The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Charles Schwab Trust Bank for the period from January 1, 2023 to February 2, 2023 and from John Hancock Trust Company, LLC as of December 31, 2023 and for the period from February 3, 2023 to December 31, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's Internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The financial statements of Sokal Media Group, Inc. 401(k) Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated August 10, 2023, indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SOKAL MEDIA GROUP, INC. 401(K) PLAN
Notes to Financial Statements

NOTE 1: DESCRIPTION OF PLAN

The following description of the Sokal Media Group, Inc. 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Sokal Media Group, Inc. (collectively the “Company” or “Employer”). Eligible employees are those who have attained the age of twenty-one, completed three months, are not covered by a collective bargaining agreement, and are not a non-resident alien. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan is governed by the Company’s Directors. The Plan has appointed John Hancock Trust Company, LLC (“John Hancock”) as the record-keeper and Custodian of the Plan. The Plan was most recently restated effective February 3, 2023.

Contributions

Each year, eligible participants may contribute up to 100% of their eligible compensation, subject to the maximum Internal Revenue Service (“IRS”) limitations, during the Plan year. For calendar year 2023, the applicable dollar amount was \$22,500. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The maximum catch-up contribution was \$7,500 for 2023. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants are also permitted to make Roth deferrals (after tax); however, a Participant's deferrals must be either all Roth or all pre-tax. Participants direct the investments of contributions into a variety of fund investment options offered by the Plan.

The Company will make safe harbor matching contributions, as defined in the Plan document. During the year ended December 31, 2023, safe harbor matching contributions totaling \$356,460 were made by the Employer.

It was determined that amounts totaling \$10,484 were over-matched on employee contributions. This amount is recorded as other income on the statement of changes in net assets available for benefits, and was forfeited from participant accounts subsequent to year end.

Participant Accounts

Participants’ investments are self-directed from a choice of investments provided by the Custodian. Each participant’s account is credited with the participant and Company contributions, Plan earnings, and an allocation of administrative expenses. The participant’s account is reduced by withdrawals, losses on investments, administrative fees, and any forfeitures. Allocations are based on a percentage of contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

SOKAL MEDIA GROUP, INC. 401(K) PLAN
Notes to Financial Statements (continued)

NOTE 1: DESCRIPTION OF PLAN (continued)

Vesting

Participants are fully vested in their own contributions and Employer safe harbor matching contributions, plus actual earnings thereon.

For nonelective and matching employer contributions made by a prior employer merged into the Plan or previously allowed by the Plan, the following vesting provisions will apply:

<u>Participant's Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Upon normal retirement, death or disability, participants will be 100% vested.

Forfeitures

Forfeitures of non-vested Company contributions can be used to reduce administrative expenses of the Plan, restore forfeited account balances on re-hires if eligible, or reduce employer contributions. Forfeitures totaling \$6,873 and \$6,508 were available to the plan as of December 31, 2023 and 2022, respectively. No forfeitures were used during the year ended December 31, 2023.

Notes Receivable from Participants

Participants borrow from their accounts a minimum of \$1,000 up to a maximum amount of the lesser of: a) 50% of the participant's vested account, reduced by any outstanding loan balance, or b) \$50,000, reduced by the excess of the highest outstanding loan balance during the 12 month period ending on the date of the loan over the participant's current outstanding loan balance on the date of the loan. Participants may have no more than one loan outstanding at any time. Participant loans are secured by the balance in the participant's account and bear interest at the prime rate. Principal and interest are repaid through payroll deductions over a period of one to five years, unless utilized for the purchase of a primary residence.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Upon termination of employment, the Plan has a mandatory cash-out provision for participants with less than \$5,000 in their account, which does not require consent from the participant. Accounts with less than \$1,000 will be distributed to the participant. Accounts with between \$1,000 and \$5,000 will be rolled into an individual retirement plan. Hardship withdrawals from accounts which are fully vested are permitted by the Plan. Normal retirement age is age 65. In-service distributions are allowed for participants after reaching age 59 ½.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued.

SOKAL MEDIA GROUP, INC. 401(K) PLAN
Notes to Financial Statements (continued)

NOTE 3: INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Charles Schwab Trust Bank for the period from January 1, 2023 to February 2, 2023 and by John Hancock as of December 31, 2023 and for the period from February 3, 2023 to December 31, 2023.

Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the above information which appears throughout the financial statements and supplemental schedule.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification (ASC) 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered Investment Companies: Investments in registered investment companies consist of shares of mutual funds that are valued at quoted market prices, which represent the net asset value ("NAV") of shares held by the Plan at year-end.

Notes to Financial Statements (continued)

NOTE 4: FAIR VALUE MEASUREMENTS (continued)

Money Market Fund: Valued at the quoted NAV of shares held by the Plan at year-end.

Common Collective Trust: Valued at the NAV, as practical expedient, as determined by the issuer.

The following table sets forth by level, within fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

<i>Investments at Fair Value as of December 31, 2023</i>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Investments, at fair value	<u>\$ 2,977,717</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,977,717</u>

- (a) In accordance with FASB Codification Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value of amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using NAV per Share as Practical Expedient

The following table summarizes investments for which fair value is measured using NAV per share as practical expedient as of December 31, 2023 and 2022.

NOTE 5: TAX STATUS

The Plan is a non-standardized pre-approved profit sharing plan with CODA and has received a determination letter dated June 30, 2020, indicating that the plan is acceptable under the IRC Section 401 for use by employers for benefit of their employees. The Plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax exempt as of the Plan's financial statement date.

SOKAL MEDIA GROUP, INC. 401(K) PLAN
Notes to Financial Statements (continued)

NOTE 5: TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. The Company also reserves the right to amend, modify, suspend, or terminate the Plan permanently or temporarily, at such time as they deem appropriate. In the event of Plan termination or if the employer elects to discontinue contributions, the total value of each participant's account will be fully vested.

NOTE 7: RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
