their accounts in the Plan upon termination of employment, normal retirement, disability, or death. If a participant's vested account balance does not exceed \$5,000, then the participant's account balance may only be distributed in a single lump-sum payment. If a participant's account balance exceeds \$5,000, the participant must consent to any distribution before it may be made.

Participants may be entitled to receive an in-service distribution. A participant may request a hardship withdrawal to satisfy certain immediate and heavy financial needs. Participants who have attained age 59½ may receive an in-service distribution from the Plan from fully vested accounts prior to termination of employment.

Forfeited Accounts: If a participant terminates employment before being fully vested, they will forfeit the nonvested portion of their account balance when they receive a distribution. Forfeitures may be used to pay administrative expenses or to reduce employer contributions.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, all participants become 100% vested. The Company will arrange for distributions upon Plan termination as soon as administratively feasible.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Subsequent Events: The Plan has evaluated subsequent events through October 9, 2024, the date the financial statements were available to be issued. Effective January 1, 2024, the Plan was amended and restated to adopt an automatic enrollment and escalation features for new participants. Participants will automatically be enrolled in the plan at 3% unless and affirmative election is made not to do so. Effective May 15, 2024, the Plan was amended and restated to waive the entry date for former employees of Welleworx hired by the Company as of May 15, 2024.

## NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates: The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Company to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Risks and Uncertainties: The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity, credit and risks resulting from global events. Due to the level of risk associated with certain investments and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and Plan management deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits: Benefit are recorded when paid.

## NOTE 3 – FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

- *Level 1* – Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.
- *Level 2* – Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- *Level 3* – Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

**NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)**

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Money market and mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trust: The fair value of participation units held in the collective trust are based on the net asset values per unit as reported by the fund managers. The collective trust provides for daily redemptions by the Plan at reported net asset value per share, with no advance requirement.

Investments measured at fair value on a recurring basis is summarized below:

|                                                    | 2023                 |                |                |                      |

LIBERTY LIFT SOLUTIONS, LLC 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2023 and 2022

---

**NOTE 4 – CERTIFIED INFORMATION**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company.

**NOTE 5 – TAX STATUS**

The Internal Revenue Service issued an opinion letter dated June 30, 2020 indicating that the non-standardized pre-approved profit-sharing plan document adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, plan management believes that the Plan is currently being operated in accordance with the IRC. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

**NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS**

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Notes receivable from participants reflect party-in-interest transactions.
