Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☐ Unmodified (2) ☐ Qualified (3) ☒ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **HANCOCK & ROBINSON CPAS**

(2) EIN: **46-1410019**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	4966
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	☐	☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	☐	☒

Henry 401(k) Plan
Rice Lake, Wisconsin

To the Board of Trustees:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Henry 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at Year End) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of or for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HENRY 401(K) PLAN

Notes to Financial Statements

Years ended December 31, 2023 and 2022

Note 1 Description of Plan

The following description of the Henry 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Henry RAC Holding Corp and subsidiary and affiliate (the "Company"). The Plan covers substantially all eligible employees who are age 18 or older. Excluded classes of employees include leased employees and nonresident aliens. The Company serves as the plan administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On December 29, 2022, President Biden signed into law the Consolidated Appropriations Act of 2023, which includes the package of retirement provisions referred to as "SECURE 2.0". These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system, finding ways for them to accumulate more assets, and then ensuring they get connected with those assets when retirement comes. Many of the provisions of the SECURE 2.0 are effective on January 1, 2023, and beyond and will require significant changes to plan administration and recordkeeping.

Eligibility

Employees who are employed 60 days and are at least age 18 are eligible to participate.

Contributions

Participants may elect to contribute pre-tax deferral and/or Roth contributions of up to 100% of eligible compensation. Total pre-tax and Roth deferrals are subject to the statutory limitations of the Internal Revenue Code. A participant may also contribute amounts representing distributions from other qualified plans (rollover contributions). The Employer may also make a discretionary matching contribution to the Plan. During the years ended December 31, 2023 and 2022, the Company made matching contributions of \$470,472 and \$328,612, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's non-elective contribution and an allocation of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

HENRY 401(K) PLAN

Notes to Financial Statements

Years ended December 31, 2023 and 2022

Note 1 Description of Plan (Continued)

Vesting

Participants are immediately vested in their contributions and the Company's matching contribution plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon are based on years of service. Vesting occurs as set forth in the following schedule:

Years Service	of Nonforfeitable Percentage
<1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The notes receivable are secured by the balance in the participant's account and bear interest at a rate of 5.25%-10.50%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through weekly payroll deductions. Notes receivable from participants had a balance of \$137,201 and \$92,012 at December 31, 2023 and 2022, respectively.

Payments of Benefits

Benefit payments to participants are made payable in the event of retirement, death, disability, in-service, or termination of employment in either a lump-sum payment or installments.

Forfeitures

Plan forfeitures arise as a result of participants who terminate service with the Company before becoming 100% vested in the Company's contributions. These forfeitures may be used to reduce nonelective contributions or may be used to pay administrative expenses in accordance with the Plan document. At December 31, 2023 and 2022, there were unallocated forfeitures of \$17,803 and \$7,903, respectively. Forfeitures of \$12,022 and \$6,680 were used during the years ended December 31, 2023 and 2022, respectively.

Note 2 Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of the accompanying financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

HENRY 401(K) PLAN

Notes to Financial Statements

Years ended December 31, 2023 and 2022

Note 2 Summary of Accounting Policies (Continued)

Risks and Uncertainties

The Plan holds various investments. Investment securities are exposed to various risks such as interest rates, market, and credit. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments in collective investment trusts and pooled separate accounts are measured at fair value using the net asset value per share. Fair value is a price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Also, the Plan had an investment contract related to a stable value fund, which was measured at contract value.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses charged by the Trustee of the Plan and investment advisory fees are paid by the Plan. All other expenses incurred in conjunction with the Plan are paid by the Company.

Subsequent Events

The Plan has evaluated subsequent events through October 11, 2024, which is the date the financial statements were available to be issued.

HENRY 401(K) PLAN

Notes to Financial Statements

Years ended December 31, 2023 and 2022

Note 3 Fair Value Measurements

Accounting standards provide the framework for measuring fair value. That framework provides a fair value hierarchy that provides the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs, other than quoted prices, that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Collective investment trust: Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities and is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Pooled separate accounts: The Plan's investments in pooled separate accounts are measured at fair value using the NAV per share. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund.

Stable value funds: Reflected at contract value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements

Years ended December 31, 2023 and 2022

Note 3 Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022.

*- In accordance with FASB guidance, the stable value fund has not been classified in the fair value hierarchy as it is measured at contract value. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the total investments in the statements of net assets.

Note 4 Contracts with Insurance Companies

The Plan has an investment in a Stable Value Option investment choice that is a fully benefit-responsive investment contract with Principal Life Insurance Company (Principal), that is reported at contract value (\$140,507 and \$40,977 at December 31, 2023 and 2022, respectively). Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value represents contributions plus earnings, less participant withdrawals and administrative expenses.

Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Stable Value Option offered by Principal is not considered a guaranteed investment contract and there is no stated minimum or maximum interest that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer.

Participants may ordinarily withdraw assets from the Stable Value Option without restrictions; however, Principal may impose a hold period at the contract level in the event of a full contract discontinuance or a partial contract discontinuance.

Notes to Financial Statements

Years ended December 31, 2023 and 2022

Note 5 Information Certified by the Plan Trustee

Certain information related to investments in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2023 was obtained or derived from the information furnished to the plan administrator and certified as complete and accurate by Principal Life Insurance Company, the custodian of the Plan.

Note 6 Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan document to discontinue its contributions and to terminate or partially terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

Note 7 Tax Status

The Company adopted a nonstandard prototype document with an IRS opinion letter dated June 30, 2020, which states the prototype Plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the date of the opinion letter; however, the Plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan remains open to examination through the applicable statutory periods.

Note 8 Parties in Interest Transactions

Certain Plan investments for the years ended December 31, 2023 and 2022 were managed by Principal. Principal is the Recordkeeper and Trustee as defined by the Plan. These transactions qualify as exempt party-in-interest investments. During 2023 and 2022, the Plan paid the Trustee \$44,916 and \$30,986, respectively, in administrative expenses.

Note 9 Delinquent Participant Contributions

As required by ERISA Section 2510.3-102, the plan sponsor is required to segregate employee contributions to the plan from its general assets as soon as practicable but in no event more than 15 business days following the end of the month in which amounts are withheld from wages. For the year ended December 31, 2023, there were \$4,965 of participant contributions and loan payments related to the 2022 plan year that were not remitted to the Plan until 2023. These amounts include earnings calculated under the VFCP and have been reported on the Supplemental Schedule of Delinquent Participant Contributions and are included in Employee Contributions Receivable accordingly.
