To the Plan Administrator, Trustees, and Participants
Storage Solutions, Inc. 401(k) Plan
Westfield, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Storage Solutions, Inc. 401(k) Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2; and
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate,

they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter —Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2023, and the schedule of assets (held at end of year) (modified cash basis) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including

comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules (modified cash basis) other than the information in the supplemental schedules (modified cash basis) that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules (modified cash basis) agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Storage Solutions, Inc. 401(k) Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Storage Solutions, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement or the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on January 1, 2019, covering all employees of a controlled group, which includes Storage Solutions, Inc. and Warehouse Solutions, Inc. (the Plan Sponsor), except for union or leased employees and non-resident aliens. Employees may enter the Plan on the first day of the quarter after achieving two months of service and 21 years of age. The Plan is subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Effective May 1, 2024, the Plan was amended to change the timing of elective deferrals to each pay period, and a participant may stop an election to contribute at any time.

Contributions

Participants may contribute up to 100% of pretax annual compensation as defined by the Plan, up to the maximum allowable under the Internal Revenue Code (IRC) or designate all or a portion of elective deferrals as Roth elective deferrals. Participant contributions are presented net of prior year corrective contributions distributed, if any. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans in the form of rollovers.

The Plan elected to be a Safe Harbor plan and includes matching contributions calculated as 100% of participant deferrals that do not exceed 3% of eligible compensation, plus 50% of participant deferrals that exceed 3% of eligible compensation up to 5% of eligible compensation. Employer Safe Harbor matching contributions were \$697,471 in 2023. The Plan Sponsor may elect to provide a discretionary profit-sharing contribution each plan year. The extent and amount of each year's discretionary profit-sharing contributions, if any, are at the discretion of the Plan Sponsor. Any profit-sharing contribution will be determined by the Plan Sponsor. There were no discretionary profit-sharing contributions during 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions, safe harbor matching contributions, allocations of the Plan Sponsor's discretionary profit-sharing contributions (if any), and Plan earnings, losses, and expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct their investments into various options offered by the Plan. The Plan offers 28 variable investment options through a pooled separate account and one guaranteed fixed interest account as investment options for participants.

Storage Solutions, Inc. 401(k) Plan

Notes to Financial Statements

Vesting

Participants are immediately vested in their contributions, employer safe harbor matching contributions, plus actual earnings or losses thereon. Vesting in the Plan Sponsor's discretionary profit-sharing contributions is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate as specified in the Plan Document, which was the prime rate plus 2% at the loan inception date for loans originating during 2023. The interest rate on loans outstanding at December 31, 2023 was 5.25% to 10.50%. Loan repayments are made ratably through payroll deductions over a period not to exceed five years, unless a loan is used to purchase a primary residence, in which case, a loan may be repaid up to a period not to exceed 30 years.

Payment of Benefits

On termination of service, death, total and permanent disability, or retirement, participants or beneficiaries will receive a lump-sum amount equal to the value of their vested interest in his or her account. If, at termination, the participant's vested balance is \$5,000 or less, the Plan may distribute the entire vested balance out of the Plan, as allowable by the Plan. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

Forfeitures

Forfeitures from nonvested participant accounts may be used to reduce future employer contributions or administrative expenses. Forfeitures included in net assets were \$32,150 at December 31, 2023. There were no forfeitures included in net assets at December 31, 2022. No forfeitures were used to reduce employer contributions or expenses in 2023.

Administrative Expenses

An annual administrative fee for processing Form 5500 (the Plan's annual tax filing) and a full-service fee based on the number of participants in the Plan are paid by the Plan Sponsor and excluded from the accompanying financial statements. Fees paid by the Plan, net of forfeitures used, include trustee, custodian, and asset fees. Third-party fees are directly deducted from the individual participant's accounts as charged by the funds.

Storage Solutions, Inc. 401(k) Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (US GAAP). The presentation is permitted by the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Cash basis financial statements that adjust securities investments to fair value are considered to be prepared on a modified cash basis of accounting. Under the modified cash basis of accounting, certain additions and related assets are recognized when received rather than when earned and certain deductions are recognized when paid rather than when the obligation is incurred.

The principal items that would be required to be reflected in the financial statements by US GAAP (the amounts of which are not practicable to determine) are as follows:

- Accrual of all contributions owed at each year-end but not received until the following year.
- Accrual of dividends declared but not paid.
- Accrual of interest income from participant loans earned at each year-end but not received until the following year.
- Accrual of the Plan expenses and management fees incurred at year-end but not paid until the following year.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Notes Receivable From Participants

Participant loans are classified as notes receivable from participants and are measured at the unpaid principal balance. Related fees are recorded as administrative expenses when they are incurred. The Plan classifies all participant loans with no payments received by the end of the calendar quarter following the calendar quarter in which the payment is first delinquent as in default. Defaulted loans are deemed distributed and recorded as benefits paid to participants in the statement of changes in net assets available for benefits. There were no deemed distributions in 2023.

Fair Value Measurement

The Plan has determined the fair value of investments using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Storage Solutions, Inc. 401(k) Plan

Notes to Financial Statements

Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled Separate Account: Valued at the net asset value (NAV) of units held by the Plan at year-end. The amounts allocated to the separate account are credited to a participant's account in the form of accumulation units. The value of an accumulation unit of any investment account is determined at the close of each business day and is directly related to the NAV of the shares of the underlying investment adjusted for any dividends or distributions received and the daily equivalent of any fee charged pursuant to the contract. Each investment account is invested exclusively in shares of a specific mutual fund. As a result, the fair value of the account is classified as Level 2.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those used by other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of:

	Level 2	Total
<u>December 31, 2023</u>		
Pooled separate account	<u>\$ 11,735,816</u>	<u>\$ 11,735,816</u>
<u>December 31, 2022</u>		
Pooled separate account	<u>\$ 10,193,143</u>	<u>\$ 10,193,143</u>

There were no Level 1 or Level 3 assets at December 31, 2023 or 2022.

Risks and Uncertainties

The Plan provides investment options in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk

Storage Solutions, Inc. 401(k) Plan

Notes to Financial Statements

associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities may occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for Plan benefits.

The Plan had a concentration in individual investment funds greater than 10% in four funds totaling \$7,451,847 and \$7,277,451 at December 31, 2023 and 2022, respectively.

Excess Contributions

Amounts paid to participants for contributions in excess of amounts allowed by the IRS are recorded as a reduction to contributions when paid. There were no excess contributions distributed in 2023.

Payment of Benefits

Benefits are recorded when paid.

3. Information Certified by the Plan's Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA as of December 31, 2023 and 2022, and for the year ended December 31, 2023. Accordingly, the following investment information included in the accompanying financial statements and supplemental schedules as of December 31, 2023 and 2022, and for the year ended December 31, 2023, was obtained and derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan's custodian, Empower Annuity Insurance Company of America:

	December 31,	
	2023	2022
Investments:		
Investments at fair value - pooled separate account	\$ 11,735,816	\$ 10,193,143
Investment, at contract value - fixed account	183,486	850,539
Notes receivable from participants	91,613	106,212
	Year Ended	
	December 31,	
	2023	
Net appreciation in fair value in pooled separate account	\$ 1,913,091	
Interest income from fixed account	7,539	
Interest income on notes receivable from participants	4,713	

Storage Solutions, Inc. 401(k) Plan

Notes to Financial Statements

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

4. Investment, at Contract Value – Fixed Account

The Plan maintains a guaranteed fixed interest account that is invested in a diversified portfolio consisting predominately of fixed-income investments (bond, mortgages, private placement, and short-term investments) where the objective is to maximize long-term, risk-adjusted returns. This account meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions plus credited interest less participant withdrawals and administrative expenses.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, may limit the Plan's ability to transact at contract value. The Plan administrator believes the occurrence of such events that would limit the Plan's ability to transact at contract value with Plan participants is not probable.

5. Related-party Transactions and Party-in-Interest Transactions

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. These transactions qualify as party-in-interest transactions. The Plan allows participants to obtain loans from the Plan, which are also considered party-in-interest transactions. Fees paid by the Plan for administrative services were \$2,520 for the year ended December 31, 2023. Additional investment fees paid to the custodian are netted against investment returns. These party-in-interest transactions are not prohibited under ERISA.

6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and the balance of the net assets of the Plan would be allocated among the participants and beneficiaries as prescribed by ERISA.

7. Tax Status

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing Plan sponsored by CCH Incorporated, DBA ftwilliam.com that obtained a favorable opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the Pre-Approved Profit Sharing Plan Document, as then designed, was in compliance with the applicable requirements of the IRC and is, therefore, not subject to tax under present income tax law. The Plan has been amended since receiving the opinion letter. The Plan is required to operate in conformity with the IRC to

maintain its qualification. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, no provision for income taxes is included in the Plan's financial statements.

The Plan reviews its tax positions for uncertainty and records a provision for tax positions which may not be sustained based on their technical merits if examined by taxing authorities. At December 31, 2023 and 2022, there were no matters requiring a provision for uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Late Remittances

The Plan remitted certain employee deferrals late totaling \$290 in 2023 and \$54,808 in 2022. Lost earnings of \$71 related to the 2022 late remittances were contributed in 2023. Lost earnings related to the 2023 late remittances are expected to be contributed in 2024.

9. Subsequent Events

Subsequent events were evaluated through October 14, 2024, the date the financial statements were available to be issued. Except as disclosed in Note 1, no other items were noted requiring disclosure or adjustment.
