INDEPENDENT AUDITORS' REPORT

To Plan Participants and the Plan Administrator of the
Bridgeway Benefit Technologies, LLC 401(k) Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of the Bridgeway Benefit Technologies, LLC 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Reliance Trust, the Plan Trustee, as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- exercise professional judgment and maintain professional skepticism throughout the audits.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BRIDGEWAY BENEFIT TECHNOLOGIES, LLC 401(K) RETIREMENT SAVINGS PLAN

Notes to Financial Statements For the Years Ended December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following description of Bridgeway Benefit Technologies, LLC 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Bridgeway Benefit Technologies, LLC (the Company) effective October 1, 1992. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was most recently amended and restated effective May 22, 2022 to reflect statutory and regulatory changes as permitted by the Internal Revenue Service (IRS).

Effective January 1, 2023, the Innovative Software Solutions, Inc. 401(k) Plan was merged into the Plan.

Eligibility

All employees, with the exception of nonresident aliens, are eligible to participate in the Plan. Entry dates into the Plan are on the first day of the month coinciding with or next following an employee's date of hire.

Participant Contributions

Participants may defer up to 100% of their pretax annual compensation, as defined by the Plan. Participant contributions are subject to Internal Revenue Code (Code) limits, which totaled \$22,500 and \$20,500 for the years ended December 31, 2023 and 2022, respectively. Participants may also contribute post tax compensation as Roth elective contributions. A participant's Roth elective contributions are allocated to a separate account maintained for such contributions. Participants who have attained age 50 before the end of the Plan year may make an additional catch-up contribution, subject to limitations imposed by the Code, which totaled \$7,500 and \$6,500 for the years ended December 31, 2023 and 2022, respectively. Unless the participant elects otherwise, all participants will be automatically enrolled in the Plan at a deferral rate of 10% upon meeting eligibility requirements. Participants are also permitted to make rollover contributions to the Plan.

Company Contributions

The Company makes matching contributions of 50% on each 1% of a participant's contributions of eligible earnings up to the first 10% the participant contributes, not to exceed a total Company match of 5%. The Company's matching contributions are invested in the same manner as those directed by the participant. For the years ended December 31, 2023 and 2022, the Company's matching contributions totaled \$1,376,930 and \$626,293, respectively.

Notes to Financial Statements For the Years Ended December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN – cont'd.

Company Profit Sharing Contributions

The Company may also make a discretionary profit sharing contribution to the Plan. In order to be eligible for the discretionary profit sharing contribution, participants must be actively employed on the last day of the Plan year. Discretionary profit sharing contributions are allocated to all eligible participants in proportion to their eligible compensation for the year. The Company did not make discretionary profit sharing contributions for the years ended December 31, 2023 and 2022.

Participant Accounts

Each participant's account is participant directed and credited with the participant's contributions and distributions and allocations of the Company's matching contributions, if any, the Company's discretionary profit sharing contributions, if any, the Plan's earnings and losses, and administrative expenses. Plan earnings, gains, losses and administrative expenses are allocated to each participant's account based on the proportion of each participant's account balance to the total of all account balances, within the respective fund. Participants direct their elective and Company contributions into various investment options offered by the Plan and can change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance, or \$50,000, without regard to the intended use of the funds. A participant may have no more than two notes outstanding at any given time. Notes are collateralized by the vested account balance in the participant's account and bear interest at rates commensurate with commercial rates in the local lending area for similar type notes at the time of note origination. Principal and interest are paid ratably through payroll deductions. Notes for reasons other than the purchase of a primary residence are to be repaid within five years. Notes for the purchase of a primary residence may be repaid within a term permitted by the Plan administrator.

Vesting

Participants are 100% vested in their elective deferrals plus earnings thereon. Participants vest in the Company matching and profit sharing contributions plus earnings thereon based on years of service, as defined by the Plan agreement. Participants become 100% vested in Company matching contributions and profit sharing contributions plus earnings thereon, regardless of years of service, upon the attainment of early retirement (age 55) and completion of ten years of service or in the event of death or disability.

At all times, participants may withdraw all or a portion of their rollover contributions. In all cases, certain income tax penalties may apply to withdrawals or distributions prior to the age 59 ½.

BRIDGEWAY BENEFIT TECHNOLOGIES, LLC 401(K) RETIREMENT SAVINGS PLAN

Notes to Financial Statements For the Years Ended December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN – cont'd.

Payment of Benefits – cont'd.

Effective April 13, 2020, if the total vested benefit is greater than \$5,000, the participant must consent to a distribution before it is made and may defer receipt of the distribution until a later date. By deferring payments, the account will continue to be invested the way the participant chooses and will be adjusted for any gains or losses which occur. If the total vested benefit is \$5,000 or less, the Plan may elect to automatically distribute the participant's vested balance in a lump-sum distribution. As of December 31, 2023 and 2022, there were no assets of the Plan allocated to participants who had elected to withdraw from the Plan but have not received such distributions before year-end.

Forfeitures

Forfeitures of Company contributions are used to pay administrative expenses of the Plan or to reduce future Company contributions. For the years ended December 31, 2023 and 2022, forfeitures totaling \$76,030 and \$65,997, respectively, were used to reduce Company contributions. Forfeitures available to the Plan totaled \$8,124 and \$2,512 as of December 31, 2023 and 2022, respectively.

Plan Expenses

All expenses to maintain the Plan, except for certain investment management fees, loan fees and Trustee fees are paid by the Company. Administrative expenses totaling \$38,118 and \$16,981 were paid directly from the Plan during the years ended December 31, 2023 and 2022, respectively. For the years ended December 31, 2023 and 2022, the Plan utilized a revenue sharing account to pay administrative expenses totaling \$22,572 and \$30,000, respectively. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

BRIDGEWAY BENEFIT TECHNOLOGIES, LLC 401(K) RETIREMENT SAVINGS PLAN

Notes to Financial Statements For the Years Ended December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.

Risks and Uncertainties

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities could occur in the near term, and these changes could materially affect the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent notes are treated as distributions based on the terms of the Plan agreement.

Fair Value Measurement

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

BRIDGEWAY BENEFIT TECHNOLOGIES, LLC 401(K) RETIREMENT SAVINGS PLAN

Notes to Financial Statements For the Years Ended December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Interest bearing cash: Valued at cost plus accrued interest, which approximates fair value.

Interests in registered investment companies: Valued at the closing price reported in the active market in which the funds are traded.

Interest in guaranteed investment contract: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. The net asset value (NAV) is used as the practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in methodologies used at December 31, 2023 and 2022.

Notes to Financial Statements For the Years Ended December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Payment of Benefits

Benefit payments are recorded when paid.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through October 11, 2024, the date the financial statements were available to be issued, and determined there were no material events that warrant disclosure.

3. INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule including assets held at December 31, 2023 and 2022, and interest and dividend income and net appreciation (depreciation) in fair value of investments for the years then ended was obtained or derived from the information supplied to the Plan administrator and certified as complete and accurate by Reliance Trust Company, the Trustee of the Plan.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions to the Plan and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, affected participants would become 100% vested in their Company contributions.

5. INCOME TAX STATUS

The Plan received a favorable opinion letter from the IRS dated June 1, 2015, stating that the Plan is qualified under Section 401(a) of the Code, and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the favorable opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Effective May 22, 2022, the Plan was amended and restated to remain in compliance with applicable Code requirements. This restatement received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020.

Notes to Financial Statements For the Years Ended December 31, 2023 and 2022

5. INCOME TAX STATUS – cont’d.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. Given the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan’s financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2023 and 2022.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits for any tax periods in progress.

6. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in shares of mutual funds that are managed by an affiliate of the Trustee. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. The Plan allows participants to take out notes against their account balances. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

7. PLAN MERGER

Effective January 1, 2023, the Plan was amended and restated to merge the Innovative Software Solutions, Inc. 401(k) Profit Sharing Plan into the Plan and change the name of the Plan to “Bridgeway Benefit Technologies, LLC 401(k) Retirement Savings Plan.” The Plan recorded a corresponding receivable for the pending asset transfer as of December 31, 2022 due to the merger, and a plan transfer within the accompanying financial statements.
