Independent Auditor's Report

To the Trustees of
Woolpert 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Woolpert 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Woolpert 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Woolpert 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Woolpert 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Woolpert 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Woolpert 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes at end of year and schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Woolpert 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

1. Description of the Plan

The following description of Woolpert 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Woolpert, Inc. (the Employer) who have completed one month of service. The Plan was established effective January 1, 1988 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan allows for entities affiliated with the Employer to participate in the Plan as a "Participating Employer" with the approval of the Employer. The Employer has approved participation in the Plan of CivilTech Engineering, Inc., Jviation, Inc., Optimal Geo (effective April 14, 2022), and Etrac Inc. (effective January 17, 2023) as Participating Employers (collectively, the Employers).

Effective January 17, 2023, eTrac Inc 401(k) Profit Sharing Plan merged into the Plan. Assets and related participant accounts of \$5,480,469 were transferred into the Plan during 2023.

Effective June 30, 2022, Optimal Geo 401(k) Plan merged into the Plan. Assets and related participant accounts of \$5,791,933 were transferred into the Plan during 2022.

Participant and Rollover Contributions

Eligible employees may defer a percentage of compensation up to a maximum of 50% of annual compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Employees who do not voluntarily enroll in the Plan are automatically enrolled in the Plan at a deferral rate of 3% of annual compensation. Employees may opt out of the automatic enrollment feature. All participating employees will be automatically escalated 1% annually until 6% is reached.

Employer Contributions

The Plan allows for discretionary employer matching in an amount equal to a percentage of the eligible contributions by each eligible participant during the contribution period. During 2023 and 2022, the Employers matched up to 50% of the first 6% of an employee's salary deferred into the Plan. An additional discretionary non-elective contribution is also available pro-rata based on the ratio of each participant's compensation compared to total compensation of all participants. There were no discretionary non-elective contributions made to the Plan during 2023 or 2022.

Participant Accounts

Each participant's account is credited or charged with the participant's contribution and an allocation of: (a) employer contributions, (b) Plan earnings, and (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Vesting

Participants are immediately vested in their voluntary and discretionary non-elective Employer contributions and actual earnings thereon. Participants become fully vested in Employer matching contributions and actual earnings thereon upon the earliest date of normal retirement age or completion of three years of service.

Notes to Financial Statements

December 31, 2023 and 2022

1. Description of the Plan (Continued)

Payment of Benefits

The benefit to which a Plan participant is entitled is the benefit that can be provided by the contributions made and income earned on investments, net of expenses. Upon service or disability retirement, death, or termination, a participant or beneficiary will receive an amount equal to the value of his account, including earnings. The benefit will be paid as a lump-sum or installments.

Loans and Hardship Withdrawals

Under the Plan, participants with account balances may borrow a minimum of \$1,000 or the lesser of \$50,000 or fifty percent (50%) of the amount in the participant's vested account balance. Loans are to be repaid through payroll deductions on the basis of substantially level amortization, within five (5) years from the date the loan is made, or longer if for the purchase of a principal residence. The Plan also provides for withdrawals from the participant's salary reduction account balance in the event of immediate and heavy financial need.

Forfeitures

Forfeitures are created when participants terminate employment before becoming fully vested in the Employers' contributions. Forfeited amounts may be used to pay Plan expenses or reduce Employers' contributions. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$74,483 and \$6,156, respectively. The amount used to offset Employers' contributions and administrative expenses of the Plan in 2023 and 2022 totaled \$101,057 and \$272,913, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires the Plan administrator and Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 8).

The Plan presents in the statements of changes in net assets available for benefits, the net investment gain from common/collective trust, which consists of interest, dividends, realized gains or losses and unrealized appreciation (depreciation) on those investments. The Plan also presents in the statements of changes in net assets available for benefits, the net investment gain (loss) from registered investment companies, which consists of realized gains or losses and unrealized appreciation (depreciation) on those investments. Purchases and sales of securities are reflected on a trade-date basis. Interest and dividend income is recorded when earned. Capital gain distributions are included in dividend income.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Woolpert 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

2. Summary of Significant Accounting Policies (Continued)

Payment of Benefits

Benefits are recorded when paid.

Payment of Expenses

All expenses of administration may be paid out of the Plan unless paid by the Employers. Such expenses shall include any expenses incident to the functioning of the administrator, including, but not limited to, fees of accountants, counsel, and other specialists and their agents, and other costs of administering the Plan. Until paid, the expenses shall constitute a liability of the Plan. However, the Employers may reimburse the Plan for any administration expenses incurred. Any administration expenses paid to the Plan as a reimbursement shall not be considered an Employer contribution. The Employers elected to pay some administration expenses incurred in 2023 and 2022. The Plan receives revenue sharing payments from investment companies that are allocated to participant accounts to offset Plan administrative expenses that were previously paid by the Plan. Revenue sharing payments received by the Plan during 2023 and 2022 totaled \$81,478 and \$121,779, respectively. Revenue sharing payments allocated to participant accounts during 2023 and 2022 totaled \$81,651 and \$91,096, respectively. Revenue sharing payments used to pay administrative expenses during 2023 and 2022 totaled \$102,748 and \$0, respectively. Revenue sharing payments unallocated to participant accounts at December 31, 2023 and 2022 totaled \$82,416 and \$180,155, respectively.

3. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and supplementary schedules, including all investments held and notes receivable from participants at December 31, 2023 and 2022, and the related interest, dividends from registered investment companies, interest on notes receivable from participants, net investment gain from common/collective trusts, and net investment gain (loss) from registered investment companies, was obtained or derived from unaudited information supplied to the Plan administrator and certified as complete and accurate by T. Rowe Price Trust Company (the Trustee of the Plan).

4. Plan Termination

Although it has not expressed such an intention, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan is terminated, participants will become fully vested in their accounts.

5. Income Tax Status

The Plan adopted the T. Rowe Price Retirement Plan Services, Inc. Basic Plan Document No. 15, a preapproved defined contribution plan, and need not apply for a separate determination letter, but instead may rely on the advisory letter issued by the Internal Revenue Service (dated August 19, 2020) stating that employers who adopt the Plan will be considered to have a plan qualified under Code section 401. Accordingly, the Plan administrator believes the Plan's net investment income is exempt from tax.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Woolpert 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

6. Risks and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

7. Related-Party Transactions

Certain Plan investments are managed by T. Rowe Price (or affiliates), which also acts as Trustee and recordkeeper for those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rule. Fees paid by the Plan for these services amount to \$119,482 and \$67,288 for the years ended December 31, 2023 and 2022, respectively.

8. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan utilizes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs. The three levels of inputs used to measure fair value under this accounting standard are described as follows:

- Level 1 - Quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.
- Level 2 - Observable inputs other than quoted prices included within Level 1. Inputs that are principally derived from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value measurement of the assets or liabilities. These include certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

Woolpert 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

8. Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies the Plan used for assets measured at fair value.

Registered investment companies (mutual funds) and money market fund: Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. The funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Common/collective trusts: Valued at the net asset value of units of the common/collective trusts. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the investment will be sold for an amount different from the reported net asset value. Transactions (purchases and sales) may occur daily. There are no unfunded commitments or significant redemption restrictions at December 31, 2023 and 2022.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value.

December 31, 2023

^(a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

8. Fair Value Measurements (Continued)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is only applicable to the Plan.

Investment	2023	2022	Unfunded Commitment		Redemption Frequency	Redemption Notice Period
			2023	2022		
Common/collective trust funds	\$ 16,487,861	\$ 8,496,431	\$ 0	0	Daily	None

9. Subsequent Events

The Plan's management evaluated the activity of the Plan through October 11, 2024 (the date the financial statements were available to be issued) and concluded that, except as disclosed below, no other subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

Effective January 1 2024, the Plan was amended to add Sheehan Nagle Hartray Architects: A Woolpert Company as a participating employer in the Plan. On April 3, 2024, Sheehan Nagle Hartray Architects Profit Sharing 401(k) Plan merged into the Plan. Assets and related participant accounts of approximately \$10,150,000 were transferred into the Plan during 2024.

On January 1, 2024, employees of Cooperative Strategies, LLC became employees of the Employer through an acquisition and began participating in the Plan. On April 1, 2024 Cooperative Strategies, LLC 401(k) PS Plan merged into the Plan. Assets and related participant accounts of approximately \$3,150,000 were transferred into the Plan during 2024.
