INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Blankenship CPA Group 401(k) Profit Sharing Plan
Brentwood, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Blankenship CPA Group 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Blankenship CPA Group 401(k) Profit Sharing Plan
Independent Auditors' Report

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Blankenship CPA Group 401(k) Profit Sharing Plan
Independent Auditors' Report

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Blankenship CPA Group 401(k) Profit Sharing Plan
Independent Auditors' Report

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BLANKENSHIP CPA GROUP 401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN

Blankenship CPA Group, PLLC (the “Company”) established the Blankenship CPA Group 401(k) Profit Sharing Plan (the “Plan”) on January 1, 2000. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Company over the age of 21, except for those who are otherwise excluded. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is managed by the retirement plan committee of the Company.

Contributions

Each year, participants may contribute up to 100% of pre-tax, Roth, and after-tax annual compensation, up to the maximum contribution amounts allowed by law, as defined in the Plan, and in accordance with applicable sections of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute rollovers, or amounts representing distributions from other qualified defined benefit or defined contribution plans, or eligible traditional IRA or SIMPLE IRA. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds as investment options for participants. In addition, the Company may make employer determined discretionary non-elective contributions each year, and discretionary matching contributions, to be determined by the employer, on a uniform basis for all eligible participants. During the years ended December 31, 2023 and 2022, the Company made discretionary matching contributions in the amount of \$269,116 and \$273,648, respectively. Contributions are subject to certain limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, an allocation of the Company’s contributions, Plan earnings, and certain expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Company’s matching contributions plus earnings thereon is based on years of service. Participants become fully vested after six years of credited service or upon reaching normal retirement age of 65 while still employed by the Company.

BLANKENSHIP CPA GROUP 401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Forfeitures

As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$1,804 and \$7,840, respectively. In accordance with the provisions of the Plan, these accounts will be used to reduce future employer contributions or pay plan expenses. During the years ended December 31, 2023 and 2022, \$62,001 and \$7,902, respectively, of forfeitures were used to reduce employer contributions.

Participant Withdrawals

Participants are entitled to withdraw all or a portion of their vested account balances upon attainment of age 70 ½ or any time thereafter. A mandatory distribution occurs at the later of age 62 or the participant's normal retirement age for participants who have severed employment. The Plan allows for in-service distributions for employees who have not separated from service after reaching age 59 ½ and have been a participant in the Plan for the at least ten years. Upon retirement, participants may withdraw vested benefits prior to age 70 ½ subject to IRC penalties (unless meeting early retirement provisions under the Plan). In case of death, disability, early retirement, or termination, the vested portion of the participant's account may be withdrawn. The Plan also permits participants to withdraw from their accounts in the event of extreme economic hardship as prescribed by the IRC.

If a participant's vested balance, excluding rollovers, is less than \$5,000, the vested account balance will be distributed without the participant's consent, as soon as administratively feasible. If the vested balance is less than \$1,000, it will be in the form of a cash payment. If the vested balance is between \$1,000 and \$5,000, it will be in the form of an automatic rollover IRA, absent an affirmative election to either receive or roll over the distribution.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loans are secured by the vested balance in the participant's account and bear interest at rates ranging from 8.50% to 10.50%, which is determined by the plan administrator based on the prime interest rate plus 2.00% at the time of loan processing. Principal and interest are paid ratably through payroll deductions.

Termination of the Plan

The Company anticipates and believes that the Plan will continue without interruption, but reserves the right to discontinue the Plan. In the event that such discontinuance results in termination of the Plan, the Plan provides that the assets of the funds become fully vested and allocated among the participants and beneficiaries in the amounts credited to each participant's respective account at the effective date of such termination.

BLANKENSHIP CPA GROUP 401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Plan Amendments

The Plan was amended effective June 1, 2021 increasing the maximum participant loans from one to two. In addition, effective January 1, 2022, the Plan was amended to remove certain transfer provisions for in-plan Roth rollover contributions. Additionally, effective January 1, 2023, the Plan was amended to allow prior service from Greg Lemon CPA, PLLC, including eligibility, vesting, and contribution allocations.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Administrative Expenses

The Plan specifies that expenses of the Plan will be paid using the Plan's assets unless paid by the Company.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets.

Level 2

Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by the observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used for the years ended December 31, 2023 and 2022.

Mutual Funds: Valued at the NAV per share as reported at the close of each business day. The fair value is considered readily determinable.

NOTE 3 - FAIR VALUE MEASUREMENT (CONTINUED)

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present the Plan's fair value hierarchy for those assets measured at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$10,452,450	-	-	10,452,450
Total Investments at Fair Value	<u>\$10,452,450</u>	<u>-</u>	<u>-</u>	<u>10,452,450</u>

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 8,404,366	-	-	8,404,366
Total Investments at Fair Value	<u>\$ 8,404,366</u>	<u>-</u>	<u>-</u>	<u>8,404,366</u>

NOTE 4 - RELATED-PARTY TRANSACTIONS

Certain plan investments are managed by the custodian, American Funds, therefore, these transactions qualify as party-in-interest transactions. During the years ended December 31, 2023 and 2022, fees paid by the Plan for administrative services were \$49,227 and \$45,140, respectively.

NOTE 5 - TAX STATUS

The Plan adopted a prototype form of a plan sponsored by Acuff & Associates, Inc. The Internal Revenue Service has informed the sponsor by a letter dated November 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving this letter, the Plan administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified.

NOTE 5 - TAX STATUS (CONTINUED)

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - CERTIFICATION

The following is a summary of the unaudited information, included in the Plan's financial statements and supplemental schedule that were prepared or derived from information prepared by Capital Bank and Trust Company, the certifying entity of the Plan, and furnished to the plan administrator. The plan administrator has obtained a certification from the certifying entity that such information is complete and accurate.

Statements of Net Assets Available for Benefits – all items and amounts.

Statements of Changes in Net Assets Available for Benefits – all items and amounts, except for contributions, benefits paid to participants, and administrative expenses.

Supplemental Schedule – all items and amounts.

NOTE 7 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events from the Statements of Net Assets Available for Benefits date through September 25, 2024, the date at which the financial statements were available to be issued, and determined there are no other items to disclose.

NOTE 8 - SECURING A STRONG RETIREMENT ACT (SECURE 2.0)

In December 2022 SECURE 2.0 was passed into law. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 SECURE Act. Most of the provisions will become effective in 2024 and forward, therefore there is no current impact to the Plan. Since the provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect.
