Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **REHMANN ROBSON LLC**

(2) EIN: **38-3635706**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	28742

INDEPENDENT AUDITORS' REPORT

The Retirement Plan Committee
Eden Foods, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of ***Eden Foods, Inc. Retirement Plan*** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the years ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Independent Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Independent Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Independent Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EDEN FOODS, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

1. DESCRIPTION OF THE PLAN

The following description of the *Eden Foods, Inc. Retirement Savings Plan* (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of *Eden Foods, Inc.* and *Twin Ash Farms Organic Processing, LLC* (collectively, the "Company") who have completed three months of service and are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Empower Trust Company ("Empower"), (the "Trustee") is the trustee and recordkeeper of the Plan. The Company is the administrator of the Plan (the "Plan Administrator"). The Trustee holds all assets of the Plan in accordance with the service provider contract with the Company. Management of the Plan Sponsor is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustees.

Contributions

Each year, participants may contribute up to 100% of annual compensation as defined in the Plan subject to certain IRS limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to contribute to the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The annual deferral rate increases 1% every year, up to a limit of 10%. The Company contributes a discretionary percentage based on the participant's compensation or a discretionary dollar amount, to be determined by the Company on a uniform basis to all participants. The Company made discretionary contributions equal to 50% of each participant's contributions, up to a maximum of 2.5% of their eligible compensation. Participants direct the investment of contributions into various investment options offered by the Plan.

Participant's Accounts

Each participant's account is credited with the participant's contribution, the Company's discretionary matching contributions (when made) and Plan earnings, and is charged with an allocation of administrative expenses, if any. Participants who initiate a loan or benefit payment are charged a fee for that transaction. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

EDEN FOODS, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Vesting

Participants are immediately vested in their 401(k) voluntary contributions plus actual earnings thereon. Vesting in the Company's discretionary contributions is based on years of continuous service. A participant vests 20% after two years of credited service and 20% for each year of credited service thereafter, becoming 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The \$50,000 maximum is reduced by the excess, if any, of the highest outstanding balance of loans during the year prior to inception and the outstanding balance of loans at the date of inception. A participant may not have more than two loans outstanding at any time. The resulting notes receivable are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 8.50%, which are commensurate with local prevailing rates at the time the notes are issued, as determined quarterly by the Plan Administrator. Principal and interest is collected ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, financial hardship, retirement or any other distributive event, as defined in the Plan agreement, participants or their beneficiaries may receive an amount equal to the value of the participant's vested interest in their account in a lump-sum payment or in various installments. The Plan also allows distributions on attainment of 59 1/2 years of age equal to the value of the participant's vested interest in their account.

Forfeited Accounts

Forfeited nonvested accounts may be used to reduce Plan expenses or to reduce future Company discretionary contributions. Employer cash contributions were reduced by \$44,692 and \$6,726 from forfeited nonvested accounts during 2023 and 2022, respectively. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$3,275 and \$26,614, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

EDEN FOODS, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the note receivable to be in default, the participant note receivable is reduced and a benefit payment is recorded.

Contributions

Participant contributions are recorded when withheld from compensation. Employer contributions are recorded in the period in which they become obligations of the Company.

Benefits Paid to Participants

Benefit payments to participants are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid either by the Plan or the Company, as provided by the Plan document. Certain administrative expenses, including an allocation of salaries related to Plan administration, and audit and legal costs, are paid by the Company and qualify as party-in-interest transactions which are exempt from prohibited transaction rules. Expenses that are paid directly by the Company are excluded from these financial statements. Fees for custodial and record keeping services are paid by the Plan. Participants are charged directly for loan fees and fees related to certain distribution types.

EDEN FOODS, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Subsequent Events

In preparing these financial statements, Plan management has evaluated, for potential recognition or disclosure, significant events or transactions that occurred during the period subsequent to December 31, 2023, the most recent statement of net assets available for benefits presented herein, through the date of the accompanying Independent Auditors' Report, the date these financial statements were available to be issued. No such significant events or transactions were identified.

3. CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net change in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023 and 2022, was obtained by management and agreed to and derived from information certified as complete and accurate by Empower, as trustee.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Accounting Standards Codification 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

EDEN FOODS, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

The following is a description of the valuation methodologies used for assets measured at fair value. For financial assets recorded at fair value, the description includes an indication of the level of the fair value hierarchy in which the assets are classified. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Shares held in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: These investments are valued using the NAV of units of the funds, which is based on the fair value of the funds' underlying net assets. Investments held by the Plan at year-end as provided by the insurance company and are not assigned a level in the fair value hierarchy. The NAV is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the investment will be sold for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value at December 31:

2023	Level 1	Level 2	Level 3	Other (1)	Total
Mutual funds	\$ 6,401,389	\$ -	\$ -	\$ -	\$ 6,401,389

EDEN FOODS, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

(1) Certain investments are measured at NAV per share (or its equivalent) on a non-active market and have not been classified in the fair value hierarchy and are presented in the column titled "Other" above. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following tables set forth additional disclosures for the fair value measurement of investments in certain entities that calculate NAV per share (or its equivalent) as of December 31:

Investment Type	2023			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ 1,829,868	\$ -	Daily	Daily

Investment Type	2022			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ 1,506,194	\$ -	Daily	Daily

5. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract with Empower with a balance of \$763,163 and \$1,724,464 at December 31, 2023 and 2022, respectively. Empower maintains contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a semi-annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully-benefit responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

EDEN FOODS, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Such events include the following:

- 1) Amendments to the Plan documents (including complete or partial Plan termination or merger with another plan).
- 2) Premature termination of the contract.
- 3) Changes to the Plan's prohibition on competing investment options.
- 4) Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

Plan management believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Such events include the following:

- 1) The Plan provides effective communication to the issuer that the contract will be terminated.
- 2) The issuer determines that it will not be able to continue to operate the contract under its current terms following the Plan's establishment, activation or material change to, any Plan investment fund.
- 3) The Plan becomes disqualified under IRS Code Section 401(a), 403(a), 414(d), 414(e) or any other applicable Code provision.
- 4) There is a termination or partial termination of the Plan.
- 5) A breach of material obligation under the contract.
- 6) A material amendment to the agreements without the consent of the issuer.
- 7) The sum of all participant contract account market values is not more than \$1,000 or the book value account balances are zero.
- 8) The Company fails to make contributions, which have been deducted from participants' paychecks, into the contract.
- 9) The issuer provides effective communication to the Plan that the agreement will be terminated as of a date at least 90 days after the issuer provides effective communication.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are in funds and accounts that are managed by Empower or their subsidiaries and affiliates. Participant loan and distribution processing fees are paid to Empower by participants. The Plan paid for third party administrator fees, investment advisory, and plan audit fees which qualify as party-in-interest transactions. The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

Notes to Financial Statements

7. TAX STATUS

The Plan uses a prototype plan document sponsored by Empower Retirement. The prototype plan document has received an opinion letter from the Internal Revenue Service dated November 14, 2022, stating that the written form of the underlying prototype plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and that any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the Code. The Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

US GAAP requires Plan management to evaluate and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. While the Plan may be subject to routine audits by taxing jurisdictions, there are currently no audits for any tax periods in progress.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

9. DELINQUENT PARTICIPANT CONTRIBUTIONS

During the Plan year ended December 31, 2023, participant contributions totaling \$28,742 were not remitted to the Plan within the period prescribed by DOL regulations. These transactions constitute prohibited transactions as defined by ERISA. The contributions and related lost earnings are expected to be remitted to the Plan during 2024.

10. RISKS AND ECONOMIC UNCERTAINTIES

The Plan invests in various investment securities with the underlying assets consisting of any combination of stocks, bonds, fixed income securities, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of interest rate, market, and credit risks inherent with certain of the Plan's investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes in net assets available for benefits.
